Valuations

Calculation of the value of scheme liabilities and assets: defined benefit schemes

5.—(1) The liabilities and assets of a scheme which are to be taken into account for the purposes of section 75(2) and (4) of the 1995 Act and their amount or value must be determined, calculated and verified by the actuary as at the applicable time—

- (a) in the case of liabilities in respect of pensions or other benefits, on the assumption that the liabilities will be discharged by the purchase of annuities of the kind described in section 74(3)(c) of the 1995 Act (discharge of liabilities: annuity purchase);
- (b) subject to sub-paragraph (a), on the general assumptions specified in regulation 3(2)(a) to (c) and (3) of the MFR Regulations (determination, valuation and verification of assets and liabilities: general);
- (c) subject to sub-paragraph (a) and paragraphs (2), (3), [^{F3}3A,] (5) and (6), in accordance with regulations 4 to 8 of the MFR Regulations (determination and valuation of assets and liabilities);

- (e) in accordance with the guidance given in GN 19 so far as that guidance applies for the purposes of these Regulations.

(2) For the purposes of paragraph (1)(a) the actuary must estimate the cost of purchasing the annuities.

(3) The liabilities of a scheme which are to be taken into account under paragraph (1) include all expenses (except the cost of the annuities referred to in paragraph (1)(a)) which, in the opinion of the trustees or managers of the scheme, are likely to be incurred in connection with the winding up of the scheme.

[^{F4}(3A) If the modification specified in regulation 7(3) has applied in the case of an employment-cessation event that occurred in relation to an employer before the applicable time—

- (a) the liabilities of the scheme that are attributable to employment with that employer, and
- (b) the debts treated as due under section 75(4) of the 1995 Act in accordance with that modification,

are not to be taken into account under paragraph (1).]

(4) Where in these Regulations (or in the MFR Regulations as applied by this regulation) there is a reference to the value of any asset or the amount of any liability being calculated or verified in accordance with the opinion of the actuary or as he thinks appropriate, he must comply with any relevant provision in the guidance given in GN 27 or, as the case may be, GN 19 in making that calculation or verification.

(5) The value of the assets and the amount of the liabilities of a scheme which are to be taken into account for the purposes of section 75(2) and (4) of the 1995 Act must be certified by the actuary in the form set out in Schedule 1 to these Regulations, but if the scheme is being wound up on the date as at which the valuation is made, the actuary must modify the note at the end of the certificate by omitting the words from “if the scheme” onwards.

(6) For the purposes of this regulation—

- (a) references in regulations 3(2), 4, 5, 7 and 8 of the MFR Regulations to the relevant date are to be taken as references to the applicable time;
- (b) regulations 4(1), 7(1) and 8(2) of the MFR Regulations have effect with the substitution for the words “the minimum funding requirement is met” of the words “the value of the assets of the scheme is less than the amount of the liabilities of the scheme”;
- (c) regulation 6(1)(b) of the MFR Regulations has effect with the addition at the end of the words “(and any amount treated as a debt due to the trustees or managers of the scheme under section 75(2) or (4) by virtue of the valuation in question)”.

(7) In its application for the purposes of this regulation in a case where the applicable time falls after the scheme has begun to be wound up, regulation 6(1) of the MFR Regulations^{M12} has effect with the addition after sub-paragraph (c) of the words— “; and for the purposes of sub-paragraph (a), regulation 5(1)(a) of the Occupational Pension Schemes (Investment) Regulations 1996 (exclusion of employer-related investments over 5 per cent. of current market value) shall be disregarded. ”.

(8) This regulation has effect subject to regulation 7 (multi-employer schemes: [^{F5}employment-cessation events and withdrawal arrangements]).

Multi-employer schemes

Multi-employer schemes: general

6.—(1) In its application to a multi-employer scheme, section 75 of the 1995 Act has effect in relation to each employer as if—

- (a) the reference in section 75(2)(a) to a time which falls before any relevant event in relation to the employer which occurs while the scheme is being wound up were a reference to a time which falls before relevant events have occurred in relation to all the employers;
 - (b) the reference in section 75(2) to an amount equal to the difference being treated as a debt due from the employer were a reference to an amount equal to that employer's share of the difference being treated as a debt due from that employer;
 - (c) the references in section 75(3)(a)(i) and (b) to no relevant event of the kind there mentioned occurring in relation to the employer were references to no event of that kind occurring in relation to all the employers;
 - (d) the reference in section 75(4)(a) to a relevant event (“the current event”) occurring in relation to the employer were a reference to a relevant event or an employment-cessation event occurring only in relation to that employer;
 - (e) the reference in section 75(4) to an amount equal to the difference being treated as a debt due from the employer were—
 - (i) in a case where the difference is ascertained immediately before a relevant event occurs in relation to the employer, a reference to an amount equal to the employer's share of the difference being treated as a debt due from the employer; and
 - (ii) in a case where the difference is ascertained immediately before an employment cessation event occurs in relation to the employer, a reference to an amount equal to the sum of the cessation expenses attributable to the employer and the employer's share of the difference being treated as a debt due from the employer; and
 - (f) section 75(4)(d) and (e) were omitted.
- (2) For the purposes of paragraph (1), an employer's share of the difference is—
- (a) such proportion of the total difference as, in the opinion of the actuary after consultation with the trustees or managers, the amount of the scheme's liabilities attributable to employment with that employer bears to the total amount of the scheme's liabilities attributable to employment with the employers; or
 - (b) if the scheme provides for the total amount of that debt to be otherwise apportioned amongst the employers, the amount due from that employer under that provision.
- (3) For the purposes of paragraph (2)—
- (a) the total amount of the scheme's liabilities which are attributable to employment with the employers; and
 - (b) the amount of the liabilities attributable to employment with any one employer,
- are such amounts as are determined, calculated and verified by the actuary in accordance with the guidance given in GN 19; and a determination under this paragraph must be certified by the actuary as being in accordance with that guidance.

(4) For the purposes of these Regulations an employment-cessation event occurs in relation to an employer if he ceases to be an employer employing persons in the description of employment to which the scheme relates at a time when at least one other person continues to employ such persons.

(5) For the purposes of paragraph (1), the cessation expenses attributable to an employer are all expenses which, in the opinion of the trustees or managers of the scheme, are likely to be incurred in connection with the employment-cessation event occurring in relation to the employer.

[^{F6}Multi-employer schemes: employment-cessation events and withdrawal

7.—(1) This regulation applies where—

- (a) section 75 of the 1995 Act applies to a trust scheme with the modifications referred to in regulation 6 (multi-employer schemes: general); and
- (b) as a result of the occurrence of an employment-cessation event in relation to an employer, a debt (“the cessation debt”) calculated on the basis of assets and liabilities valued in accordance with regulation 5 is treated as due from the employer (“the cessation employer”) under section 75(4) of that Act.

(2) If the cessation employer notifies the Authority in writing that he proposes to enter into a withdrawal arrangement—

- (a) the Authority may issue a direction that the cessation debt is to be unenforceable for such period as the Authority may specify in the direction, and where such a direction has been issued the debt is unenforceable for that period; and
- (b) the Authority may issue a direction that if an approved withdrawal arrangement has come into force within that period, section 75 of the 1995 Act is to apply in the case of the employment-cessation event with the modification specified in paragraph (3) instead of the modification referred to in regulation 6(1)(e)(ii), and where such a direction has been issued and such an arrangement has so come into force, that modification so applies.

(3) The modification is that section 75 of the 1995 Act has effect as if the reference in section 75(4) to an amount equal to the difference being treated as a debt due from the employer were a reference to—

- (a) amount A being treated as a debt due from the employer; and
- (b) unless and until the Authority issue a direction that it is not to be so treated, amount B being treated as a debt due from the guarantors at the guarantee time for which (if there is more than one guarantor) they are jointly or, if the approved withdrawal arrangement so provides, jointly and severally liable,

where amount A is calculated in accordance with regulation 7A and amount B is calculated in accordance with regulation 7B.

(4) In this regulation—

“the guarantee time” means the earliest time when an event specified in paragraph 1(3) of Schedule 1A to these Regulations occurs; and

“the guarantors” means such one or more of the parties to the approved withdrawal arrangement as are specified in the arrangement as the persons who are the guarantors for the purposes of this regulation.

(5) The Authority may issue a direction extending the period mentioned in paragraph (2)(a) by such further period as they may specify (so that the debt is unenforceable for the extended period).

(6) The Authority may only issue a direction under paragraph (3)(b)—

- (a) before the guarantee time, and
- (b) if the Authority consider that the approved withdrawal arrangement is no longer required.

Status: Point in time view as at 01/04/2006.

Changes to legislation: There are currently no known outstanding effects for the The Occupational Pension Schemes (Employer Debt) Regulations 2005. (See end of Document for details)

(7) Schedule 1A to these Regulations applies for the purpose of making further provision in cases where this regulation applies; and in that Schedule and regulations 7A and 7B “the cessation employer” has the same meaning as in this regulation.]

[^{F6}Calculation of amounts due from cessation employer by virtue of regulation 7

7A.—(1) For the purposes of regulation 7(3), amount A depends on whether or not a debt (a “scheme funding basis debt”) would have been treated as due from the cessation employer under section 75(4) of the 1995 Act if—

- (a) regulation 5 had applied with the modifications specified in paragraph (4); and
- (b) section 75(4) had applied in accordance with regulation 6(1)(d) and (e) but subject to the modifications of regulation 6 specified in paragraph (5) (instead of in accordance with the modification specified in regulation 7(3)).

(2) If a debt would have been so treated, amount A is the sum of the scheme funding basis debt and the cessation expenses attributable to the employer.

(3) If a debt would not have been so treated, amount A is equal to the amount of the cessation expenses attributable to the employer.

(4) The modifications of regulation 5 are that—

- (a) paragraphs (1)(a) and (2) and the references to those provisions in paragraph (1)(b), (c) and (d) (by virtue of which liabilities for pensions and other benefits are to be valued on the assumption that they will be discharged by the purchase of annuities) are omitted;
- (b) paragraph (3) and the references to that paragraph in paragraph (1)(c) and (d) (by virtue of which winding up expenses are to be taken into account) are omitted; and
- (c) in paragraph (5) for the words “for the purposes of section 75(2) and (4) of the 1995 Act” there are substituted the words “for the purposes of section 75(2) of the 1995 Act and for the purposes of section 75(4) of the 1995 Act where no approved withdrawal arrangement has been entered into by the employer”.

(5) The modifications of regulation 6 are that—

(a) for paragraph (ii) of paragraph (1)(e) there is substituted—

“(ii) in a case where the difference is ascertained immediately before an employment-cessation event occurs in relation to the employer, a reference to an amount equal to the employer’s share of the difference, less the relevant transferred liabilities deduction, being treated as a debt due from the employer;”;

(b) after paragraph (5) there is added—

“(6) In this regulation “the relevant transferred liabilities deduction” means the amount of any relevant transferred liabilities, less the value of the corresponding assets.

(7) For the purposes of paragraph (6)—

- (a) “corresponding assets”, in relation to relevant transferred liabilities, means the assets transferred from the scheme in connection with the transfer from the scheme of those liabilities; and
- (b) the value of the corresponding assets is to be determined—

- (i) in the case of corresponding assets that are assets of the scheme at the applicable time, as at that time; and
 - (ii) in the case of corresponding assets that are not assets of the scheme at that time, as at the date of the transfer of the assets.
- (8) For the purposes of paragraph (6)—
 - (a) “relevant transferred liabilities” means liabilities in respect of members—
 - (i) which are transferred from the scheme in circumstances where the conditions set out in paragraphs (2)(a) or (b) and (3) of regulation 12 of the Occupational Pension Schemes (Preservation of Benefit) Regulations 1991 (transfer without consent) are met;
 - (ii) which are so transferred during the period beginning with the applicable time and ending with the date on which the approved withdrawal arrangement is approved (“the relevant period”);
 - (iii) the transfer of which reduces the amount of the scheme’s liabilities attributable to employment with the employer in relation to whom the employment-cessation event has occurred; and
 - (iv) in connection with the transfer of which there is a transfer of corresponding assets during the relevant period; and
 - (b) the amount of the relevant transferred liabilities is to be calculated in accordance with regulation 5 as modified by regulation 7A(4).”.
- (6) The value of the assets and the amount of the liabilities of a scheme which are to be taken into account for the purposes of determining whether a scheme funding basis debt would have been treated as due as mentioned in paragraph (1) must be certified by the actuary in the form set out in Schedule 1B to these Regulations, but—
 - (a) if the actuary is of the opinion that the value of the assets of the scheme was not less than the amount of the liabilities of the scheme—
 - (i) substituting in the first sentence of the comparison of value of scheme assets with amount of scheme liabilities for the words “was less” the words “was not less”; and
 - (ii) omitting the last sentence of that comparison; and
 - (b) if the scheme is being wound up on the date as at which the valuation is made, omitting from the Note the words from “if the scheme” onwards.
- (7) In this regulation “the cessation expenses attributable to the employer” has the meaning given by regulation 6(5).

(4) In their application to a scheme—

- (a) which has been such a scheme as is mentioned in paragraph (1);
- (b) which is divided into two or more sections, one or more of which apply only to members who are not in pensionable service under the section;
- (c) the provisions of which have not been amended so as to prevent conditions A and B being met in relation to two or more sections; and
- (d) in relation to one or more sections of which those conditions have ceased to be met at any time by reason only of there being no members in pensionable service under the section and no contributions which are to be allocated to it,

section 75 of the 1995 Act and the provisions of these Regulations (apart from this paragraph) apply as if any section in relation to which those conditions have ceased to be met were a separate scheme.

(5) For the purposes of paragraphs (1) to (4), any provisions of the scheme by virtue of which contributions or transfers of assets may be made to make provision for death benefits are disregarded.

(6) But if paragraph (1) or (4) applies and, by virtue of any provisions of the scheme, contributions or transfers of assets to make such provision are made to a section (“the death benefits section”) the assets of which may only be applied for the provision of death benefits, the death benefits section is also to be treated as a separate scheme.

(7) For the purpose of this regulation, any provisions of the scheme by virtue of which assets attributable to one section may on the winding up of the scheme or a section be used for the purposes of another section are disregarded.

Former employers

Former employers

9.—(1) In the application of section 75 of the 1995 Act and these Regulations to a scheme which has no active members, references to employers include every person who employed persons in the description of employment to which the scheme relates immediately before the occurrence of the event after which the scheme ceased to have any active members.

(2) In the application of section 75 of the 1995 Act and these Regulations to a scheme, references to employers include—

- (a) any pre-April 1997 participator (see paragraph (7)); and
- (b) any person who has ceased on or after 6th April 1997 and before the applicable time to be a person employing persons in the description of employment to which the scheme relates, unless—
 - (i) when he so ceased the scheme was not being wound up and continued to have active members; and
 - (ii) [F7 condition A, B, BB], C or D is met.

(3) Condition A is that no debt was treated as becoming due from him under section 75(2) or (4) of the 1995 Act (or, if he so ceased before 6th April 2005, under section 75(1) of that Act) by virtue of his so ceasing.

(4) Condition B is that such a debt was treated as becoming due from him and has been paid before the applicable time.

Status: Point in time view as at 01/04/2006.

Changes to legislation: There are currently no known outstanding effects for the The Occupational Pension Schemes (Employer Debt) Regulations 2005. (See end of Document for details)

[^{F8}(4A) Condition BB is that such a debt was treated as becoming due from him, the modification in regulation 7(3) applied, and the amount treated as becoming due from him under regulation 7(3) (a) has been paid before the applicable time.]

(5) Condition C is that such a debt was treated as becoming due from him and has not been so paid solely because he was not notified of the debt, and of the amount of it, sufficiently in advance of the applicable time for it to be paid before that time.

(6) Condition D is that such a debt was treated as becoming due from him but at the applicable time it is excluded from the value of the assets of the scheme because it is unlikely to be recovered without disproportionate cost or within a reasonable time.

(7) In this regulation “pre-April 1997 participator” means a person who immediately before 6th April 2005 was regarded as an employer for the purposes of the 1996 Regulations by virtue of regulation 6 of those Regulations (ceasing to participate: transitional provision).

Money purchase schemes

Money purchase schemes: fraud and levy deficiencies etc.

10.—(1) Notwithstanding subsection (1)(a) of section 75 of the 1995 Act, that section applies to money purchase schemes as if—

- (a) subsection (2)—
 - (i) provided that if the levy deficit condition is met the levy deficit is to be treated as a debt due from the employer to the trustees or managers of the scheme; and
 - (ii) was not subject to subsection (3) of that section;
- (b) subsection (4) provided that where the criminal reduction conditions are met the criminal deficit is to be treated as a debt due from the employer to the trustees or managers of the scheme; and
- (c) subsections (4A) to (4C) and (6) were omitted.

(2) The levy deficit condition is that an amount payable by way of general levy [^{F9}or fraud compensation levy] in respect of any money purchase scheme exceeds the value of the unallocated assets of the scheme either—

- (a) at the time when the amount first becomes payable to the Secretary of State; or
- (b) at a later time designated by the trustees or managers of the scheme for the purposes of this paragraph.

(3) The criminal reduction conditions are that—

- (a) a reduction in the aggregate value of the allocated assets of the scheme occurs;
- (b) the reduction is attributable to an act or omission which—
 - (i) constitutes an offence prescribed for the purposes of section 81(1)(c) of the 1995 Act; or

- (ii) in the case of an act or omission which occurred outside England and Wales or Scotland, would constitute such an offence if it occurred in England and Wales or in Scotland; and
- (c) immediately after the act or omission or, if that time cannot be determined, at the earliest time when the auditor of the scheme knows that the reduction has occurred, the amount of that reduction exceeds the value of the unallocated assets of the scheme.
- (4) [^{F10}In this regulation]—
- “allocated assets”, in relation to a scheme, means assets which have been specifically allocated for the provision of benefits to or in respect of members (whether generally or individually) or for the payment of the scheme's expenses (and “unallocated” is to be read accordingly);
- “the criminal deficit” means the amount of the excess mentioned in paragraph (3)(c);
- [^{F11}“the fraud compensation levy” means the levy imposed in accordance with section 189 of the 2004 Act;]
- “the general levy” means the levy imposed under section 175 of the 1993 Act by regulation 3(1) or (2) of the Occupational and Personal Pension Schemes (General Levy) Regulations 2005^{M13}.
- “the levy deficit” means the amount of the excess mentioned in paragraph (2);

Money purchase schemes: valuations etc.

11.—(1) For the purposes of section 75 of the 1995 Act as applied by regulation 10, this regulation applies instead of regulation 5 and 7.

- (2) In the case of a scheme other than an ear-marked scheme—
- (a) the value at any time of the unallocated assets of the scheme is to be taken to be the value of those assets as certified in a statement by the scheme's auditor; and
- (b) the amount of the criminal reduction in the aggregate value of the allocated assets of the scheme at any time is to be calculated by subtracting the actual aggregate value of those assets at that time from the notional aggregate value of those assets.
- (3) The notional aggregate value mentioned in paragraph (2)(b) is to be taken to be the sum of the values of the assets—
- (a) as stated in the audited accounts which most immediately precede the relevant act or omission; or
- (b) if there are none, as certified in a statement by the scheme's auditor,
- adjusted appropriately to take account of any alteration in their values (other than any alteration attributable to that act or omission) between the date as at which those accounts are prepared or, as the case may be, as at which that statement is given and the time in question.

Changes to legislation: There are currently no known outstanding effects for the The Occupational Pension Schemes (Employer Debt) Regulations 2005. (See end of Document for details)

(4) The actual aggregate value mentioned in paragraph (2)(b) is to be calculated in the same manner as it was calculated for the purposes of the accounts mentioned in paragraph (3)(a) or, as the case may be, the statement mentioned in paragraph (3)(b).

(5) In the case of an ear-marked scheme—

- (a) the value at any time of the unallocated assets of the scheme; and
- (b) the amount of the criminal reduction in the aggregate value of the allocated assets of the scheme,

are the amounts certified in a statement by the relevant insurer.

(6) In this regulation—

“ear-marked scheme” means a scheme under which all the benefits are secured by one or more policies of insurance or annuity contracts, being policies or contracts specifically allocated to the provision of benefits for individual members or any other person who has a right to benefits under the scheme; and

“the relevant insurer”, in relation to such a scheme, is the insurer with whom the insurance contract or annuity contract is made.

Multi-employer money purchase schemes

12.—(1) In its application to a money purchase scheme that is a multi-employer scheme regulation 10 applies with the substitution for paragraph (1) of the following paragraphs —

“(1) Notwithstanding subsection (1)(a) of section 75 of the 1995 Act, that section applies to money purchase schemes as if—

(a) subsection (2)—

- (i) provided that if the levy deficit condition is met each employer's share of the levy deficit is to be treated as a debt due from that employer to the trustees or managers of the scheme; and
- (ii) was not subject to subsection (3) of that section;

- (b) subsection (4) provided that where the criminal reduction conditions are met each employer's share of the criminal deficit is to be treated as a debt due from the employer to the trustees or managers of the scheme; and
- (c) subsections (4A) to (4C) and (6) were omitted.

(1A) For the purposes of paragraph (1), an employer's share of the levy deficit or the criminal deficit is—

- (a) such proportion of that total deficit as, in the opinion of [^{F12}the trustees or managers], the amount of the scheme's liabilities attributable to employment with that employer bears to the total amount of the scheme's liabilities attributable to employment with the employers; or
- (b) if the scheme provides for the total amount of that debt to be otherwise apportioned amongst the employers, the amount due from that employer under that provision.

(1B) For the purposes of paragraph (1A)—

- (a) the total amount of the scheme's liabilities which are attributable to employment with the employers; and
- (b) the amount of the liabilities attributable to employment with any one employer,

are such amounts as are determined, calculated and verified by the actuary in accordance with the guidance given in GN 19; and a determination under this paragraph must be certified by the actuary as being in accordance with that guidance.”.

(2) Regulation 6 does not apply to a money purchase scheme that is a multi-employer scheme.

Modification of schemes: apportionment of section 75 debts

16.—(1) This regulation applies for the purposes of section 68(2)(e) of the 1995 (power of trustees to modify schemes by resolution for prescribed purposes).

(2) In the case of a trust scheme (whether or not a money purchase scheme) which apart from this regulation could not be modified for the purpose of making provision for the total amount of a debt due under section 75(2) or (4) of the 1995 Act to be apportioned amongst the employers in different proportions from those which would otherwise apply by virtue of regulation 6(2)(a) or, as the case may be, regulation 10(1A) (as it has effect by virtue of regulation 12), for the purposes of section 68(2)(e), such a modification of the scheme is a modification for a prescribed purpose.
