The Council Tax Benefit Regulations 2006

PART 4

Income and capital

SECTION 5

Other income

Calculation of income other than earnings

30.—(1) For the purposes of regulation 21 (average weekly income other than earnings), the income of a claimant which does not consist of earnings to be taken into account shall, subject to paragraphs (2) to (8), be his gross income and any capital treated as income under regulation 31 (capital treated as income).

(2) There shall be disregarded from the calculation of a claimant's gross income under paragraph (1), any sum, where applicable, specified in Schedule 4.

(3) An authority may modify this Part so as to provide for disregarding, in determining a person's income, the whole or any part of any war widower's pension payable to that person, or to his partner or to a person to whom he is polygamously married.

(4) An authority may modify this Part so as to provide for disregarding, in determining a woman's income, the whole or any part of a pension payable to her as a widow under the Naval, Military and Air Forces etc. (Disablement and Death) Service Pensions Order 1983⁽¹⁾ insofar as that Order is made under the Naval and Marine Pay and Pensions Act 1865⁽²⁾, or is made only under section 12(1) of the Social Security (Miscellaneous Provisions) Act 1977⁽³⁾ and any power of Her Majesty otherwise than under an enactment to make provision about pensions for or in respect of persons who have been disabled or have died in consequence of service as members of the armed forces of the Crown, to the extent that such a pension does not fall to be disregarded by virtue of paragraph 16 of Schedule 4.

(5) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under paragraph (1) shall be the gross amount payable.

(6) Where an award of any working tax credit or child tax credit under the Tax Credits Act is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under paragraph (1) shall be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(7) In paragraph (6), "tax year" means a period beginning with 6th April in one year and ending with 5th April in the next.

(8) Paragraph (9) applies where—

(1) [S.I. 1983/883](#).

(2) [28 & 29 Vict. c. 73](#).

(3) [1977 c. 5](#)

- (a) a relevant payment has been made to a person in an academic year; and
- (b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(9) The amount of a relevant payment to be taken into account for the assessment period for the purposes of paragraph (1) in respect of a person to whom paragraph (8) applies, shall be calculated by applying the formula—

$$\frac{A - (B \times C)}{D}$$

where—

- A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under regulation 51(5);
- B = the number of benefit weeks from the benefit week immediately following that which includes the first day of that academic year to the benefit week which includes the day on which the person abandoned, or was dismissed from, his course;
- C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under regulation 51(2) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to council tax benefit immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;
- D = the number of benefit weeks in the assessment period.

(10) In paragraphs (8) and (9)—

“academic year” and “student loan” shall have the same meanings as for the purposes of Part 5; “assessment period” means the period beginning with the benefit week immediately following that which includes the day on which the person abandoned, or was dismissed from, his course and ending with the benefit week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person and for the purposes of this definition, “quarter” shall have the same meaning as for the purposes of the Education (Student Support) Regulations 2005(4);

“relevant payment” means either a student loan or an amount intended for the maintenance of dependants referred to in regulation 46(7) or both.

(11) For the avoidance of doubt there shall be included as income to be taken into account under paragraph (1)—

- (a) any payment to which regulation 25(2) (payments not earnings) applies; or
- (b) in the case of a claimant who is receiving support under section 95 or 98 of the Immigration and Asylum Act including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the claimant and his dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act.

Capital treated as income

31.—(1) Any capital payable by instalments which are outstanding at the date on which the claim is made or treated as made, or, at the date of any subsequent revision or supersession, shall, if the aggregate of the instalments outstanding and the amount of the claimant’s capital otherwise calculated in accordance with Section 6 exceeds £16,000, be treated as income.

- (2) Any payment received under an annuity shall be treated as income.
- (3) Any earnings to the extent that they are not a payment of income shall be treated as income.
- (4) Any Career Development Loan paid pursuant to section 2 of the 1973 Act shall be treated as income.
- (5) Where an agreement or court order provides that payments shall be made to the claimant in consequence of any personal injury to the claimant and that such payments are to be made, wholly or partly, by way of periodic payments, any such periodic payments received by the claimant (but not a payment which is treated as capital by virtue of this Part), shall be treated as income.

Notional income

32.—(1) A claimant shall be treated as possessing income of which he has deprived himself for the purpose of securing entitlement to housing benefit or increasing the amount of that benefit.

- (2) Except in the case of—
 - (a) a discretionary trust;
 - (b) a trust derived from a payment made in consequence of a personal injury;
 - (c) a personal pension scheme or retirement annuity contract where the claimant is aged under 60;
 - (d) any sum to which paragraph 47(a) and 48(a) of Schedule 5 (disregard of compensation for personal injuries which is administered by the Court) refers;
 - (e) rehabilitation allowance made under section 2 of the 1973 Act;
 - (f) child tax credit; or
 - (g) working tax credit,

any income which would become available to the claimant upon application being made, but which has not been acquired by him, shall be treated as possessed by the claimant but only from the date on which it could be expected to be acquired were an application made.

(3) Where a person, aged not less than 60, is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, or is a party to, or a person deriving entitlement to a pension under, a retirement annuity contract, and—

- (a) in the case of a personal pension scheme, he fails to purchase an annuity with the funds available in that scheme where—
 - (i) he defers, in whole or in part, the payment of any income which would have been payable to him by his pension fund holder;
 - (ii) he fails to take any necessary action to secure that the whole of any income which would be payable to him by his pension fund holder upon his applying for it, is so paid; or
 - (iii) income withdrawal is not available to him under that scheme; or
- (b) in the case of a retirement annuity contract, he fails to purchase an annuity with the funds available under that contract,

that amount of any income foregone shall be treated as possessed by him, but only from the date on which it could be expected to be acquired were an application for it to be made.

(4) The amount of any income foregone in a case to which either head (3)(a)(i) or (ii) applies shall be the maximum amount of income which may be withdrawn from the fund and shall be determined by the relevant authority which shall take account of information provided by the pension fund holder in accordance with regulation 72(6) (evidence and information).

(5) The amount of any income foregone in a case to which either head (3)(a)(iii) or sub-paragraph (3)(b) applies shall be the income that the claimant could have received without purchasing an annuity had the funds held under the relevant personal pension scheme or retirement annuity contract been held under a personal pension scheme where income withdrawal was available and shall be determined in the manner specified in paragraph (4).

(6) Any payment of income, other than a payment of income specified in paragraph (7), made—

- (a) to a third party in respect of a single claimant or a member of the family (but not a member of the third party's family) shall, where that payment is a payment of an occupational pension or is a pension or other periodical payment made under a personal pension scheme, be treated as possessed by that single claimant or, as the case may be, by that member;
- (b) to a third party in respect of a single claimant or in respect of a member of the family (but not a member of the third party's family) shall, where it is not a payment referred to in sub-paragraph (a), be treated as possessed by that single claimant or by that member to the extent that it is used for the food, ordinary clothing or footwear, household fuel or rent of that single claimant or, as the case may be, of any member of that family or is used for any council tax or water charges for which that claimant or member is liable;
- (c) to a single claimant or a member of the family in respect of a third party (but not in respect of another member of that family) shall be treated as possessed by that single claimant or, as the case may be, that member of the family to the extent that it is kept or used by him or used by or on behalf of any member of the family.

(7) Paragraph (6) shall not apply in respect of a payment of income made—

- (a) under the Macfarlane Trust, the Macfarlane (Special Payments) Trust, the Macfarlane (Special Payments) (No. 2) Trust, the Fund, the Eileen Trust or the Independent Living Funds;

 - (i) in an employment programme specified in regulation 75(1)(a)(ii) of the Jobseeker's Allowance Regulations;
 - (ii) in a training scheme specified in regulation 75(1)(b)(ii) of those Regulations;
 - (iii) in the Intense Activity Period specified in regulation 75(1)(a)(iv) of those Regulations or in the Intense Activity Period for 50 plus; or
 - (iv) in a qualifying course within the meaning specified in regulation 17A(7) of those Regulations;
- (d) under an occupational pension scheme or in respect of a pension or other periodical payment made under a personal pension scheme where—
 - (i) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980(5);
 - (ii) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and
 - (iii) the person referred to in (i) and any member of his family does not possess, or is not treated as possessing, any other income apart from that payment.

(8) Where a claimant is in receipt of any benefit (other than council tax benefit) under the benefit Acts and the rate of that benefit is altered with effect from a date on or after 1st April in any year but

not more than 14 days thereafter, the relevant authority shall treat the claimant as possessing such benefit at the altered rate from either 1st April or the first Monday in April in that year, whichever date the relevant authority shall select to apply in its area, to the date on which the altered rate is to take effect.

(9) Subject to paragraph (10), where—

- (a) a claimant performs a service for another person; and
- (b) that person makes no payment of earnings or pays less than that paid for a comparable employment in the area,

the relevant authority shall treat the claimant as possessing such earnings (if any) as is reasonable for that employment unless the claimant satisfies the authority that the means of that person are insufficient for him to pay or to pay more for the service.

(10) Paragraph (9) shall not apply—

- (a) to a claimant who is engaged by a charitable or voluntary organisation or who is a volunteer if the relevant authority is satisfied in any of those cases that it is reasonable for him to provide those services free of charge; or
- (b) in a case where the service is performed in connection with—
 - (i) the claimant's participation in an employment or training programme in accordance with regulation 19(1)(q) of the Jobseeker's Allowance Regulations, other than where the service is performed in connection with the claimant's participation in the Intense Activity Period specified in regulation 75(1)(a)(iv) of those Regulations or in the Intense Activity Period for 50 plus; or
 - (ii) the claimant's or the claimant's partner's participation in an employment or training programme as defined in regulation 19(3) of those Regulations for which a training allowance is not payable or, where such an allowance is payable, it is payable for the sole purpose of reimbursement of travelling or meal expenses to the person participating in that programme.

(11) Where a claimant is treated as possessing any income under any of paragraphs (1) to (8), the foregoing provisions of this Part shall apply for the purposes of calculating the amount of that income as if a payment had actually been made and as if it were actual income which he does possess.

(12) Where a claimant is treated as possessing any earnings under paragraph (9) the foregoing provisions of this Part shall apply for the purposes of calculating the amount of those earnings as if a payment had actually been made and as if they were actual earnings which he does possess except that paragraph (3) of regulation 26 (calculation of net earnings of employed earners) shall not apply and his net earnings shall be calculated by taking into account those earnings which he is treated as possessing, less—

- (a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the lower rate or, as the case may be, the lower rate and the basic rate of tax applicable to the assessment period less only the personal relief to which the claimant is entitled under sections 257(1) of the Income and Corporation Taxes Act 1988 (personal allowances) as is appropriate to his circumstances; but, if the assessment period is less than a year, the earnings to which the lower rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph shall be calculated on a pro rata basis;
- (b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the Act in respect of those earnings if such contributions were payable; and
- (c) one-half of any sum payable by the claimant by way of a contribution towards an occupational or personal pension scheme.
