(2) Regard—

- (a) Articles 185 to 187 of the Community Customs Code (returned Community goods and returned compensating products), and
- (b) Articles 844 to 856 and Article 882 of the implementation Regulation (returned Community goods and returned compensating products),

as only applying in the case and to the extent of a reimportation to the United Kingdom by the person who originally exported or re-exported the relevant Community goods or compensating products from the VAT territory of the Community.

That VAT territory(6) is the territorial application of Council Directive 77/388/EEC in accordance with Title III of that Directive(7) (territorial application).

(3) Regard the amount of the relief mentioned in Article 186 of the Community Customs Code (returned Community goods) as reduced by the amount of any unpaid VAT.

(5) OJ No L 253, 11.10.93, p 1; relevant amendments made by Commission Regulation (EC) 75/98 (OJ No L 7, 13.1.98, p 3), Commission Regulation (EC) No 1677/98 (OJ No L 212, 30.7.98, p 18) and the 1994 Act of Accession of the Kingdom of Norway, the Republic of Austria, the Republic of Finland and the Kingdom of Sweden (OJ No C 241, 29.8.94, p 21) as adjusted by Council Decision 95/1/EC (OJ No L 1, 1.1.95, p 1).

(6) On the date these Regulations are made, the VAT territory is described in HM Customs & Excise (now HM Revenue & Customs) Notice 703 “VAT: Export of goods from the United Kingdom”, April 2005, paragraphs 2.8 and 2.9. The Notice is available at <http://www.hmrc.gov.uk> (in VAT – Library section – VAT, Customs, Excise and international trade duties – Public Notices & Information Sheets – VAT Public Notices).

(8) Regulation 2(1) of S.I. 1995/2518 defines “the Act” as the Value Added Tax Act 1994. Section 96(1) of that Act defines “VAT” as value added tax charged in accordance with the Act or, where the context requires, with the law of another member State. Regulation 121D(5)(a) ensures that the latter is properly taken into account for the purposes of returned goods relief.

- (ii) an importation of the goods from outside the member States before the reimportation,

 - (b) the place of that supply for the purposes of VAT is determined by or under section 7 of the Act (place of supply) as being outside the United Kingdom, and
 - (c) the goods nevertheless are or may be stored or physically used in the United Kingdom by or under the direction of that reimporter or the person to whom that supply is made (“recipient”).

For these purposes, “reimporter” and “recipient” include someone connected with either person or both persons as determined in accordance with section 839 of the Taxes Act(**10**).

(8) These circumstances are that the goods in question were supplied at any time to any person pursuant to regulations 131 to 133 (supplies to persons departing from the member States) or pursuant to any corresponding provision of the Isle of Man(**11**).

- (9) For the purposes of the Articles of the Community Customs Code and implementation Regulation mentioned in paragraph (2)—
 - (a) regard the description of the customs territory of the Community in Article 3 of the Community Customs Code as being substituted with a description of the VAT territory (see paragraph (2));

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which come into force on 1st April 2006 for the purposes of the VAT annual accounting scheme and on 6th April 2006 for the purposes of VAT returned goods relief, further amend the Value Added Tax Regulations 1995 (S.I. 1995/2518).

Annual accounting scheme

Regulation 2 increases the maximum turnover limit for entrants to the VAT annual accounting scheme from £660,000 to £1,350,000. It also removes the requirement that a taxable person with a turnover above £150,000 must have been registered for VAT for 12 months before he is eligible to apply to use annual accounting.

Regulation 3 increases the maximum turnover limit for those already operating the scheme from £825,000 to £1,600,000.

A full regulatory impact assessment of the effect that this part of the instrument will have on the costs of business, charities or voluntary bodies is available from www.hmrc.gov.uk.

Returned goods relief

Returned goods relief renders the payment of VAT unnecessary on the importation of goods to the United Kingdom that are in the same state compared to when they were previously exported from the European Community by the importer.

Regulations 4 and 5(14) align the rules for such import VAT relief with those for the returned goods relief from import duty. They do this by enabling adapted import duty provisions to apply(15), including rules for adjusting the amount of VAT relief to take account of the existing VAT status of transactions involving the goods in the European Community VAT territory. Any VAT deductible or refundable through the VAT system, such as input tax, is disregarded.

The VAT relief continues not to apply in the case of goods zero-rated for VAT under the United Kingdom's personal export schemes(16).

Regulation 5 also revokes the existing VAT provisions for returned goods relief.

A full regulatory impact assessment has not been produced for this part of the instrument as it has no impact on the costs of business, charities or voluntary bodies.

(14) Implementing Article 14.1(e) of Council Directive 77/388/EEC (OJ No L 145, 13.6.77, p 1). A transposition note is available from <http://www.hmrc.gov.uk> or HM Revenue and Customs, Portcullis House, 27 Victoria Avenue, Southend on Sea, Essex SS2 6AL.

(15) Under section 16(1) of the Value Added Tax Act 1994 (c. 23), and by replacing the provisions revoked by regulation 5 of this instrument with a new regulation 121D. The latter includes anti-avoidance rules in paragraphs (6) to (8).

(16) See the new regulation 121D(8), which includes corresponding schemes in the Isle of Man.
