EXPLANATORY NOTE

(This note is not part of the Order)

The Education (Listed Bodies) (England) Order 2007 (the “2007 Order”) lists the name of every body which is not a recognised body within section 216(4) of the Education Reform Act 1988 (the “1988 Act”) but which appears to the Secretary of State either:

- (a) to provide a course which is in preparation for a degree to be granted by such a recognised body and is approved by or on behalf of that body; or
- (b) to be a constituent college, school, hall or other institution of a university which is such a recognised body.

This Order amends the 2007 Order and updates the list of bodies contained in the Schedule to that Order. A number of bodies are omitted from the Schedule as they no longer provide courses which are approved by or on behalf of a recognised body. The Schedule includes bodies that were not listed in previous Orders, but which now provide courses that are approved by or on behalf of the recognised body. A number of minor amendments have also been made to the Schedule to take account of the name changes since the 2007 Order was made.

A regulatory impact assessment has not been produced for this instrument as no impact on the private, voluntary or public sectors is foreseen.
