(4) 2003 c. 43.

(5) 1985 c. 67.

### Development of proposals

3.—(1) Before developing a proposal to designate a road, an authority shall give occupiers of premises in the area which the authority considers would be affected by the designation (“the relevant area”), and such other persons as the authority considers appropriate, an opportunity to make representations.

(2) The authority shall hold at least one public meeting to discuss designation in premises in, or within a reasonable distance of, the relevant area.

(3) The authority shall give notice of the opportunity to make representations and of each such meeting by—

- (a) publishing, in a newspaper circulating in the relevant area, a notice—
  - (i) describing the relevant area;
  - (ii) inviting representations on the making of a designation; and
  - (iii) stating the time and place of the meeting;
- (b) sending a copy of that notice to all occupiers of premises within that area; and
- (c) taking such other steps as they consider appropriate.

(4) In developing a proposal to designate a road in that area, the authority shall have regard to representations received by them within 21 days of the publication of the notice under paragraph (3) or of the closure of the last meeting held in accordance with paragraph (2), whichever occurs later.

### Consultation on designation

4. Before designating a road in a case specified in column (2) of an item in the table below, the authority shall consult the persons specified in column (3) of the item.

		(h) The head teacher of any school on, adjoining or adjacent to the road;
		(i) The Freight Transport Association;
		(j) Such other organisations (if any) representing persons or individuals likely to be affected by any provision in the designation as the authority thinks appropriate.

### Notice of proposals to designate a road

5. Before designating a road the authority shall—

- (a) publish at least once a notice of proposals, containing the particulars specified in Part 1 of Schedule 1, in a local newspaper circulating in the area in which the road to which the designation relates is situated;
- (b) send a copy of the notice of proposals so published to each person that the authority is required to consult under regulation 4;
- (c) display copies of the notice of proposals in accordance with Part 3 of Schedule 1;
- (d) take such other steps as they consider appropriate for ensuring that adequate publicity about the proposed designation is given to persons likely to be affected by its provisions; and
- (e) make available for inspection in accordance with Schedule 2 the documents mentioned in that Schedule.

### Objections to designations

6.—(1) Any person may object to the designation of a road by the date specified in the notice of proposals or, if later, the end of the period of 21 days beginning with the date on which the authority has complied with all the requirements of regulation 5.

- (2) An objection under paragraph (1) shall—
  - (a) be in writing;
  - (b) state the grounds on which it is made; and
  - (c) be sent to the address specified in the notice of proposals.

### **Consideration of objections to designations**

7. Before designating a road the authority shall consider all the objections duly made under regulation 6 and not withdrawn.

### **Use Orders**

8.—(1) An authority who have designated a road as a quiet lane or a home zone may make a use order permitting the use of that road, or any part of the width of that road, for any of the purposes described in paragraph (2).

- (2) The purposes are—
  - (a) communal;
  - (b) social;
  - (c) cultural;
  - (d) spiritual;
  - (e) educational;
  - (f) entertainment;
  - (g) recreational.

(3) A use order may permit a use for a specified purpose permanently or temporarily at such times, on such days and during such periods as may be specified in the order.

### **Speed Orders**

9.—(1) An authority who have designated a road as a quiet lane or a home zone may make a speed order, which complies with the requirements in the following paragraph, as respects the designated road.

- (2) The requirements are that the speed order shall—
  - (a) state that it is made with a view to reducing the speed of—
    - (i) motor vehicles;
    - (ii) cycles; or
    - (iii) both motor vehicles and cycles;
  - (b) describe in general terms the measures which the local traffic authority is authorised to take with a view to reducing that speed below the speed specified in the order; and
  - (c) specify the speed referred to in paragraph (b) above.

### **Consultation on use orders and speed orders**

10. Before making a use order or a speed order in relation to a designated road in a case specified in column (2) of an item in the table below, the authority shall consult the persons specified in column (3) of the item.

**Table**

<i>(1) Item</i>	<i>(2) Case</i>	<i>(3) Consultee</i>
No		or the speed order as the authority thinks appropriate

### **Notice of proposal to make use or speed orders**

**11.**—(1) Before making a use order or a speed order the authority shall—

- (a) publish at least once a notice of proposals to make the use order or the speed order containing the particulars specified in Part 2 of Schedule 1 in a local newspaper circulating in the area in which the road to which the order relates is situated;
- (b) send a copy of the notice of proposals so published to each person whom the authority is required to consult under regulation 10;
- (c) display copies of the notice of proposals in accordance with Part 3 of Schedule 1;
- (d) take such other steps as they may consider appropriate for ensuring that adequate publicity about the order is given to persons likely to be affected by its provisions;
- (e) make available for inspection in accordance with Schedule 2 the documents mentioned in that Schedule.

(2) In the case of a road which has not been designated, the authority shall not publish the notice required by paragraph (1) before publishing the notice required by regulation 5.

### **Objections to use and speed orders**

**12.**—(1) Any person may object to the making of a use order or a speed order by the date specified in the relevant notice of proposals or, if later, the end of the period of 21 days beginning with the date on which the authority has complied with all the requirements of regulation 11.

(2) An objection under paragraph (1) shall—

- (a) be made in writing;
- (b) state the grounds on which it is made; and
- (c) be sent to the address specified in the notice of proposals.

### **Consideration of objections to speed orders**

**13.** Before making a use order or a speed order the authority shall consider all objections duly made under regulation 12 and not withdrawn.

### **Modifications of designations and of use orders and speed orders**

**14.**—(1) Subject to the provisions of this regulation, an authority may, notwithstanding that the requirements of regulation 5 or 11 have been completed, modify a proposed designation or use order or speed order, whether in consequence of any objections or otherwise, before it is made.

(2) Before a proposed designation or use order or speed order is made with modifications which appear to the authority to make a substantial change in it, the authority shall take the steps required by paragraph (3).

(3) The steps are such steps as appear to the authority appropriate for—

- (a) informing persons likely to be affected by the modifications;
- (b) giving those persons an opportunity of making objections; and
- (c) ensuring that any such objections are duly considered by the authority.

(4) In this regulation “modifications” includes additions, exceptions or any other modification of any description and “modify” shall be construed accordingly.

### **Notice of designation and of making use orders and speed orders**

**15.**—(1) When the authority have made a designation, a use order or a speed order they shall—

- (a) forthwith give notice in writing of the making of the designation or use order or speed order to the appropriate chief officer of police, the chief officer of the appropriate NHS Trust or NHS Foundation Trust and the appropriate fire and rescue authority;
- (b) notify in writing each person, who has objected to the designation or use order or speed order in accordance with regulation 6 or regulation 12 and has not withdrawn the objection, of the authority’s reasons for making the designation, use order or speed order in spite of the objection;
- (c) within 14 days of the making of the designation or the use order or the speed order publish once in a local newspaper circulating in the area, in which the road to which the designation or use order or speed order relates is situated, a notice of the making of the order;
- (d) comply with the relevant requirements of Schedule 2 as to the availability of documents for inspection.

(2) A notice given under paragraph (1) shall state the date on which the designation or order is to come into force.

(3) If, after publishing a notice of proposals in accordance with regulation 5 or regulation 11, the authority decides not to designate a road or to make a use order or a speed order, it shall within 14 days of that decision publish once in a local newspaper circulating in the area in which the road, to which the designation or use order or speed order would have related, a notice of that decision.

### **Varying and revoking designations**

**16.** The procedure specified in regulations 4 to 15 shall apply to the variation and revocation of designations and of use orders and speed orders as they apply to their making.

### **Map**

**17.** The authority shall prepare and keep in connection with the designation, use order or speed order a map to which the provisions of Schedule 3 apply.

### **Traffic Signs**

**18.** Where a road has been designated, the authority shall take such steps as are necessary to secure

- (a) the placing on or near the road of appropriate traffic signs as prescribed in the Traffic Signs Regulations and General Directions 2002<sup>(6)</sup>, or as specially authorised by the Secretary of State, in such positions (if such positions are not prescribed) as the authority may consider requisite for securing that adequate information as to the designation is made available to persons using the road;
- (b) the maintenance of such signs for so long as the designation remains in force; and
- (c) in a case where a designation is varied or revoked, the removal or replacement of existing traffic signs as the authority considers requisite to avoid confusion to road users by signs being left in the wrong positions.
