**2005 No. 3446**

**The Tuberculosis (England) Order 2005**

**Tuberculosis test records**

**10.**—(1) Where a skin test has been applied to a bovine animal, the Secretary of State shall, as soon as practicable after the results of the test have been read by an inspector, give the keeper of that animal a record in writing of the results of the test.

(2) Paragraph (1) shall not apply to animals in respect of which movement is, or remains prohibited under this Order following the test.

(3) The keeper of any animal to which paragraph (1) applies shall—

- (a) retain the record of the results of the test for a period of 3 years and 60 days following the date of injection of tuberculin; and
- (b) produce such record when requested to do so by an inspector.
