2007 No. 2399

The Zoonoses (Monitoring) (England) Regulations 2007

Monitoring wild animals

7. If the Secretary of State prepares a programme for the monitoring of zoonoses or zoonotic agents in wild animals that includes the taking of—

- (a) any sample from a live wild animal; or
- (b) any egg or sample from the temporary or permanent resting place or nest of a wild animal,

he must consult Natural England before monitoring commences.
