(6) Where more than one descriptor specified for an activity apply to a claimant, only the descriptor with the highest score in respect of each activity which applies is to be counted.

(7) Where a claimant—

**Calculation of weekly amount of income**

**94.**—(1) For the purposes of regulation 91 (calculation of earnings derived from employed earner's employment and income other than earnings) and Chapter 2 of Part 9 (deductions from contributory allowance), subject to paragraphs (2) to (8), where the period in respect of which a payment is made—

- (a) does not exceed a week, the weekly amount is to be the amount of that payment;

- (i) in a case where that period is a month, by multiplying the amount of the payment by 12 and dividing the product by 52;
  - (ii) in a case where that period is 3 months, by multiplying the amount of the payment by 4 and dividing the product by 52;
  - [<sup>F241</sup>(iii) in a case where that period is a year and the payment is an award of working tax credit, by dividing the payment by the number of days in the year and multiplying the result by 7;]
  - [<sup>F241</sup>(iiia) in a case where that period is a year and the payment is income other than an award of working tax credit, by dividing the amount of the payment by 52;]
  - (iv) in any other case by multiplying the amount of the payment by 7 and dividing the product by the number equal to the number of days in the period in respect of which it is made.

(2) Where a payment for a period not exceeding a week is treated under regulation 93(1)(a) (date on which income is treated as paid) as paid before the first benefit week and a part is to be taken into account for some days only in that week (the relevant days), the amount to be taken into account for the relevant days is to be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(3) Where a payment is in respect of a period equal to or in excess of a week and a part thereof is to be taken into account for some days only in a benefit week (the relevant days), the amount to be taken into account for the relevant days is, except where paragraph (4) applies, to be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(4) In the case of a payment of—

- (a) maternity allowance, short-term or long-term incapacity benefit or severe disablement allowance, the amount to be taken into account for the relevant days is to be the amount of benefit payable in respect of those days;

(5) Except in the case of a payment which it has not been practicable to treat under regulation 93(1)(b) (date on which income is treated as paid) as paid on the first day of the benefit week in which it is due to be paid, where a payment of income from a particular source is or has been paid regularly and that payment falls to be taken into account in the same benefit week as a payment of the same kind and from the same source, the amount of that income to be taken into account in any one benefit week is not to exceed the weekly amount determined under paragraph (1)(a) or (b) of the payment which under regulation 93(1)(b) is treated as paid first.

(6) Where the amount of the claimant's income fluctuates and has changed more than once, or a claimant's regular pattern of work is such that the claimant does not work every week, the foregoing paragraphs may be modified so that the weekly amount of the claimant's income is determined by reference to the claimant's average weekly income—

- (a) if there is a recognisable cycle of work, over the period of one complete cycle (including, where the cycle involves periods in which the claimant does no work, those periods but disregarding any other absences);
- (b) in any other case, over a period of 5 weeks or such other period as may, in the particular case, enable the claimant's average weekly income to be determined more accurately.

*Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008. (See end of Document for details)*

(7) Where income is taken into account under paragraph (4) of regulation 91 over the period specified in that paragraph, the amount of that income to be taken into account in respect of any week in that period is to be an amount equal to the amount of that income which would have been taken into account under regulation 132 (calculation of grant income) had the person to whom that income was paid not ceased to be a full-time student.

## CHAPTER 5

### Participants in the self-employment route

#### Interpretation

**100.** In this Chapter “special account” means, where a claimant was carrying on a commercial activity in respect of which assistance is received under the self-employment route, the account into which the gross receipts from that activity were payable during the period in respect of which such assistance was received.

#### Treatment of gross receipts of participants in the self-employment route

**101.** The gross receipts of a commercial activity carried on by a claimant in respect of which assistance is received under the self-employment route, are to be taken into account in accordance with the following provisions of this Chapter.

#### Calculation of income of participants in the self-employment route

**102.—**(1) The income of a claimant who has received assistance under the self-employment route is to be calculated by taking into account the whole of the monies in the special account at the end of the last day on which such assistance was received and deducting from those monies—

- (a) an amount in respect of income tax calculated in accordance with regulation 103 (deduction in respect of tax for participants in the self-employment route); and
- (b) any sum to which paragraph (4) refers.

(2) Income calculated pursuant to paragraph (1) is to be apportioned equally over a period which starts on the date the income is treated as paid under paragraph (3) and is equal in length to the period beginning with the day on which assistance was first received under the self-employment route and ending on the last day on which such assistance was received.

(3) Income calculated pursuant to paragraph (1) is to be treated as paid—

- (a) in the case where it is due to be paid before the first benefit week in respect of which the participant or the participant's partner first claims an income-related allowance following the last day on which assistance was received under the self-employment route, on the day in the week in which it is due to be paid which corresponds to the first day of the benefit week;
- (b) in any other case, on the first day of the benefit week in which it is due to be paid.

(4) This paragraph refers, where applicable in each benefit week in respect of which income calculated pursuant to paragraph (1) is taken into account pursuant to paragraphs (2) and (3), to the sums which would have been disregarded under paragraph 7(1) of Schedule 7 had the income been earnings.

#### Deduction in respect of tax for participants in the self-employment route

**103.—**(1) The amount to be deducted in respect of income tax under regulation 102(1)(a) (calculation of income of participants in the self-employment route) in respect of the period determined under regulation 102(2) is to be calculated as if—

- (a) the chargeable income is the only income chargeable to tax;
- (b) the personal allowance applicable to the person receiving assistance under the self-employment route by virtue of sections 35 and 45 to 55 of the Income Tax Act 2007 is allowable against that income; and

(c) the rate at which the chargeable income less the personal allowance is assessable to income tax is the <sup>F260</sup>... basic rate of tax.

(2) For the purpose of paragraph (1), the [<sup>F261</sup>basic rate] of tax to be applied and the amount of the personal allowance deductible is, where the period determined under regulation 102(2) is less than a year, to be calculated on a pro rata basis.

(3) In this regulation, “chargeable income” means the monies in the special account at the end of the last day upon which assistance was received under the self-employment route.

CHAPTER 6

Other income

**Calculation of income other than earnings**

**104.**—(1) For the purposes of regulation 91 (calculation of earnings derived from employed earner's employment and income other than earnings) <sup>F262</sup>... the income of a claimant which does not consist of earnings to be taken into account will, subject to paragraphs (2) to (7), be the claimant's gross income and any capital treated as income under regulation 105 (capital treated as income).

(2) There is to be disregarded from the calculation of a claimant's gross income under paragraph (1), any sum, where applicable, specified in Schedule 8.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under paragraph (1) is to be the gross amount payable.

(4) [<sup>F263</sup>Paragraphs (5) and (5A) apply] where—

- (a) a relevant payment has been made to a claimant in an academic year; and
- (b) that claimant abandons, or is dismissed from, that claimant's course of study before the payment to the claimant of the final instalment of the relevant payment.

(5) [<sup>F264</sup>Where a relevant payment is made quarterly, the] amount of a relevant payment to be taken into account for the assessment period for the purposes of paragraph (1) in respect of a claimant to whom paragraph (4) applies, is to be calculated by applying the formula—

$$\frac{A - (B \times C)}{D}$$

where—

A = the total amount of the relevant payment which that claimant would have received had that claimant remained a student until the last day of the academic term in which the person abandoned, or was dismissed from, the course, less any deduction under regulation 137(6) (treatment of student loans);

B = the number of benefit weeks from the benefit week immediately following that which includes the first day of that academic year to the benefit week immediately before that which includes the day on which the claimant abandoned, or was dismissed from, that claimant's course;

*Status: Point in time view as at 01/08/2012.*

*Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008. (See end of Document for details)*

C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under regulation 137(3) had the claimant not abandoned or been dismissed from, the course and, in the case of a claimant who was not entitled to an income-related allowance immediately before that claimant abandoned or was dismissed from the course, had that claimant, at that time, been entitled to an income-related allowance;

D = the number of benefit weeks in the assessment period.

[<sup>F265</sup>(5A) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of paragraph (1) in respect of a person to whom paragraph (4) applies, shall be calculated by applying the formula in paragraph (5) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under regulation 137(6).]

(6) [<sup>F266</sup>In this regulation]—

“academic year” and “student loan” have the same meanings as for the purposes of Chapter 10 of this Part;

[<sup>F267</sup>“assessment period” means—

- (a) in a case where a relevant payment is made quarterly, the period beginning with the benefit week which includes the day on which the claimant abandoned, or was dismissed from, the course and ending with the benefit week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that claimant;
- (b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the benefit week which includes the day on which the claimant abandoned, or was dismissed from, the course and ending with the benefit week which includes—
  - (i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or
  - (ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that claimant,

whichever of those dates is earlier;]

“quarter” for the purposes of the definition of “assessment period” in relation to an academic year means a period in that year—

- (a) beginning on 1st January and ending on 31st March;
- (b) beginning on 1st April and ending on 30th June;
- (c) beginning on 1st July and ending on 31st August; or
- (d) beginning on 1st September and ending on 31st December;

“relevant payment” means either a student loan or an amount intended for the maintenance of dependants referred to in regulation 132(6) (calculation of grant income) or both.

(7) In the case of income to which regulation 91(4) (calculation of income of former students) applies, the amount of income to be taken into account for the purposes of paragraph (1) is to be the amount of that income calculated in accordance with regulation 94(7) (calculation of weekly amount of income) and on the basis that none of that income has been repaid.

(8) Subject to paragraph (9), for the avoidance of doubt there is to be included as income to be taken into account under paragraph (1)—

- (a) any payment to which regulation 95(2) or 97(2) (payments not earnings) applies; or

- (b) in the case of a claimant who is receiving support provided under section 95 or 98 of the Immigration and Asylum Act <sup>F268</sup> including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the claimant and the claimant's partner (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to that Act.

(9) In the case of a claimant who is the partner of a person subject to immigration control and whose partner is receiving support provided under section 95 or 98 of the Immigration and Asylum Act including support provided by virtue of regulations made under Schedule 9 to that Act, there is not to be included as income to be taken into account under paragraph (1) the amount of support provided in respect of essential living needs of the partner of the claimant and the claimant's dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act.

#### **Diminishing notional capital rule**

**116.—**(1) Where a claimant is treated as possessing capital under regulation 115(1) (notional capital), the amount which the claimant is treated as possessing—

- (a) in the case of a week that is subsequent to—
- (i) the relevant week in respect of which the conditions set out in paragraph (2) are satisfied; or
  - (ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under paragraph (2);
- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
- (i) that week is a week subsequent to the relevant week; and
  - (ii) that relevant week is a week in which the condition in paragraph (3) is satisfied, is to be reduced by the amount determined under paragraph (3).

(2) This paragraph applies to a benefit week or part-week where the claimant satisfies the conditions that—

- (a) the claimant is in receipt of an income-related allowance; and
- (b) but for regulation 115(1), the claimant would have received an additional amount of an income-related allowance in that benefit week or, as the case may be, that part-week,

and in such a case, the amount of the reduction for the purposes of paragraph (1)(a) is to be equal to that additional amount.

(3) Subject to paragraph (4), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to an income-related allowance in the relevant week, but for regulation 115(1), and in such a case the amount of the reduction is to be equal to the aggregate of—

- (a) the amount of an income-related allowance to which the claimant would have been entitled in the relevant week but for regulation 115(1); and for the purposes of this sub-paragraph if the relevant week is a part-week that amount is to be determined by dividing the amount

- of an income-related allowance to which the claimant would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient by 7;
- (b) the amount of housing benefit (if any) equal to the difference between the claimant's maximum housing benefit and the amount (if any) of housing benefit which the claimant is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Housing Benefit Regulations 2006 <sup>F312</sup> (interpretation), which includes the last day of the relevant week;
  - (c) the amount of council tax benefit (if any) equal to the difference between the claimant's maximum council tax benefit and the amount (if any) of council tax benefit which the claimant is awarded in respect of the benefit week which includes the last day of the relevant week, and for this purpose "benefit week" has the same meaning as in regulation 2(1) of the Council Tax Benefit Regulations 2006 <sup>F313</sup> (interpretation).
- (4) The amount determined under paragraph (3) is to be re-determined under that paragraph if the claimant makes a further claim for an income-related allowance and the conditions in paragraph (5) are satisfied, and in such a case—
- (a) sub-paragraphs (a) to (c) of paragraph (3) will apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
  - (b) subject to paragraph (6), the amount as re-determined is to have effect from the first week following the relevant subsequent week in question.
- (5) The conditions are that—
- (a) a further claim is made 26 or more weeks after—
    - (i) the date on which the claimant made a claim for an income-related allowance in respect of which the claimant was first treated as possessing the capital in question under regulation 115(1);
    - (ii) in a case where there has been at least one re-determination in accordance with paragraph (4), the date on which the claimant last made a claim for an income-related allowance which resulted in the weekly amount being re-determined; or
    - (iii) the date on which the claimant last ceased to be in receipt of an income-related allowance;whichever last occurred; and
  - (b) the claimant would have been entitled to an income-related allowance but for regulation 115(1).
- (6) The amount as re-determined pursuant to paragraph (4) is not to have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount is to continue to have effect.
- (7) For the purposes of this regulation—
- "part-week" means a period to which Part 14 (periods of less than a week) applies;
- "relevant week" means the benefit week or part-week in which the capital in question of which the claimant has deprived himself or herself within the meaning of regulation 115(1)—
- (a) was first taken into account for the purpose of determining the claimant's entitlement to an income-related allowance, a jobseeker's allowance or income support; or
  - (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining the claimant's entitlement to an income-related allowance, a jobseeker's allowance or income support on that subsequent occasion and that determination or re-determination resulted in the claimant's beginning to receive, or ceasing to receive, an income-related allowance, a jobseeker's allowance or income support;

*Status: Point in time view as at 01/08/2012.*

*Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008. (See end of Document for details)*

and where more than one benefit week or part-week is identified by reference to paragraphs (a) and (b) of this definition the later or latest such benefit week or, as the case may be, the later or latest such part-week;

“relevant subsequent week” means the benefit week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

## PART 14

### PERIODS OF LESS THAN A WEEK

#### Entitlement for less than a week – amount of an employment and support allowance payable

**165.**—(1) This regulation applies where the claimant is entitled to an employment and support allowance for a part-week and is subject to the following provisions of this Part.

(2) The amount payable by way of an income-related allowance in respect of that part-week is to be calculated by applying the formula—

- (a) where the claimant has no income—

$$\frac{(Nx A)}{7}$$

or

- (b) where the claimant has an income—

$$\frac{Nx(A - I)}{7} - B$$

where—

A is the claimant's weekly applicable amount in the relevant week;

*Status: Point in time view as at 01/08/2012.*

*Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008. (See end of Document for details)*

B is the amount of any employment and support allowance, jobseeker's allowance, income support, maternity allowance, incapacity benefit or severe disablement allowance payable to the claimant or the claimant's partner in respect of any day in the part-week;

I is the claimant's weekly income in the relevant week; and

N is the number of days in the part week.

(3) The amount payable by way of a contributory allowance in respect of a part-week is to be calculated by applying the formula—

$$\frac{(NxX) - Y}{7}$$

where—

X is the amount calculated in accordance with section 2(1) of the Act;

Y is the amount of any widow's benefit, widowed parent's allowance, bereavement allowance, training allowance, carer's allowance and any increase in disablement pension payable in accordance with Part 1 of Schedule 7 to the Contributions and Benefits Act (Unemployability Supplement) payable in respect of any day in the part-week;

N is the number of days in the part-week.

(4) In this Part—

“part-week” means an entitlement to an employment and support allowance in respect of any period of less than a week;

“relevant week” means the period of 7 days determined in accordance with regulation 166.

### **Relevant week**

**166.**—(1) Where a part-week—

- (a) is the whole period for which an employment and support allowance is payable, or occurs at the beginning of an award, the relevant week is the period of 7 days ending on the last day of that part-week; or
- (b) occurs at the end of an award, the relevant week is the period of 7 days beginning on the first day of the part-week.

(2) Where a claimant has an award of an employment and support allowance and that claimant's benefit week changes, for the purpose of calculating the amounts of an employment and support allowance payable for the part-week beginning on the day after the last complete benefit week before the change and ending immediately before the change, the relevant week is the period of 7 days beginning on the day after the last complete benefit week.

### **Modification in the calculation of income**

**167.** For the purposes of regulation 165 (entitlement for less than a week – amount of an employment and support allowance payable), a claimant's income and, in determining the amount payable by way of an income-related allowance, the income of any person which the claimant is treated as possessing under regulations made under section 17(3) of the Act, regulation 68 (polygamous marriages) or regulation 83 (calculation of income and capital of members of claimant's family and of a polygamous marriage), is to be calculated in accordance with Parts 10 (income and capital) and 13 (urgent cases) subject to the following changes—

- (a) any income which is due to be paid in the relevant week is to be treated as paid on the first day of that week;

- (b) in determining the amount payable by way of an income-related allowance, any jobseeker's allowance, employment and support allowance, income support, maternity allowance, incapacity benefit or severe disablement allowance payable in the relevant week but not in respect of any day in the part-week is to be disregarded;
- (c) the amount referred to as B in regulation 165(2) is to be disregarded;
- (d) in determining the amount payable by way of a contributory allowance, any widow's benefit, training allowance, widowed parent's allowance, bereavement allowance, carer's allowance and any increase in disablement pension payable in accordance with Part 1 of Schedule 7 to the Contributions and Benefits Act (unemployability supplement) which is payable in the relevant week but not in respect of any day in the part-week is to be disregarded;
- (e) where the part-week occurs at the end of the claim—
  - (i) any income; or
  - (ii) any change in the amount of income of the same kind, which is first payable within the relevant week but not on any day in the part-week is to be disregarded;
- (f) where only part of the weekly balance of income is taken into account in the relevant week, the balance is to be disregarded.

#### **Reduction in certain cases**

**168.** The reduction to be made in accordance with regulations 157 and 158 is an amount equal to one seventh of the reduction which would be made under those regulations for a week, multiplied by the number of days in a part-week.

#### **Payment of a contributory allowance for days of certain regular treatment**

**169.**—(1) Where a claimant is entitled to a contributory allowance as a result of being treated as having limited capability for work in accordance with regulation 26 the amount payable is to be equal to one seventh of the amount of the contributory allowance which would be payable in respect of a week in accordance with section 2(1) of the Act multiplied by N.

(2) In paragraph (1), N is the number of days in that week on which the claimant was receiving treatment referred to in regulation 26 or recovering from that treatment, but does not include any day during which the claimant does work.
