2006 No. 183

The Foot-and-Mouth Disease (Control of
Vaccination) (England) Regulations 2006

PART 3

General and supplementary provisions

Cleansing and disinfection of vehicles: provision of facilities, equipment and materials

29. Where cleansing and disinfection of vehicles is required at any premises by or under these Regulations, the occupier of those premises shall, at his own expense, provide adequate facilities and proper equipment and materials for that cleansing and disinfection.

Changes to legislation:

There are currently no known outstanding effects for the The Foot-and-Mouth Disease (Control of Vaccination) (England) Regulations 2006, Section 29.
