
EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations abolish the Dairy Produce Quota Tribunals (regulation 2) and make consequential amendments to the Dairy Produce Quotas (General Provisions) Regulations 2002 ([S.I. 2002/458](#)). These Regulations also make consequential amendments to the Agriculture Act 1986 (regulation 4) and repeal and revoke various other enactments (Part 1 of the Schedule). Disputes concerning the allocation of quota, which would previously have been considered by a Dairy Produce Quota Tribunal, will instead be considered under the relevant Common Agricultural Policy Non-IACS Support Schemes Appeals procedure.

These Regulations also revoke secondary legislation concerning Milk (Community Outgoers) schemes in the United Kingdom (Part 2 of the Schedule), as these schemes are no longer in operation.

A full regulatory impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
