D.8 Member's requests for review of ill-health awards **U.K.**

- (1) This rule applies if a member—
- (a) is entitled to a pension under rule D.6, or
- (b) has received a lump sum under article 16 of the Armed Forces Early Departure Payments Scheme Order 2005(**25**) (lump sum awards: incapacity for armed forces service) ("article 16").
- (2) The member may request a review of his condition under this rule—
- (a) at any time before the fifth anniversary of the day on which the member became entitled to the pension or lump sum, or
- (b) after that time if in the opinion of the Secretary of State the circumstances are exceptional.
- (3) The request must be made by notice in writing in such form as the Secretary of State requires.

(25) S.I. 2005/437.

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

(4) If a member within paragraph (1)(a) requests a review of his condition under this rule, the Secretary of State must—

- (a) review the question whether the member has suffered a permanent breakdown in health involving incapacity for any employment (see rule D.5(2) and (3)), and
- (b) if, ^{F78}... he is of the opinion that he has suffered such a breakdown, determine whether—
 - (i) the member had suffered such a breakdown at the time when he became entitled to the pension under rule D.6, or
 - (ii) the condition by virtue of which he became so entitled has deteriorated so that he suffered such a breakdown later.

(5) If—

- (a) on any review under paragraph (4), ^{F79}... the Secretary of State is of the opinion that the member—
 - (i) has suffered such a breakdown as is mentioned in paragraph (4)(a), and
 - (ii) had done so at the time when he became entitled to the pension under rule D.6, and
- (b) the member meets the condition in rule D.5(1)(b),

then [^{F80}the member's entitlement under rule D.6 ceases and] rule D.5 applies as if the conditions mentioned in that rule were met at the time the member ceased to be in service by virtue of which he was eligible to be an active member of the Scheme, and accordingly the member immediately becomes entitled to payment of such an amount as is specified in paragraph (6).

(6) The amount referred to in paragraph (5) is such an amount as represents the sum of—

- (a) the difference between the pension payments that have been made to the member under rule D.6 and those to which he was actually entitled under rule D.5, and
- (b) the difference between the lump sum paid to him under rule D.6 and the lump sum to which he was actually entitled under rule D.5.

[^{F81}(7) If on any review under paragraph (4), the Secretary of State is of the opinion that—

- (a) the member has suffered such a breakdown as is mentioned in paragraph (4)(a), but
- (b) the condition by virtue of which he became entitled to the pension under rule D.6 has deteriorated so that he suffered such a breakdown later,

then the member's entitlement to a pension under rule D.6 ceases and the member is entitled to a pension calculated in accordance with paragraph (7A) from the date on which the review was requested.

(7A) The pension to which a member is entitled under paragraph (7) shall consist of—

- (a) a pension calculated under rule D.5, and
- (b) an increase in that pension by an amount equivalent to the amount that a pension would be increased if the option to exchange a lump sum under rule D.10 were exercised where the amount of the lump sum exchanged is the difference between the lump sum paid to the member under rule D.6 and the lump sum which the member would have received had the member been entitled to it under rule D.5.]

(8) If a member within paragraph (1)(b) requests a review of his condition under this rule, the Secretary of State must—

- (a) review the question whether the member has suffered a breakdown in health as a result of which his capacity for gainful employment is significantly impaired, and
- (b) if, ^{F82}... he is of the opinion that the member has suffered such a breakdown, determine whether—

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

- (i) the member had suffered such a breakdown at the time when he became entitled to payment of the lump sum under article 16, or
- (ii) the condition by virtue of which he became so entitled has deteriorated so that he suffered such a breakdown later.

(9) If—

(a) on any review under paragraph (8), ^{F83}... the Secretary of State is of the opinion that the member—

- (i) has suffered such a breakdown as is mentioned in paragraph (8)(a), and
- (ii) had done so at the time when he became entitled to payment of the lump sum under article 16, and

[^{F84}(b) the conditions in rule D.6(1)(aa) and (b) are met,]

then rule D.6 applies [^{F85}from the time when the ill-health condition (as defined in paragraph 1 of Schedule 28 to the Finance Act 2004) is first met], and accordingly the member is entitled to a lump sum under that rule and to a pension under that rule payable from that time (subject to paragraph (12)).

(10) If—

(a) on any review under paragraph (8), ^{F83}... the Secretary of State is of the opinion that—

- (i) the member has suffered such a breakdown as is mentioned in paragraph (8)(a), but
- (ii) the condition by virtue of which he became entitled to payment of the lump sum under article 16 has deteriorated so that he suffered such a breakdown later, and

[^{F86}(b) the conditions in rule D.6(1)(aa) and (b) are met,]

then rule D.6 applies [^{F87}from the date when the ill-health condition (as defined in paragraph 1 of Schedule 28 to the Finance Act 2004) is first met], and accordingly the member is entitled to a lump sum under that rule and to a pension under that rule payable from that date (subject to paragraph (12)).

(11) If paragraph (9) or (10) applies and the lump sum paid to the member under article 16 was less than the lump sum to which he is entitled under rule D.6, the lump sum to which the member is so entitled is a lump sum equal to the difference.

(12) If paragraph (9) or (10) applies and the lump sum paid to the member under article 16 exceeded the lump sum to which he is entitled under rule D.6, then the member is not entitled to a lump sum under D.6 and the excess must be repaid.

- that the member has not suffered such a breakdown as is mentioned in D.5(1)(a), but
 - that the member meets the condition in rule D.6(1)(a),

the Secretary of State may determine that the member is to cease to be entitled to a pension under rule D.5 and to become entitled to a pension under rule D.6 at the end of the day on which the determination is made.

(2) Where a member so opts, the pension in respect of which he exercises the option is to be increased as from the date it is otherwise payable by so much as in the opinion of the Scheme Actuary is equivalent in value to the amount of the whole or, as the case may be, the relevant part of the lump sum in question.

(3) A member who has exercised the option under paragraph (1) ceases to be entitled to payment of so much of the lump sum as is affected by the option.

(4) Paragraph (3) applies whether or not the pension that is to be increased as a result of the option actually becomes payable.

(5) The option under this rule may only be exercised by giving notice in writing to the Scheme administrator, in such form as the Secretary of State requires, during the period of 6 months ending with the day on which the person becomes entitled to the lump sum in question.

D.12

D.13 Pension credit member's rights **U.K.**

(1) Where regulation 7(5) of the Pension Sharing (Pension Credit Benefit) Regulations 2000⁽²⁶⁾ (early or deferred retirement) applies, the Secretary of State must be reasonably satisfied that the requirements of that regulation have been met.

(2) Section 68A(2)(a) of the Pension Schemes Act 1993⁽²⁷⁾ (safeguarded rights) applies to the safeguarded rights of pension credit members.

(3) Benefits that are attributable to a pension credit may not be aggregated with any other benefits to which the pension credit member is entitled under the Scheme.

Allocation

D.14 Election to allocate pension **U.K.**

(1) An active member or deferred member may elect to allocate a part of the member's annual pension under the Scheme to the member's spouse or civil partner or a person who in the opinion of the Secretary of State meets one of the conditions specified in paragraph (2).

(2) The conditions are—

- (a) that the person is financially wholly or mainly dependent on the member, or
- (b) that the member and the person are financially interdependent.

(3) But no election may be made in respect of a pension payable under rule D.5, D.6 or D.7.

(4) The member may not elect to allocate more than [^{F94}the permitted percentage] of the member's annual pension (before any exercise of the option under rule D.10: option to exchange lump sum for pension).

[^{F95}(4A) In paragraph (4) “the permitted percentage” means 37.5% or such lower percentage as appears to the Scheme administrator to be capable of being allocated under this rule without risking that a part of the pension to which any person becomes entitled on the death of the member after 75 does not qualify as a dependants' scheme pension for the purposes of section 167 of the Finance Act 2004 (the pension death benefit rules) (see paragraphs 16 to 16B of Schedule 28 to that Act).]

(5) If a member wishes to allocate pension to two or more persons—

- (a) he must make a separate election in respect of each of the persons, and
- (b) the limit under paragraph (4) applies to the aggregate amount allocated.

⁽²⁶⁾ S.I. 2000/1054.

⁽²⁷⁾ Section 68A is inserted by section 36 of the Welfare Reform and Pensions Act 1999 (c. 30).

(7) If—

- (a) an election does not comply with paragraph (4) or (6), or
- (b) taken together the member's elections do not so comply,

the Scheme administrator may treat the election or, as the case may be, each of the elections, as allocating such smaller amount as would result in the election, or the elections taken together, so complying.

D.15 Procedure for election under rule D.14 **U.K.**

D.16 Effect of allocation **U.K.**

(1) Where an election under rule D.14 for the allocation of a member's pension to another person ("the beneficiary") has taken effect—

- (a) the member's pension is reduced accordingly (even if the beneficiary predeceases the member), and
- (b) if the beneficiary survives the member, on the member's death the beneficiary becomes entitled to the payment of a pension for life of such amount as the Secretary of State may determine, after consultation with the Scheme actuary, having regard—
 - (i) to the amount of the allocation to the beneficiary, and
 - (ii) to the beneficiary's age and sex.

(2) But the Secretary of State may withhold payment from the beneficiary if paragraph (3), (4) or (5) applies.

(3) This paragraph applies if—

- (a) the member dies before the expiry of the period of two years beginning with the date on which the election takes effect, and
- (b) the Secretary of State is satisfied that the member made a false declaration about the state of his health in connection with making the election.

(4) This paragraph applies if the Secretary of State is of the opinion that the member made the election under duress.

(5) This paragraph applies if the Secretary of State is of the opinion that the member was mentally impaired at the time when he made the election and would not have made the election apart from the impairment.

(6) If the Secretary of State proposes to withhold payment under paragraph (2), he must notify the person in writing that he proposes to do so.

(7) Such a notification must give the person information about rights under—

- (a) the arrangements established by the Secretary of State for the resolution of disputes relating to the Scheme that are in force at the time the notification is given, and
- (b) Part 10 of the Pension Schemes Act 1993⁽²⁸⁾ (investigations: the Pensions Ombudsman),

in respect of any decision made under paragraph (2).

(8) References in these Rules to pensions under this Part do not include pensions under this rule.

Contracting-out Obligations (GMPs etc.)

D.17 Guaranteed minimum pensions etc **U.K.**

(1) Paragraphs (2) to (5) apply where a member has a guaranteed minimum under section 14 of the Pension Schemes Act 1993 in relation to benefits under the Scheme.

(2) If apart from this rule—

- (a) no pension would be payable to the member under the Scheme, or
- (b) the weekly rate of the pension payable would be less than the guaranteed minimum,

a pension, the weekly rate of which is equal to the guaranteed minimum, is payable to the member for life from the date on which the member reaches state pension age.

(3) If—

⁽²⁸⁾ 1993 c. 48.

- (a) when the member reaches state pension age he is still in employment (whether or not it is scheme employment), and
- (b) if it is not scheme employment, he consents to a postponement of his entitlement under paragraph (2),

paragraph (2) does not apply until he leaves employment.

This is subject to paragraph (4).

(4) If the member continues in employment for a further period of 5 years after reaching state pension age, and does not then leave it, he is entitled from the end of that period to so much of his pension under this Part as equals his guaranteed minimum, unless he consents to a further postponement of the entitlement.

(5) Where paragraph (3) or (4) applies the amount of the guaranteed minimum to which the member is entitled under this rule is increased in accordance with section 15 of the Pension Schemes Act 1993.

(6) This paragraph applies where a person has ceased to be in employment that is contracted-out by reference to the Scheme, and either—

- (a) all his rights to benefits under the Scheme, except his rights in respect of his guaranteed minimum or his rights under section 9(2B) of the Pension Schemes Act 1993⁽²⁹⁾ (“his contracting-out rights”), have been transferred under Part F (transfers), or
- (b) he has no rights to benefits under the Scheme apart from his contracting-out rights.

(7) Where paragraph (6) applies—

- (a) from the date on which the person reaches state pension age he is entitled to a pension payable for life at a weekly rate equal to his guaranteed minimum, and
- (b) from the date on which he reaches pension age he is entitled to a lump sum and pension in respect of his rights under section 9(2B) of the Pension Schemes Act 1993.

(8) But a person falling within paragraph (6) is not to be regarded as a pensioner for the purposes of Part E (death benefits).

(9) This rule does not apply if—

- (a) the pension is forfeited in a case where rule J.6(1)(a) (conviction of treason or Official Secrets Acts offences) applies, or
- (b) the pension is commuted under rule J.8 (commutation of small pensions) and the conditions in regulation 60 of the Occupational Pension Schemes (Contracting-out) Regulations 1996 are met,

but if any other provision of the Scheme is inconsistent with this rule, this rule prevails.

(10) In this rule “scheme employment”, in relation to a member, means service by virtue of which he is eligible to be an active member of the Scheme.

⁽²⁹⁾ Subsections (2) to (2C) are substituted for subsection (2) of section 9 by section 136(3) of the Pensions Act 1995 (c. 26); section 9(2B) is amended by paragraph 35(2) of Schedule 1 to the Social Security Contributions (Transfer of Functions, etc.) Act 1999 (c. 2).

(1) This rule applies for determining in the case of a deceased active member the annual amount of a pension payable under rule E.8(1) (surviving children's pensions).

(2) The amount of such a pension is determined by reference to the amount ("the member's assumed pension") that is the annual pension to which the member would have been entitled under rule D.5 (early payment of benefits: active members with permanent serious ill-health) if he had become entitled to a pension under that rule on the date of death (see rule D.5(4) and (5)).

(3) If—

- (a) a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) one pension is payable at that time under rule E.8(1),

the annual amount of the pension payable under rule E.8(1) is equal to one quarter of the member's assumed pension.

(4) If—

- (a) a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) two or more pensions are payable at that time under rule E.8(1),

the annual amount of each pension payable under rule E.8(1) is equal to—

$$\frac{100}{100} \frac{SA}{100} \geq \frac{AP}{N}$$

where—

SA is the amount of the pension payable under rule E.1 or E.2 (disregarding rules D.10, E.6 and E.7), expressed as a percentage of the member's assumed pension,

AP is the member's assumed pension, and

N is the number of pensions payable under rule E.8(1).

(5) If—

- (a) no pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) one, two or three pensions are payable at that time under rule E.8(1),

the annual amount of each pension payable under rule E.8(1) is equal to one third of the member's assumed pension.

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

(b) four or more pensions are payable at that time under rule E.8(1), the annual amount of each pension payable under rule E.8(1) is equal to the member's assumed pension, divided by the number of pensions payable under that rule.

(7) If—

- (a) immediately before the member's death he was entitled to exercise the option under rule G.3 or G.4 (aggregation of service),
- (b) no pension is payable under rule E.1 or E.2, and
- (c) the cost condition is met (see paragraph (8)),

these Rules apply as if the member had exercised that option before his death.

(8) The cost condition is that in the opinion of the Secretary of State the total cost of providing benefits in respect of the member under the Scheme and the AFPS 1975 would have been greater if he had exercised that option than if he had not (apart from paragraph (7)).

(9) In forming an opinion for the purposes of paragraph (8), the Secretary of State must—

- (a) assume that in the case of each child in respect of whom a pension is payable under rule E.8(1), or under the AFPS 1975 by virtue of any entitlement in respect of the member as a deferred member of the AFPS 1975, the pension will be payable for the period of 5 years or, if longer, until the child reaches 18, and
- (b) disregard the effect of the Pensions (Increase) Act 1971 in respect of any period after the date of death.

(10) If—

- (a) a pension is payable under rule E.8(1) in respect of a child,

the annual amount of the pension payable under rule E.8(1) in respect of the child for any period after the date on which the pension under rule E.1 or E.2 ceases to be payable is calculated in accordance with paragraphs (5) to (9) as if no pension had been payable under rule E.1 or E.2 immediately after the date of the member's death.

E.11 Amount of children's pension under rule E.8: deferred members **U.K.**

(1) This rule applies for determining in the case of a deceased deferred member the annual amount of a pension payable under rule E.8(1) (surviving children's pensions).

(2) The amount of such a pension is determined by reference to the annual pension to which the member would have been entitled under rule D.2, on the assumption that the pension had become payable on the date of death ("the member's deferred pension").

(4) If—

- (a) a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) two or more pensions are payable at that time under rule E.8(1),

the annual amount of each pension is equal to—

$$\frac{100 - SA}{100} \times \frac{DP}{N}$$

where—

SA is the amount of the pension payable under rule E.1 or E.2 (disregarding rules D.10, E.6 and E.7), expressed as a percentage of the member's deferred pension,

DP is the member's deferred pension, and

the annual amount of each pension is equal to one third of the member's deferred pension.

(6) If—

(a) no pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and

(b) four or more pensions are payable at that time under rule E.8(1),

the annual amount of each pension is equal to the member's deferred pension, divided by the number of pensions payable under rule E.8(1).

(7) If—

(a) a pension is payable under rule E.8(1) in respect of a child,

(b) the annual amount of the pension is calculated under this rule on the basis that a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and

(c) the pension under rule E.1 or E.2 ceases to be payable,

the annual amount of the pension payable under rule E.8(1) in respect of the child for any period after the date on which the pension under rule E.1 or E.2 ceases to be payable is calculated in accordance with paragraph (5) or (6) as if no pension had been payable under rule E.1 or E.2 immediately after the date of the member's death.

E.12 Amount of children's pension under rule E.8: pensioner members **U.K.**

(1) This rule applies for determining in the case of a deceased pensioner member the annual amount of a pension payable under rule E.8(1) (surviving children's pensions).

(2) The amount of such a pension is determined by reference to the annual pension to which the member was entitled on the date of death ("the member's pension"), except that—

(a) in a case where the member's pension was increased under rule D.10 (option to exchange lump sum for pension), the member's pension is taken for this purpose to exclude so much of the pension as is attributable to that increase, and

(b) where that option was exercised so as to increase the pension under rule E.8(1), this rule is without prejudice to that increase.

(3) If—

(a) a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and

(b) one pension is payable at that time under rule E.8(1),

the annual amount of that pension is equal to one quarter of the member's pension.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

(4) If—

- (a) a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) two or more pensions are payable at that time under rule E.8(1),

the annual amount of each pension is equal to—

$$\frac{100 - SA}{100} \times \frac{P}{N}$$

where—

SA is the amount of the pension payable under rule E.1 or E.2 [^{F107}(disregarding any increase or reduction made by virtue of rule D.10, D.16, E.6 or E.7)], expressed as a percentage of the member's pension,

P is the member's pension, and

N is the number of pensions payable under rule E.8(1).

(5) If—

- (a) no pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) one, two or three pensions are payable at that time under rule E.8(1),

the annual amount of each pension is equal to the one third of the member's pension.

(6) If—

- (a) no pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (b) four or more pensions are payable at that time under rule E.8(1),

the annual amount of each pension is equal to the member's pension, divided by the number of pensions payable under rule E.8(1).

(7) If—

- (a) a pension is payable under rule E.8(1) in respect of a child,
- (b) the annual amount of the pension is calculated under this rule on the basis that a pension is payable under rule E.1 or E.2 immediately after the date of the member's death, and
- (c) the pension under rule E.1 or E.2 ceases to be payable,

the annual amount of the pension payable under rule E.8(1) in respect of the child for any period after the date on which the pension under rule E.1 or E.2 ceases to be payable is calculated in accordance with paragraph (5) or (6) as if no pension had been payable under rule E.1 or E.2 immediately after the date of the member's death.

(2) No pension is payable under that rule in respect of any period before the child's birth.

(3) But a pension in respect of a child born after the member's death is treated as payable in respect of that period in determining the number of pensions payable immediately after the date of the member's death for the purposes of rules E.10(3), (4), (5) and (6), E.11(3), (4), (5) and (6) and E.12(3), (4), (5) and (6) (amount of children's pensions).

General Provisions

E.22 Pension debit members **U.K.**

- (1) This rule applies where the deceased member was a pension debit member.
- (2) If the member was an active member—
 - (a) the pension payable under rule E.1 (surviving spouses' and civil partners' pensions) or rule E.2 (other adult dependants' pensions) is calculated as mentioned in paragraph (3),
 - (b) the amount payable under rule E.8(1) by virtue of rule E.10 (surviving children's pensions)—
 - (i) is first calculated as if the member were not a pension debit member (in particular, in determining the amount of the member's assumed pension or annual pension for the purposes of rule E.10(2)), and
 - (ii) is then subject to any reduction required under section 31 of the Welfare Reform and Pensions Act 1999 ("section 31"), and
 - (c) the lump sum payable under rule E.15 (death of a member: lump sum benefit) is calculated under rule E.16.
- (3) The pension is first calculated under rule E.3 as if the member were not a pension debit member, and then it is reduced in the same proportion as the member's assumed pension would have been reduced under that section if he had been entitled to it on the date of death.
- (4) If the member was a deferred member—
 - (a) the amount of the pension payable under rule E.1 or E.2 is calculated by reference to the amount of the pension to which the member would have been entitled after any reduction under section 31, and
 - (b) the amount payable under rule E.8(1) by virtue of rule E.11—
 - (i) is first calculated as if the member were not a pension debit member (in particular, in determining the amount of the annual pension referred to in rule E.11(2)), and
 - (ii) is then subject to any reduction required under section 31.
- (5) If the member was a pensioner member—
 - (a) the amount of the pension payable under rule E.1 or E.2 is calculated by reference to the amount of the pension to which the member was entitled (after the reduction under section 31), and
 - (b) the amount payable under rule E.8(1) by virtue of rule E.12—
 - (i) is first calculated as if the member were not a pension debit member (in particular, in determining the amount of the annual pension referred to in rule E.12(2) to which the member was entitled), and
 - (ii) is then subject to any reduction required under section 31.
- (6) The effect of any option under rule D.10 (option to exchange lump sum for pension) to increase any pension is to be disregarded in determining the amount payable under paragraph (5) in the first instance; then the option is to be taken into account so far as it increases the amount of the pension so payable.

E.23 Dependants' pensions: suspension and recovery **U.K.**

- (1) This rule applies where—
 - (a) on a member's death a pension has been awarded and paid under this Part, and

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

- (b) subsequently it appears to the Secretary of State that the member or the person to whom the pension has been paid made a false declaration or deliberately suppressed a material fact in connection with the award.
- (2) The Secretary of State may—
 - (a) cease paying the pension, and
 - (b) recover any payment made under the award.
- (3) Paragraph (2) does not affect the Secretary of State’s right to recover a payment or overpayment in any case where he considers it appropriate to do so.

E.24 Recovery of lump sum payments made to nominee U.K.

- (1) Where—
 - (a) payment is made to a person under rule E.15 (death of a member: lump sum benefit) because of the person’s nomination by a member, and
 - (b) the person’s nomination is subsequently found to be invalid under rule E.21(4) or (5),
 the Secretary of State may recover the payment.
- (2) Paragraph (1) does not affect the Secretary of State’s right to recover a payment or overpayment in any case where he considers it appropriate to do so.

E.25 Provisional awards of children’s pensions: later adjustments U.K.

- (1) This rule applies where after the death of an active member, a deferred member or a pensioner member—
 - (a) a pension is paid in respect of one or more persons under this Part on the basis that they were eligible children at the date of the member’s death and that there were then no other eligible children, and
 - (b) subsequently it appears—
 - (i) that a person in respect of whom such a pension has been paid was not then an eligible child, or
 - (ii) that a further person was then an eligible child, or
 - (iii) that a child who was born after the member’s death is an eligible child.
- (2) The Secretary of State may make such adjustments in the amount of the pensions payable in respect of the children in question as are required in view of the facts as they subsequently appear.
- (3) Paragraph (2) does not affect the Secretary of State’s right to recover a payment or overpayment in any case where he considers it appropriate to do so.

E.26 Payments under this Part U.K.

- (1) A pension under this Part is payable from the day after the date of the death of the member.
- (2) Payment of a lump sum payable under this Part must be made before the expiry of the period of two years beginning with that date.
- (3) A pension payable under this Part in respect of an eligible child aged under 18 must be paid—
 - (a) if the child is in the care of the member’s surviving spouse or civil partner or a person who is the member’s surviving adult dependant for the purposes of rule E.2, to the surviving spouse or civil partner or the adult dependant, and
 - (b) in any other case, to the child’s guardian,
 unless the Secretary of State directs otherwise.

- (1) This rule applies where the deceased member was—

- (2) They are—
 - (a) an active member,
 - (b) a deferred member,
 - (c) a pensioner member, and
 - (d) a pension credit member.
- (3) Where paragraph (1)(a) applies, the general rule is that—
 - (a) benefits are payable in respect of the member under this Part as if two or more members of the kinds in question had died (so that two or more pensions or lump sums are payable in respect of the one deceased member), and
 - (b) the amounts payable are determined accordingly.
- (4) But that general rule is subject to—
 - (a) rule E.3(4) and E.4(4) (adult dependants' pension where the member was both an active member and a deferred member),
 - (b) rule E.14(3) and (4) (children entitled to three or more pensions),
 - (c) rules E.16(2) and E.17(2) (amount of lump sum where the member was both an active member and a deferred member), and
 - (d) rule E.16(3) and E.18(3) (amount of lump sum where the member was both an active member and a pensioner member).
- (5) Where paragraph (1)(b) applies, the general rule is that benefits are payable in respect of the member under this Part regardless of the member's membership of the AFPS 1975.
- (6) But that general rule is subject to rules E.16(4) and (5) and E.17(3) (amount of lump sum where member was both a member of the Scheme and a member of the AFPS 1975).

E.28 Guaranteed minimum pensions for surviving spouses U.K.

- (1) This rule applies where the surviving spouse of a deceased active, deferred or pensioner member has a guaranteed minimum under section 17 of the Pension Schemes Act 1993 in relation to benefits in respect of the deceased member under the Scheme.
- (2) If apart from this rule—
 - (a) no pension would be payable to the surviving spouse under this Part, or
 - (b) the weekly rate of the pension payable would be less than the guaranteed minimum,a pension the weekly rate of which is equal to the guaranteed minimum is payable to the surviving spouse for life.
- (3) Paragraph (2) does not apply if the pension is forfeited in a case where rule J.6(1)(a) (conviction of treason or Official Secrets Acts offences) applies.

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

PART F **U.K.**

TRANSFERS

Transfers Out

F.1 Right to transfer value payment **U.K.**

(1) This Part supplements the rights conferred under Chapter 4 of Part 4 of the Pension Schemes Act 1993 (transfer values).

(2) This Part is without prejudice to that Chapter or Chapter 5 of that Part⁽³⁰⁾ (early leavers: cash transfer sums and contribution refunds).

(3) Accordingly—

- (a) a member to whom Chapter 4 of that Part applies (see section 93(1)(a) of that Act) is entitled to require the payment of a transfer value in respect of the rights to benefit that have accrued to or in respect of him under the Scheme, and
- (b) a member to whom Chapter 5 of that Part applies (see section 101AA(1) of that Act) is entitled to a cash transfer sum or a contribution refund in accordance with that Chapter.

(4) Subject to the provisions of this Part, any other former active member, other than a pensioner member, is entitled to require such a payment as if rights under Chapter 4 of Part 4 of the Pension Schemes Act 1993 had accrued to or in respect of him by reference to the reckonable service he is entitled to count under the Scheme (and references in this Part to his accrued rights or benefits are to be read accordingly).

(5) Paragraph (4) does not apply if the former member is entitled under rule C.7 to repayment of the contributions he has paid during the period of service ending with his ceasing to be an active member or acquires a right to a contribution refund under Chapter 5 of Part 4 of the Pension Schemes Act 1993.

(6) Paragraphs (3) and (4) do not apply to rights that are directly attributable to a pension credit.

[^{F113}(7) For the application of paragraph (4) in the case of certain Gurkha Pension Scheme transferees, see rule L.7(4).]

Textual Amendments

F113 Sch. 1 rule F.1(7) inserted (1.10.2007) by [The Armed Forces \(Gurkha Pensions\) Order 2007 \(S.I. 2007/2608\)](#), arts. 1(1), **3(11)**

F.2 Applications for statements of entitlement **U.K.**

(1) A member who requires a transfer value payment to be made must apply in writing to the Scheme administrator for a statement of the amount of the cash equivalent of the member's accrued benefits under the Scheme at the guarantee date ("a statement of entitlement").

(2) In these Rules, "the guarantee date" means any date that—

- (a) falls within the required period,
- (b) is chosen by the Scheme administrator,
- (c) is specified in the statement of entitlement, and

⁽³⁰⁾ Chapter 5 (sections 101AA to 101AI) is inserted by section 264 of the Pensions Act 2004 (c. 35).

- (d) is within the period of 10 days ending with the date on which the member is provided with the statement of entitlement.

In counting the period of 10 days referred to in sub-paragraph (d), Saturdays, Sundays, Christmas Day, New Year's Day and Good Friday are excluded.

- (3) In paragraph (2) “the required period” means—

- (a) the period of 3 months beginning with the date of the member's application for a statement of entitlement, or
- (b) such longer period (not exceeding six months beginning with that date) as may reasonably be required if, for reasons beyond the control of the Scheme administrator, the requisite information cannot be obtained to calculate the amount of the cash equivalent.

(4) The member may withdraw the application for a statement of entitlement by notice in writing at any time before the statement is provided.

- (5) A member who—

- (a) has made an application for a statement of entitlement under this rule, and
- (b) has not withdrawn it,

may make only one other such application in the period of twelve months beginning with the date of the first application.

F.3 Applications for transfer value payments U.K.

(1) A member who has applied for and received a statement of entitlement under rule F.2 may apply in writing to the Scheme administrator for a transfer value payment to be made.

(2) On making such an application a member becomes entitled to a payment of an amount equal, or amounts equal in aggregate, to the amount specified in the statement of entitlement (or such other amount as may be payable by virtue of paragraph (10)).

In these Rules such a payment is referred to as “the guaranteed cash equivalent transfer value payment”.

(3) An application under paragraph (1) must be made before the end of the period of 3 months beginning with the guarantee date, and the payment must be made no later than—

- (a) six months after that date, or
- (b) if it is earlier, the date on which the member reaches pension benefit age.

(4) The application must specify the pension scheme or other arrangement to which the payment or payments should be applied.

(5) An application by a person who is entitled to apply for a guaranteed cash equivalent transfer value payment under Chapter 4 of Part 4 of the Pension Schemes Act 1993 may only be made before—

- (a) the beginning of the period of one year ending with the date on which the member reaches pension benefit age, or
- (b) the end of the period of 6 months beginning with the day after that on which the member's pensionable service ends,

whichever is the later.

This is subject to paragraph (7).

(6) An application by a person who is not entitled to apply for a guaranteed cash equivalent transfer value payment under Chapter 4 of Part 4 of the Pension Schemes Act 1993 may only be

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

made before the expiry of the period of one year beginning with the day on which the applicant ceases to be an active member of the Scheme.

This does not apply if paragraph (7) applies to the application.

(7) An application for a transfer value payment to be made under the public sector transfer arrangements may only be made—

- (a) before the first anniversary of the day on which the member becomes eligible to be an active member of the scheme to which the transfer is to be made, and
- (b) before the member reaches pension benefit age.

(8) The Secretary of State may direct that any time limit applying to an application under paragraph (1) should be extended if he considers it reasonable to do so in the circumstances.

(9) An application under this rule may be withdrawn by notice in writing, unless an agreement for the application of the whole or part of the guaranteed cash equivalent transfer value payment has been entered into with a third party before the notice is given.

(10) If the payment is made later than six months after the guarantee date, the amount of the payment to which the member is entitled must be increased by—

- (a) the amount by which the amount specified in the statement of entitlement falls short of the amount it would have been if the guarantee date had been the date on which the payment is made, or
- (b) if it is greater and there was no reasonable excuse for the delay in payment, interest on the amount specified in the statement of entitlement, calculated on a daily basis over the period from the guarantee date to the date when the payment is made at an annual rate of one per cent. above the sterling 3 month London interbank offered rate.

F.4 Ways in which transfer value payments may be applied **U.K.**

(1) A member may only require the Secretary of State to apply the guaranteed cash equivalent transfer value payment in one or more of the ways permitted under section 95 of the Pension Schemes Act 1993 (whether or not he is entitled to a guaranteed cash equivalent transfer value payment under that Act).

(2) The whole of the guaranteed cash equivalent transfer value payment must be applied, unless paragraph (3) applies.

(3) The benefits attributable to—

- (a) the member's accrued rights to a guaranteed minimum pension, or
- (b) the member's accrued rights attributable to service in contracted-out employment on or after 6th April 1997,

may be excluded from the guaranteed cash equivalent transfer value payment if section 96(2) of the Pension Schemes Act 1993 applies (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the member's other rights).

F.5 Calculating amounts of transfer value payments **U.K.**

(1) The amount of the guaranteed cash equivalent transfer value payment is to be calculated in accordance with guidance and tables provided by the Scheme actuary to the Secretary of State for use at the guarantee date.

This is subject to paragraphs (3) and (6).

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

(2) In preparing those tables the Scheme actuary must use such factors as he considers appropriate, having regard to section 97 of the Pension Schemes Act 1993 and regulations made under that Act (whether or not the payment is in respect of a person entitled to a guaranteed cash equivalent transfer value payment under that Act).

(3) If the amount calculated in accordance with paragraph (1) is less than the minimum transfer value, the amount of the guaranteed cash equivalent transfer value payment is to be equal to that value instead.

This is subject to paragraph (6).

(4) In paragraph (3) “the minimum transfer value”, in relation to any person, means the sum of any of such payments as are mentioned in paragraph (5) as a result of which he is entitled to count any reckonable service under the Scheme by reference to which the accrued rights subject to the transfer are calculated.

(5) The payments are—

- (a) any transfer value payments that have been made to the Scheme in respect of him,
- (b) any contributions paid by him under Part C, and
- (c) in the case of an AFPS 1975 transferee, any payments made before 6th April 2006 for the purchase of added years under the AFPS 1975.

(6) If the transfer value payment is made under the public sector transfer arrangements, the amount of the transfer value payment is calculated—

- (a) in accordance with those arrangements rather than paragraphs (1) and (3), and
- (b) by reference to the guidance and tables provided by the Government Actuary for the purposes of this paragraph that are in use on the date used for the calculation.

F.6 Effect of transfers-out U.K.

F.6. Where a transfer value payment is made under this Part in respect of a person’s rights under the Scheme, those rights are extinguished.

Transfers In

F.7 Right to apply for acceptance of transfer value payment from another scheme U.K.

(1) Subject to the provisions of this Part, an active member may apply for a transfer value payment in respect of some or all of the rights that have accrued to or in respect of him [F114 under any scheme or arrangement to which a transfer value payment may be made under Chapter 4 of Part 4 of the Pension Schemes Act 1993 (transfer values)] to be accepted by the Scheme.

F115(2)

(3) Paragraph (1) does not apply to rights that are directly attributable to a pension credit.

(4) Paragraph (1) only applies in the case of a transfer from the Armed Forces Additional Voluntary Contributions Scheme if the Secretary of State considers that the amount to which the member is entitled under that Scheme is insufficient for the purchase of an annuity for the member.

(5) Paragraph (1) does not apply if the member is on unpaid leave that does not count as reckonable service.

(2) If the Scheme administrator accepts the payment, the member is entitled to count the appropriate period of reckonable service for the purposes of the Scheme.

(3) In paragraph (2) “the appropriate period” means the period calculated in accordance with rule F.10.

(4) The Scheme administrator may not accept a transfer value payment if—

- (a) it would be applied in whole or in part in respect of the member’s or the member’s spouse’s entitlement to a guaranteed minimum pension, and

Miscellaneous Provisions

F.11 Public sector transfer arrangements U.K.

F.11. This Part applies in the case of a transfer to which the public sector transfer arrangements apply as it applies in other cases, except to the extent that—

- (a) any provision in this Part provides otherwise, or
- (b) the arrangements themselves make different provision.

PART G U.K.

RE-EMPLOYMENT

Preliminary

G.1 Application of Part G U.K.

- (1) This Part applies to persons who—
 - (a) have been active members of the AFPS 1975 or the Scheme,
 - (b) have ceased to be in service by virtue of which they are eligible to belong to the Scheme, and
 - (c) begin to be in such service again on or after 6th April 2005.
- (2) But paragraph (1) does not apply where rule A.10(1) (disregard of short breaks in service) applies.
- (3) In these Rules an active member of the Scheme to whom this Part applies is referred to as a “a re-employed active member”.
- (4) In this Part, in relation to any re-employed active member—
 - (a) the service referred to in paragraph (1)(b) is referred to as “the earlier service”, and
 - (b) the service referred to in paragraph (1)(c) is referred to as “the current service”.
- (5) Certain rules in this Part also apply to members who opted to cease to be active members and then became such members again (see rule G.6: application of rule G.3 to members who opted to leave the Scheme).

Treatment of Separate Periods of Service: Options to Aggregate

G.2 General rule: periods of service treated separately U.K.

- (1) The general rule is that—
 - (a) the reckonable service and qualifying service that a re-employed active member was entitled to count immediately before becoming an active member in the current service are disregarded in determining rights in respect of his current service, and
 - (b) the reckonable service and qualifying service that a re-employed active member is entitled to count as a result of his membership in the current service are disregarded in determining rights in respect of his earlier service.
- (2) That general rule is subject to the following provisions of this Part (and see also rule A.10: disregard of short breaks in service).

G.3 Option to aggregate earlier membership: previous members of the Scheme **U.K.**

(1) This rule applies in the case of a re-employed active member who immediately before becoming an active member in the current service was entitled under these Rules to count reckonable service and qualifying service.

(2) The member may opt for that service—

- (a) to be aggregated with the reckonable service and qualifying service that he is entitled to count as a result of his membership of the Scheme in the current service for the purpose of determining rights under the Scheme in respect of that membership, and
- (b) to be disregarded for all other purposes of the Scheme.

This is subject to the paragraphs (3) and (4) and rule G.5.

(3) If the reckonable service and qualifying service mentioned in paragraph (1) is service in respect of two or more earlier periods of membership, the member may only exercise the option under paragraph (2) in relation to the reckonable service and qualifying service in respect of the later of those periods (or, if there are more than two, the latest of them).

(4) But in paragraph (3) the reference to the later or latest of those periods includes—

- (a) any period (“the earlier aggregated period”) in respect of which the member has previously exercised the option under paragraph (2) or rule G.4 or an option under rule K.5 if he had the right to exercise that option because of his being a member in that later or latest period of service, ^{F120} ...
- (b) any period earlier than the earlier aggregated period in respect of which the member previously exercised such an option if he had the right to exercise that option because of his being a member in the earlier aggregated period, [^{F121}and
- (c) in a case where the later or latest of those periods began in accordance with rule L.4 (or an earlier period included in the later or latest period by virtue of sub-paragraph (a) or (b) did so), any period that the member is entitled to count under that rule,]

and so on.

H.2 Abatement of pensions on re-employment: general rules **U.K.**

- (1) If—
- (a) the annual rate of the basic pay payable to the re-employed pensioner as at the last day of his old service (“the old rate”), exceeds the amount of the annual rate of the basic pay payable to him at the time he enters the new service (“the new rate”), and

(2) If the new rate equals or exceeds the old rate, the re-employed pensioner is not entitled to payment of the old service pension during the new service.

(3) Where paragraph (1) applies, the annual rate of the old service pension continues to be reduced during the new service by the reduction amount regardless of any increase in the annual rate of the

old service pension made after the time when the member is re-employed, or, if he is a deferred member, after the time he becomes entitled to payment of the pension.

(4) In the case of a re-employed pensioner who exercises the option under rule D.10 (option to exchange lump sum for pension) in relation to the old service pension, any increase of the pension as a result of the exercise of the option is disregarded for the purposes of this Part.

H.5 Adjustment of basic pay in old service **U.K.**

(1) If the re-employed pensioner's new service does not begin immediately after the old service ceases, for the purposes of this Part the annual rate of the basic pay payable to the re-employed pensioner at the time he left his old service is taken to be the adjusted annual rate.

(2) In paragraph (1) "the adjusted annual rate" means the actual annual rate of the basic pay so payable, increased by the same amount, if any, as a pension would have been increased under the Pensions (Increase) Act 1971 by the day on which the new service began if—

(3) If an AFPS 1975 transferee becomes a re-employed active member, this Part does not apply in relation to his service after he does so unless the break in service immediately before such re-employment does not exceed six months.

K.2 Options for AFPS 1975 members to join the Scheme under Part K **U.K.**

(1) A person who—

- (a) would be eligible to join the Scheme by virtue of his service if he met the condition in rule B.1(b)(i) (which requires that the person's service begins on or after 6th April 2005), and
- (b) immediately before that date was an active member of the AFPS 1975 by virtue of that service,

may opt to join the Scheme under the terms of this Part, unless he has been re-employed in the service by virtue of which he is eligible to belong to the Scheme on or after reaching pension age.

(2) The option may only be exercised by giving notice in writing to the Scheme administrator in such form as the Secretary of State requires on or before 31st March 2006 or such later date as the Secretary of State may determine is appropriate in the case of any particular member.

(3) For this purpose the notice is treated as having been given on the date on which it is received by the Scheme administrator.

(4) The option has effect on 6th April 2006 and is irrevocable unless paragraph (5) applies.

(5) This paragraph applies if the Secretary of State gives notice in writing to the person stating that the person may revoke his option by giving notice in writing that he wishes to do so to the Secretary of State before the expiry of the period of 3 months beginning with the date on which the notice is given by the Secretary of State.

Transfer of Service from the AFPS 1975

K.3 Service credited from the AFPS 1975 **U.K.**

(1) On becoming an AFPS 1975 transferee, a member becomes entitled to count under the Scheme—

- (a) a period of qualifying service equal in length to the period of qualifying service which the member was entitled to count under the AFPS 1975 (but not exceeding 35 years), and
- (b) a period of reckonable service equal in length to the period of reckonable service which the member was entitled to count under the AFPS 1975 (but not exceeding 35 years).

This is subject to rules K.4 (treatment of added years: contributions paid before 6th April 2006) and K.5 (treatment of preserved awards).

(2) For the purposes of paragraph (1) the qualifying and reckonable service that the member was entitled to count under the AFPS 1975 is taken to include the qualifying and reckonable service that the member would be entitled to count under the AFPS 1975 if he were entitled to count—

- (b) any service before the age of 18 otherwise than as an officer.

is calculated as if he were leaving the AFPS 1975 on that date.

Status: Point in time view as at 01/10/2023.

Changes to legislation: There are currently no known outstanding effects for the The Armed Forces Pension Scheme Order 2005. (See end of Document for details)

 - (b) neither the pension nor the lump sum has been brought into payment by that date.

For this purpose, a pension is treated as being in payment if it would be apart from abatement under the AFPS 1975.

(2) Rule K.3 does not apply to the qualifying and reckonable service in respect of which the member was awarded the preserved pension, unless when the member exercises the option under rule K.2(1) (option to join the Scheme under the terms of this Part) he opts for it to do so.

(3) If the member has been awarded two or more preserved pensions in respect of which paragraph (1) applies, he may only exercise the option under paragraph (2) in respect of the latest award.

- (2) The Scheme administrator may, after taking advice from the Scheme actuary, make such modifications to the member's rights as to the form of those benefits as he considers necessary for that purpose.

K.8 Disapplication of rule E.6 **U.K.**

K.8. Rule E.6 (reduction in pensions under rules E.1 and E.2 in cases of wide age disparity) does not apply to a pension payable under rule E.1 in the case of a member who was an AFPS 1975 transferee if the member had been the spouse or civil partner of the person to whom the pension is payable continuously since before 6th April 2006 until the member's death.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order is made under the Armed Forces (Pensions and Compensation) Act 2004 (c. 32) and establishes a new pension scheme for the armed forces (“the Scheme”) for persons joining the armed forces on or after 6th April 2005 or in service immediately before that date and wishing to join the scheme.

Article 1 provides that the Order comes into force on 6th April 2005.

Article 2 establishes the Scheme and provides that it is to be known as “the Armed Forces Pension Scheme 2005”. It introduces Schedule 1 to the Order where the rules of the Scheme are set out.

The rules are divided into lettered Parts dealing with different aspects of the scheme.

Part A sets out definitional matters and, in particular, gives the meaning of expressions like “final pensionable earnings” and “reckonable service” that are used in the provisions relating to entitlement to and calculation of benefits under the Scheme. It provides for a “pension age” of 55 (which is the age at which members still in service in the armed forces are entitled to a retirement pension) and a “pension benefit age” of 65 (which is the age at which members who left service before 55 become entitled to a retirement pension that has been preserved for them in the Scheme).

Part B sets out the conditions that must be met for a person to be eligible to join the Scheme, and also deals with leaving and rejoining it.

Part C enables members of the Scheme to make voluntary contributions to buy further reckonable service. (There is no obligation for members to make contributions under the Scheme.)

Part D deals with the pensions and lump sum benefits to which members become entitled on retirement. The rules in Part D set out different entitlements for those who retire on or after reaching 55, those who retire earlier, those who want earlier payment with actuarial reduction, those who retire with permanent serious ill-health or significant impairment of capacity for gainful employment,

and pension credit members. They also enable ill-health pensions to be reviewed and members to exchange lump sums for higher pensions or allocate part of their pension to others.

Part E sets out the benefits that are payable on the death of a member. It provides for pensions to be payable to surviving spouses, civil partners and other adult dependants and eligible children. It also provides for lump sums to be paid to nominees, adults to whom a pension is payable or personal representatives.

Part F deals with members' rights under the Scheme to have a transfer payment paid by the Scheme into another scheme, and the right of a member to have a transfer payment from another scheme accepted by the Scheme so that he is entitled to count further reckonable service in the Scheme. (The rights to transfers out supplement the members' rights under the Pension Schemes Act 1993 (c. 48).) There are special arrangements for those going to or from other public sector schemes.

Part G deals with members who have more than one period of service that counts for the Scheme because they are re-employed. As a general rule the rights relating to such separate periods of service are dealt with separately, but the member is given the option to aggregate earlier periods.

Part H deals with the abatement of pensions in certain circumstances where pensioners are re-engaged in service that entitles them to belong to the Scheme or the Reserve Forces Pension Scheme.

Part J contains miscellaneous and supplementary provisions, for example, relating to claims for and payment of benefits, the forfeiture of benefits in certain circumstances, the commutation of small pensions and the information and evidence that may be required by the Scheme.

Part K provides for the transfer of persons who belong to the pension arrangements applicable to regulars in the armed forces immediately before 6th April 2005 and opt on or before 31st March 2006 to join the Scheme on 6th April 2006. Such transferees can count all the reckonable service that was counted under the old arrangements as reckonable service in the Scheme. They can also count added years of reckonable service that they have bought under the old arrangements before 6th April 2006.

Article 2 also introduces Schedule 2 which makes modifications of the Scheme's rules for the period until 6th April 2006 when the arrangements relating to the approval of pension schemes for tax purposes change as a result of the coming into force of the relevant provisions of the Finance Act 2004 (c. 12). Article 2 provides for the Scheme's rules to be read as if references to civil partners and civil partnerships were omitted until section 1 of the Civil Partnership Act 2004 (c. 33) comes into force in England and Wales. It also provides for the Scheme's rules to be read with the omission of references to Chapter 5 of Part 4 of the Pension Schemes Act 1993 (early leavers: cash transfer sums and contributions refunds) until that Chapter comes into force.

Article 3 sets out the consent requirements for the Scheme for the purposes of section 3(2) of the Armed Forces (Pensions and Compensation) Act 2004. These are the requirements that must be met before the Scheme may be modified in a way that would or might adversely affect any member's rights. It provides for notices to be given to members about proposals to make such modifications and for the modifications not to affect members unless they have consented or have not responded.

Article 4 makes a small consequential amendment in the Occupational Pension Schemes (Assignment, Forfeiture, Bankruptcy etc.) Regulations 1997 (S.I.1997/785).

A full regulatory impact assessment has not been produced on this instrument as it has no impact on the costs of business, charities or the voluntary sector.
