
STATUTORY INSTRUMENTS

2007 No. 991

The Energy Performance of Buildings (Certificates and Inspections) (England and Wales) Regulations 2007

PART 6

Register of certificates, recommendation reports and advisory reports

Disclosures generally

33.—(1) The keeper of the register may only disclose any document or data entered onto the register if authorised by this Part.

(2) In this Part, a reference to the disclosure of a document includes a reference to the disclosure of information derived from a document.
