EXPLANATORY NOTE

(This note is not part of the Order)

This Order contains amendments to the Medway Primary Care Trust (Establishment) Amendment Order 2006 (S.I. 2006/2073). S.I. 2006/2073 reduces the area of the Medway Primary Care Trust (“the trust”) so that it covers the county of Medway with effect from 1st October 2006. The areas which will no longer be covered by the trust (“transferred areas”) are to be covered by the Eastern and Coastal Kent Primary Care Trust and the West Kent Primary Care Trust, which are to be established on 1st October 2006 by the Primary Care Trusts (Establishment and Dissolution) (England) Order 2006 (S.I. 2006/2072). This Order inserts into S.I. 2006/2073 provisions which are consequential on the variation of the area of the trust in connection with continuity of functions in relation to the transferred areas and allocation of practitioners to lists.

A full regulatory impact assessment has not been produced for this Order as it has no impact on the costs of business, charities or voluntary bodies.
