2007 No. 1167

The Consumer Credit (Information Requirements and Duration of Licences and Charges) Regulations 2007

Additional information in statements provided in relation to running-account credit agreements

16. Where the creditor has at any time during the period to which the statement relates required the debtor to repay sums which are due under the agreement, the information and forms of wording set out in paragraphs 3 and 4 of Schedule 2 shall only be included in a statement given in relation to an agreement which does not require payment each month of a minimum sum.
