How to object to the registering of a Lasting Power of Attorney (LPA)

You can ask the Office of the Public Guardian (OPG) to stop the LPA from being registered if one of the factual grounds at (A) below has occurred. You need to tell us by completing Form LPA7 which is available from the OPG and by providing evidence to accompany it. You must send us the completed LPA7 form within five weeks from the date this notice was given. Failure to tell us could result in the LPA being registered.

(A) Factual grounds - you can ask the Office of the Public Guardian to stop registration if:

- The Donor is bankrupt or interim bankrupt (for property and affairs LPAs only)
- · The Attorney is bankrupt or interim bankrupt (for property and affairs LPAs only)
- · The Attorney is a trust corporation and is wound up or dissolved (for property and affairs LPAs only)
- The Donor is dead
- The Attorney is dead
- That there has been dissolution or annulment of a marriage or civil partnership between the Donor and Attorney (except if the LPA provided that such an event should not affect the instrument)
- The Attorney(s) lack the capacity to be an attorney under the LPA
- · The Attorney(s) have disclaimed their appointment

Form LPA7 is available from the OPG on 0845 330 2900 or www.publicguardian.gov.uk

You have the right to object to the Court of Protection about the registration of the LPA, but only on the grounds mentioned at (B) below. To do this you must contact the Court and complete the application to object form they will send you. Using that form, you must set out your reasons for objecting. They must receive the objection within five weeks from the date this notice was given. You must also notify the OPG when you object to the Court by using the separate form LPA8 that the Court will send you. Failure to notify the OPG of an objection may result in registration of the LPA.

Note: If you are objecting to the appointment of a specific attorney, it will not prevent registration if other attorneys or a substitute attorney have been appointed.

(B) Prescribed grounds – you can only object to the Court of Protection against registration of the LPA on the following grounds:

- That the power purported to be created by the instrument* is not valid as a LPA. e.g. the person
 objecting does not believe the donor had capacity to make an LPA.
- That the power created by the instrument no longer exists e.g. the donor revoked it at a time when he/ she had capacity to do so.
- That fraud or undue pressure was used to induce the donor to make the power.
- The attorney proposes to behave in a way that would contravene his authority or would not be in the donor's best interests.

Note: * The instrument means the LPA made by the donor.

The Court will only consider objections made if they are made on the above grounds. To obtain a Court objection form please contact the Court of Protection at Archway Tower, 2 Junction Road, London N19 5SZ or Telephone 0845 330 2900.

You are hereby given notice of the proposed registration. You have the right to object to the registration. Details of how to do so are set out on page 2 of this notice. You have five weeks in which to object from the date this notice was given. (We will treat this notice as having been given two days after the date below.)

The names of the donor and the attorney(s) are set out below:

Donor's full name

The following attorney(s) have applied to register an LPA in the name of the above donor.

How to object to the registering of a Lasting Power of Attorney (LPA)

You can ask the Office of the Public Guardian (OPG) to stop the LPA from being registered if one of the factual grounds at (A) below has occurred. You need to tell us by completing Form LPA7 which is available from the OPG and by providing evidence to accompany it. You must send us the completed LPA7 form within five weeks from the date this notice was given. Failure to tell us could result in the LPA being registered.

(A) Factual grounds - you can ask the Office of the Public Guardian to stop registration if:

- The Donor is bankrupt or interim bankrupt (for property and affairs LPAs only)
- · The Attorney is bankrupt or interim bankrupt (for property and affairs LPAs only)
- · The Attorney is a trust corporation and is wound up or dissolved (for property and affairs LPAs only)
- The Donor is dead
- The Attorney is dead
- That there has been dissolution or annulment of a marriage or civil partnership between the Donor and Attorney (except if the LPA provided that such an event should not affect the instrument)
- The Attorney lacks the capacity to be an attorney under the LPA
- The Attorney disclaimed their appointment

Form LPA7 is available from the OPG on 0845 330 2900 or www.publicguardian.gov.uk

You have the right to object to the Court of Protection about the registration of the LPA, but only on the grounds mentioned at (B) below. To do this you must contact the Court and complete the application to object form they will send you. Using that form, you must set out your reasons for objecting. They must receive the objection within five weeks from the date this notice was given. You must also notify the OPG when you object to the Court by using the separate form LPA8 that the Court will send you. Failure to notify the OPG of an objection may result in registration of the LPA.

Note: If you are objecting to the appointment of a specific attorney, it will not prevent registration if other attorneys or substitute attorneys have been appointed.

(B) Prescribed grounds – you can only object to the Court of Protection against registration of the LPA on the following grounds:

- That the power purported to be created by the instrument* is not valid as a LPA. e.g. the person
 objecting does not believe the donor had capacity to make an LPA.
- That the power created by the instrument no longer exists e.g. the donor revoked it at a time when he/ she had capacity to do so.
- That fraud or undue pressure was used to induce the donor to make the power.
- The attorney proposes to behave in a way that would contravene his authority or would not be in the donor's best interests.

Note: * The instrument means the LPA made by the donor.

The Court will only consider objections made if they are made on the above grounds. To obtain a Court objection form please contact the Court of Protection at Archway Tower, 2 Junction Road, London N19 5SZ or telephone 0845 330 2900.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations supplement the requirements set out in Schedule 1 to the Mental Capacity Act 2005 (c. 9) ("the Act") which apply to the making and registration of lasting powers of attorney and the requirements set out in Schedule 4 to the Act which apply to the registration of enduring powers of attorney. The Regulations also confer functions on the Public Guardian and make other provision in connection with functions conferred on him by the Act or by these Regulations. Part 1 of the Regulations is general and contains a number of definitions and interpretative provisions.

Part 2 of, and Schedules 1 to 6 to, the Regulations deal with lasting powers of attorney. Under section 9(2)(b) of the Act, a lasting power of attorney is not created unless it has (amongst other things) been made and registered in accordance with Schedule 1 to the Act. Regulation 5 (and Schedule 1) set out the forms of instruments to be used to make a lasting power of attorney. A different form must be used according to whether the instrument is intended to confer authority to make decisions about the donor's personal welfare, or about his property and affairs. Regulations 6 to 8 make detailed provision about the content of the instrument. Regulation 9 specifies the steps that must be taken to execute the instrument and the sequence in which those steps must be taken. Regulations 10 to 17 make provision about the procedure for registering an instrument as a lasting power of attorney, and Schedules 2 to 5 set out the application form and the form of notices to be used at different stages of the process. There are also certain other requirements specified which relate to the registration process.

Regulations 18 to 22 contain a number of miscellaneous provisions that apply to instruments which have been registered as lasting powers of attorney. These provisions specify steps to be taken if an instrument is changed, revoked, lost or destroyed. Regulation 20 (and Schedule 6) set out the form to be used by the donee of a lasting power when he wishes to disclaim his appointment.

Part 3 of, and Schedules 7 and 8 to, the Regulations deal with enduring powers of attorney. No new enduring power of attorney may be created after the commencement of section 66(1)(b) of the Act, but Schedules 4 and 5 to the Act apply to any power that was created before then. Regulation 23 (and Schedule 7) set out the form of notice to be given to the donor, and to his relatives, when an attorney under an enduring power intends to apply for registration. Regulation 23 also requires that the notice be given to the donor personally, together with an explanation of its effect. Regulations 24 to 28 (and Schedule 8) specify certain other requirements applying to the registration process and regulation 29 specifies steps to be taken if an instrument creating an enduring power of attorney is lost or destroyed after it has been registered.

Part 4 of the Regulations confers a number of specific functions on the Public Guardian. It also makes provision in connection with functions conferred on him by the Act or by these Regulations.

Additional functions are conferred by regulations 43, 45 and 48. Regulation 43 deals with the making of applications to the Court of Protection, regulation 45 sets out functions in relation to persons who are authorised to carry out a particular transaction and regulation 48 sets out functions in relation to enduring powers of attorney.

There are also provisions relating to the registers which the Public Guardian is required to maintain under the Act (regulations 30 to 32); relating to the giving of any security and the replacement, maintenance, enforcement or discharge of a security which has been endorsed (regulations 33 to 37); relating to the information that a deputy appointed by the Court of Protection must give to the Public Guardian (regulations 38 to 41); and relating to the review of a decision made by the Public Guardian in relation to a deputy (regulation 42). Regulations 44, 46

and 47 make provision in connection with a number of other areas where the Public Guardian has functions, including the requirements to be met when visits on any person are carried out by, or at the direction of, the Public Guardian (regulation 48).
