

## SCHEDULE 10

### Drainage and water enquiries

## PART 2

### Enquiries and responses

#### **Public sewers near to the property**

**8.—(1)** Does the public sewer map indicate any public sewer within 30.48 metres (100 feet) of any buildings within the property?

- (a) (2) (a) The public sewer map included indicates that there is a public sewer within 30.48 metres (100 feet) of a building within the property;
- (b) The public sewer map indicates that there is a public sewer or lateral drain subject to an existing adoption agreement within 30.48 metres (100 feet) of a building within the property; or
- (c) The public sewer map indicates that there are no public sewers within 30.48 metres (100 feet) of a building within the property. However, it has not always been a requirement for such public sewers to be recorded on the public sewer map. It is therefore possible for unidentified sewers or public sewers to exist within the boundaries of the property.
