2007 No. 1264

The Education (Supply of Information about the
School Workforce) (England) Regulations 2007

Provision of information to authorities by schools maintained by them

4. On receiving a request from the authority by which a school is maintained, the proprietor of that school must provide to that authority such information referred to in Schedule 1 to these Regulations as is so requested concerning each qualifying worker or qualifying trainee employed at or otherwise engaged to work at that school.
