## SCHEDULE

The Cooperation Agreement between the European Community and its Member States, of the one part, and the Swiss Confederation, of the other part, to combat fraud and any other illegal activity to the detriment of their financial interests, signed in Luxembourg on 26th October 2004<sup>(a)</sup>.

### EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order declares the Cooperation Agreement between the European Community and its Member States, of the one part, and the Swiss Confederation, of the other part, to combat fraud and any other illegal activity to the detriment of their financial interests to be a Community Treaty as defined in section 1(2) of the European Communities Act 1972.

The object of the Agreement is to extend administrative and judicial assistance in order to combat illegal activities in customs; agricultural legislation; value added tax, special taxes on consumption, and excise duties; the charging and retention of funds from the budgets of the parties to the Agreement or from budgets managed by them or on their behalf; and procedures for the award of contracts by them.

The principal effect of declaring this Agreement to be a Community Treaty is that the provisions of section 2 of the European Communities Act 1972 (which provide for the general implementation of Community Treaties) apply to it.

A full Regulatory Impact Assessment has not been produced for this instrument as it has no impact on the costs of business, charities or voluntary bodies.
