Part 5 Inspection of certificates

You are entitled to inspect the certificates (if any) given by doctors under regulation 16(1)(c)(i) of the Cremation (England and Wales) Regulations 2008 (forms Cremation 4 and Cremation 5). If you do not wish to inspect any such certificates yourself you may nominate another person to inspect them instead of you.

Such certificates will only be available for inspection at the offices of the cremation authority for **48 hours** from the time that the cremation authority notifies you, or the person you have nominated, that the certificates are available to be inspected. You may take someone with you when you attend to inspect the certificates. If you, or the person nominated by you, do not attend to inspect the certificates at the time agreed with the cremation authority, the cremation may then proceed.

Please state if you would like to inspect the certificates given by the doctors or whether you would like to nominate someone else to do so instead and give a contact telephone number.

Option 2: Ashes to be collected from the crematorium

Please give further details of your wishes here, such as who will collect the ashes (for instance you and / or another family member, the funeral director, or another specified person); and by which date, if known. The person collecting the ashes should bring a form of identification.

Please give further details of your wishes here, for instance where and for how long the ashes should be held awaiting your decision.

When you have later made a decision, please confirm this, in writing with your signature, to your funeral director or crematorium.

Part 7 Recovery of ashes

Despite every effort being made to recover ashes following a cremation, on very rare occasions (particularly with a cremation of stillborn children) there may be no recoverable ashes. If you have any questions about this, please ask your funeral director or crematorium.

Please tick the box below to confirm that you understand this and that you wish to proceed with the cremation.

Part 8 Statement of truth

I apply for the body of the person who has died to be cremated and I certify that I am at least 16 years of age.

I believe that the facts given in this application are true. I am aware that it is an offence to wilfully make a false statement with a view to obtaining the cremation of any human remains.

Part 2 Certification of coroner

I certify that:	
-----------------	--

Π

a post-mortem examination of the body of the deceased has been made by my direction or
at my request and as a result I am satisfied that an investigation is unnecessary.

during the course of my investigation the cause of death became clear and I am satisfied that it is unnecessary to continue the investigation.

I have commenced an investigation into the death of the deceased.

the death occurred outside the British Islands and no post-mortem examination or investigation is necessary.

In my opinion there is no need for any further examination of the body.
