

SCHEDULE

Permitted movements

PART 4

Live poultry or other captive birds

7. The movement of any live poultry (except those going for slaughter) or other captive bird from premises that are within a vaccination zone to other premises that are within a vaccination zone provided that—

- (a) it has been vaccinated against avian influenza if vaccination is required at the premises from which it is being moved by a declaration or vaccination notice under regulation 6(1); and
- (b) it has been clinically examined by a veterinary inspector who has not placed it under any restrictions.

8. The movement of any live poultry (except those going for slaughter) or other captive bird from premises that are within a vaccination zone, or the subject of a vaccination notice, to premises that are outside a vaccination zone or are not the subject of a vaccination notice, provided that—

- (a) it has not been vaccinated; and
- (b) it has been clinically examined by a veterinary inspector who has not placed it under any restrictions.

9. The movement of any live poultry (except those going for slaughter) or other captive bird from premises that are outside a vaccination zone, or are not the subject of a vaccination notice, to premises that are within a vaccination zone or the subject of a vaccination notice.

Changes to legislation:

There are currently no known outstanding effects for the The Avian Influenza (Vaccination) (England) Regulations 2006, PART 4.
