The Air Navigation (Overseas Territories) Order 2007

PART VI

OPERATION OF AIRCRAFT

Minimum navigation performance

50.—(1) An aircraft registered in the Territory shall not fly in North Atlantic or other Notified Minimum Navigation Performance Specification airspace unless it is equipped with navigation systems which enable the aircraft to maintain the navigation performance capability specified in regulation 3 in Schedule 9.

(2) The equipment required by paragraph (1) shall—

- (a) be approved by the Governor;
- (b) installed and maintained in a manner approved by the Governor; and
- (c) while the aircraft is flying in the said airspace, be operated in accordance with procedures approved by the Governor.
