The National Park Authorities' Traffic Orders  
(Procedure) (England) Regulations 2007

PART 2

Traffic Regulation Orders

**Consultation before publication of proposals**

4. Where a National Park authority proposes to make a traffic regulation order it must, before publishing a notice of proposals pursuant to regulation 5(1)(a), consult the persons specified in the second column of the table in Schedule 1 in the cases specified in the third column of that table.
