These Regulations revoke and replace the Salmonella in Broiler Flocks (Survey Powers) (England) Regulations 2005 (S.I. 2005/2927). They provide a period of 7 days for the occupier or person in charge of a holding to send the requested information to the Secretary of State (regulation 4). The revoked Regulations provided for information to be supplied to the Secretary of State upon request.

These Regulations provide a power of entry to inspectors to undertake sampling to detect the prevalence of Salmonella spp. in broiler chickens as required by Commission Decision 2005/636/EC concerning a financial contribution by the Community towards a baseline survey on the prevalence of Salmonella spp. in broiler flocks of Gallus gallus to be carried out in the Member States<sup>(a)</sup>. Regulation 3 designates the Secretary of State as the competent authority for the purposes of the Commission Decision. Regulation 4 provides that the occupier or person in charge of a holding must, within 7 days of a request, send information to the Secretary of State to assist her with the selection of holdings to be included in the survey. Regulation 5 provides inspectors with various powers including a power of entry and power to take samples of faecal material, to examine records and to make inquiries of any person. Regulation 6 creates offences for obstructing an inspector exercising his powers under these Regulations and regulation 7 sets out the applicable penalties. Regulation 9 provides that these Regulations shall be enforced by the local authority.

A full regulatory impact assessment has not been produced for these Regulations as they have no impact on the costs of business.
