

SCHEDULE

REGULATION OF THE INTERGOVERNMENTAL COMMISSION ON THE SAFETY OF THE CHANNEL FIXED LINK

Chapter 5

Provisions relating to rolling stock

Authorisation of railway undertakings' in-use rolling stock

66. Any approval or authorisation of rolling stock for use on the Fixed Link, (including revisions to it), issued by the Intergovernmental Commission and which is current immediately before the date this Regulation comes into force, shall be deemed to be an authorisation within the meaning of Article 61 above.
