Provisions supplemental to regulation 7

9.—(1) The Secretary of State shall, from time to time, publish a list of notified bodies indicating, in the case of each United Kingdom notified body, the description of any beltweigher in respect of which that notified body is designated; and such a list may include information concerning any condition to which the designation of any United Kingdom notified body is subject.

(2) The Secretary of State shall, from time to time, carry out an inspection of each United Kingdom notified body with a view to verifying that it—

but, unless it appears to him that there are circumstances which make it necessary or expedient to do so, he shall not carry out an inspection within two years from the date of designation under regulation 7 or of any later inspection under this paragraph.

Variation and termination of designations

 - (b) notwithstanding sub-paragraph (a), authorise another United Kingdom notified body to take over the functions of the United Kingdom notified body the subject of the termination in respect of such cases as he may specify.

Fees

11.—(1) A United Kingdom notified body may charge such fees in connection with, or incidental to, the carrying out of conformity assessment procedures or specific tasks as it may determine.

Marking and identification requirements

12.—(1) Where a beltweigher is compliant with the essential requirements—

- (a) the manufacturer shall affix the CE marking and the M marking to the instrument; and
- (b) the notified body which carries out the conformity assessment procedure in respect of that instrument shall affix its identification number to the instrument, or may agree that the manufacturer shall do so on its behalf.

(2) Any other marking may be affixed to the instrument provided that the visibility and legibility of the CE marking, the M marking and the identification number of the notified body are not reduced.

(3) For the purposes of paragraph (1)—

(2) Where paragraph (1) applies, the publication reference of such other directives in the Official Journal of the European Union must be given in the documents, notices or instructions required to accompany the instrument.
