Charges

3.—(1) The Agency shall, subject to the following provisions of this regulation, notify the operator of each slaughterhouse, game-handling establishment and cutting plant in which official controls have been exercised in any accounting period of an official controls charge in respect of those official controls as soon as practicable after the end of that period.

(2) Where the Agency cannot comply with paragraph (1) because it has insufficient information available to it to enable it to calculate the official controls charge for any accounting period in respect of any such premises as are specified in that paragraph, it shall notify the operator of those premises of an interim charge, being such amount as the Agency estimates (having regard to the information it has) the official controls charge to be.

(3) Where the Agency has notified an operator of an interim charge in accordance with paragraph (2), and sufficient information becomes available to the Agency to calculate the official controls charge, it shall calculate that charge and —

- (a) where it exceeds the interim charge, notify the operator of the final charge, being the amount by which the official controls charge exceeds the interim charge; or
- (b) subject to paragraph (6), where it is less than the interim charge, credit to the operator the amount by which the interim charge exceeds the official controls charge.

(4) Any charge notified to an operator under paragraph (1), (2) or (3) shall be payable by him to the Agency on demand.

(5) Where any agreed slaughterhouse staff costs have been used to calculate a charge falling to be notified under paragraph (1), (2) or (3), those costs shall be set off against the amount of that charge in calculating the actual charge notified thereunder, provided that no refund shall be made to the relevant operator.

(6) Where under paragraph (3)(b) a sum is to be credited to an operator, the Agency may if it so determines pay such sum to the operator concerned instead of crediting it to him.

Withdrawal of official controls

4. Where the Agency has had judgment entered against an operator of any premises for any sum which is payable to it under regulation 3(4) and the operator fails within a reasonable time thereafter to satisfy the judgment, the Agency may (regardless of any other legal remedy open to it) refuse to exercise any further official controls at those premises until the judgment has been satisfied.

Information
