EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Charges for Drugs and Appliances) Regulations 2000 (“the Charges Regulations”) and the National Health Service (Travel Expenses and Remission of Charges) Regulations 2003 (“the 2003 Regulations”).

Regulations 2 and 3 amend regulations 5 and 6A of the Charges Regulations to provide that no charge is to be made and recovered for the supply of a drug for the treatment of tuberculosis to a patient whom the person supplying the drug accepts is suffering from tuberculosis where the supply of the drug is made by an NHS Trust, NHS Foundation Trust or Primary Care Trust or in accordance with a Patient Group Direction.

In calculating a person’s resources and requirements under the 2003 Regulations in order to establish whether a person can claim entitlement to the remission of NHS charges and the payment of NHS travel expenses, a modified version of the Income Support (General) Regulations 1987 is used, as set out in Schedule 1 to the 2003 Regulations.

These Regulations modify Schedule 1 to provide that any additional loan, the eligibility for which is set out in the Student Support in Scotland Guide issued by the Student Awards Agency for Scotland, and which is paid under the Education (Student Loans) (Scotland) Regulations 2007, should be disregarded in the calculation of a student’s loan income.
