EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes provision in consequence of the [Smoking, Health and Social Care \(Scotland\) Act 2005 \(asp13\)](#) (“the 2005 Act”) and the Prohibition of Smoking in Certain Premises (Scotland) Regulations 2006 (SSI 2006/90) (“the 2006 Regulations”).

The 2005 Act introduced a ban on smoking in certain premises in Scotland which are wholly or substantially enclosed and of a type prescribed in regulations made under the Act. These are defined as “no-smoking” premises. The 2006 Regulations made under the Act prescribed the premises that are no-smoking premises for the purposes of Part 1 of the Act. Regulation 3 provides that no-smoking premises are the premises or classes of premises that are listed in Schedule 1 to those Regulations. Regulation 2 defines premises as including vehicles, and vehicles as including vessels.

Article 3 of this Order provides for the definition of “vehicle” in the 2006 Regulations to have effect in a modified way, so as to include a “relevant ship”. The meaning of a “relevant ship” is set out in *article 3(1)*.

Article 3(3) provides that the offences created by Part 1 of the 2005 Act, and related enforcement, and other provisions shall apply in relation to such ships.

By virtue of *article 4*, where an offence under Part 1 of the 2005 Act is committed on a United Kingdom ship outside Scotland it may be treated as having been committed in Scotland and proceedings may be taken accordingly.

A Regulatory Impact Assessment has not been prepared in relation to this Order as it has negligible impact on business.
