

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Commons Registration (Objections and Maps) Regulations 1968 so as to enable the registration of certain land or rights, whose provisional registration in the register of common land or town or village greens could not otherwise become final in consequence of a court order, either to be made final or be removed from the register.

A full regulatory impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
