**2007 No. 1554**

**The St Mary's (Isles of Scilly) Harbour Revision Order 2007**

**Power to dredge for purposes of works**

7.—(1) The undertaker, for the purposes of constructing and maintaining the works may from time to time deepen, widen, dredge, scour, cleanse, alter and improve the bed of the sea and foreshore of the harbour and may blast any rock within the harbour.

(2) Subject to paragraph (3), all materials dredged up or removed by the undertaker in exercise of the powers conferred by this article shall continue to belong to the person from whose land they were dredged or removed.

(3) No such materials shall be laid down or deposited—

- (a) in contravention of the provisions of any enactment as respects the disposal of waste; or
- (b) in any place below the level of high water otherwise than in such position and under such conditions and restrictions as may be approved or prescribed by the Secretary of State.
