Remunerative work

2.—(1) Subject to [^{F2}sub-paragraphs (2) to (8)], a [^{F3}non-dependant (referred to in this paragraph as “person”)] is to be treated for the purposes of this Schedule as engaged in remunerative work if that person is engaged, or, where the person's hours of work fluctuate, is engaged on average, for not less than 16 hours a week, being work for which payment is made or which is done in expectation of payment.

(2) Subject to sub-paragraph (3), in determining the number of hours for which a person is engaged in work where that person's hours of work fluctuate, regard is to be had to the average of hours worked over—

- (a) if there is a recognisable cycle of work, the period of one complete cycle (including, where the cycle involves periods in which the person does no work, those periods but disregarding any other absences);
- (b) in any other case, the period of 5 weeks immediately prior to the date of claim, or such other length of time as may, in the particular case, enable the person's weekly average hours of work to be determined more accurately.

(3) Where no recognisable cycle has been established in respect of a person's work, regard is to be had to the number of hours or, where those hours will fluctuate, the average of the hours, which that person is expected to work in a week.

(4) A person is to be treated as engaged in remunerative work during any period for which that person is absent from work referred to in sub-paragraph (1) if the absence is either without good cause or by reason of a recognised, customary or other holiday.

(5) A person is not to be treated as engaged in remunerative work on any day on which the person is on maternity leave, paternity leave or adoption leave or is absent from work because the person is ill.

(6) For the purposes of this paragraph, in determining the number of hours in which a person is engaged or treated as engaged in remunerative work, no account is to be taken of any hours in which the person is engaged in an employment or a scheme to which regulation 43(1) (circumstances under which partners of persons entitled to an income-related allowance are not to be treated as engaged in remunerative work) applies.

(7) For the purposes of sub-paragraphs (1) and (2), in determining the number of hours for which a person is engaged in work, that number is to include any time allowed to that person by that person's employer for a meal or for refreshment, but only where that person is, or expects to be, paid earnings in respect of that time.

[^{F4}(8) A person is to be treated as not being engaged in remunerative work on any day in which that person falls within the circumstances prescribed in regulation 43(2) (circumstances in which partners of claimants entitled to an income-related allowance are not to be treated as engaged in remunerative work).

(9) Whether a claimant or the claimant's partner is engaged in, or to be treated as being engaged in, remunerative work is to be determined in accordance with regulations 41 or 42 (meaning of "remunerative work" for the purposes of paragraph 6(1)(e) and (f) of Schedule 1 to the Act) as the case may be.]

Previous entitlement to other income-related benefits

3.—(1) Where the claimant or the claimant's partner was in receipt of, or was treated as being in receipt of, an income-based jobseeker's allowance or income support not more than 12 weeks before one of them becomes entitled to an income-related allowance or, where the claimant or the claimant's partner is a person to whom paragraph 15(2) or (13) (linking rules) refers, not more than 26 weeks before becoming so entitled and—

- (a) the applicable amount for that income-based jobseeker's allowance or income support included an amount in respect of housing costs under paragraphs 14 to 16 of Schedule 2 to the Jobseeker's Allowance Regulations or, as the case may be, paragraphs 15 to 17 of Schedule 3 to the Income Support Regulations; and

(3) Where, in the period since housing costs were last calculated for an income-based jobseeker's allowance, income support or, as the case may be, state pension credit, there has been a change of circumstances, other than a reduction in the amount of an outstanding loan, which increases or reduces those costs, the amount to be met under this Schedule must, for the purposes of the claim for an income-related allowance, be recalculated so as to take account of that change.

(4) A full-time student is not to be treated as occupying a dwelling as that student's home for any week of absence from it, other than an absence occasioned by the need to enter hospital for treatment, outside the period of study, if the main purposes of that student's occupation during the period of study would be to facilitate attendance on that student's course.

(5) Where a claimant has been required to move into temporary accommodation by reason of essential repairs being carried out to the dwelling normally occupied as the home and that claimant is liable to make payments (including payments of mortgage interest or, in Scotland, payments under heritable securities or, in either case, analogous payments) in respect of either (but not both) the dwelling normally occupied or the temporary accommodation, that claimant must be treated as occupying as the home the dwelling in respect of which that claimant is liable to make those payments.

- (b) in the case of a couple or a member of a polygamous marriage where a partner is a full-time student or is on a training course and it is unavoidable that that student, or they, should occupy two separate dwellings and reasonable that housing costs should be met in respect of both dwellings; or
- (c) in the case where a claimant has moved into a new dwelling occupied as the home, except where sub-paragraph (5) applies, for a period not exceeding four benefit weeks from the first day of the benefit week in which the move occurs if that claimant's liability to make payments in respect of two dwellings is unavoidable.

Housing costs not met

6.—(1) No amount may be met under the provisions of this Schedule—

(a) in respect of housing benefit expenditure; or

(b) where the claimant is living in a care home, an Abbeyfield Home or an independent hospital except where the claimant is living in such a home or hospital during a temporary absence from the dwelling the claimant occupies as the home and in so far as they relate to temporary absences, the provisions of paragraph 5(8) to (12) apply to that claimant during that absence.

(2) Subject to the following provisions of this paragraph, loans which, apart from this paragraph, qualify under paragraph 16 (loans on residential property) must not so qualify where the loan was incurred during the relevant period and was incurred—

(a) after 27th October 2008; or

[^{F10}(b) after 2nd May 1994 and the housing costs applicable to that loan were not met by virtue of the former paragraph 5A of Schedule 3 to the Income Support Regulations, or paragraph 4(2)(a) of Schedule 3 to the Income Support Regulations, paragraph 4(2)(a) of Schedule 2 to the Jobseeker’s Allowance Regulations or paragraph 5(2)(a) of Schedule 2 to the State Pension Credit Regulations;]

entitlement to income support, an income-based jobseeker's allowance or state pension credit of the claimant or the claimant's partner.

(3) Sub-paragraph (2)(c) will not apply in respect of a loan where the claimant has interest payments on that loan met without restrictions under an award of income support in respect of a period commencing before 27th October 2008.

(4) The “relevant period” for the purposes of this paragraph is any period during which the person to whom the loan was made—

- (a) is entitled to an income-related allowance, an income-based jobseeker's allowance, income support or state pension credit; or
- (b) has a partner and the partner is entitled to an income-related allowance, an income-based jobseeker's allowance, income support or state pension credit,

together with any linked period, that is to say a period falling between two periods separated by not more than 26 weeks in which one of the paragraphs (a) or (b) is satisfied.

(5) For the purposes of sub-paragraph (4), a person is to be treated as entitled to an income-related allowance during any period when that person or that person's partner was not so entitled because—

- (a) that person or that person's partner was participating in an employment programme specified in regulation 75(1)(a)(ii) of the Jobseeker's Allowance Regulations or in the Intensive Activity Period specified in regulation 75(1)(a)(iv) of those Regulations; and
- (b) in consequence of such participation that person or that person's partner was engaged in remunerative work or had an income [^{F11}equal to or] in excess of the claimant's applicable amount as prescribed in Part 9.

(6) A person treated by virtue of paragraph 15 as being in receipt of an income-related allowance for the purposes of this Schedule is not to be treated as entitled to an income-related allowance for the purposes of sub-paragraph (4).

(7) For the purposes of sub-paragraph (4)—

- (a) any week in the period of 26 weeks ending on 1st October 1995 on which there arose an entitlement to income support such as is mentioned in that sub-paragraph must be taken into account in determining when the relevant period commences; and
- (b) two or more periods of entitlement and any intervening linked periods must together form a single relevant period.

(8) Where the loan to which sub-paragraph (2) refers has been applied—

- (a) for paying off an earlier loan, and that earlier loan qualified under paragraph 16 during the relevant period; or
- (b) to finance the purchase of a property where an earlier loan, which qualified under paragraph 16 or 17 during the relevant period in respect of another property, is paid off (in whole or in part) with monies received from the sale of that property,

then the amount of the loan to which sub-paragraph (2) applies is the amount (if any) by which the new loan exceeds the earlier loan.

(9) Notwithstanding the preceding provisions of this paragraph, housing costs must be met in any case where a claimant satisfies any of the conditions specified in sub-paragraphs (10) to (13), but—

- (a) those costs must be subject to any additional limitations imposed by the sub-paragraph; and
- (b) where the claimant satisfies the conditions in more than one of these sub-paragraphs, only one of them will apply in that claimant's case and the one that applies will be the one most favourable to the claimant.

(10) The conditions specified in this sub-paragraph are that—

Status: Point in time view as at 09/04/2012.

Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008, SCHEDULE 6. (See end of Document for details)

- (a) during the relevant period the claimant or a member of the claimant's family acquires an interest (“the relevant interest”) in a dwelling which that claimant then occupies or continues to occupy, as the home; and
- (b) in the week preceding the week in which the relevant interest was acquired, housing benefit was payable to the claimant or a member of the claimant's family,

so however that the amount to be met by way of housing costs will initially not exceed the aggregate of—

- (i) the housing benefit payable in the week mentioned at sub-paragraph (10)(b); and
- (ii) any amount included in the applicable amount of the claimant or a member of the claimant's family in accordance with regulation 67(1)(c) or 68(1)(d) in that week,

and is to be increased subsequently only to the extent that it is necessary to take account of any increase, arising after the date of the acquisition, in the standard rate or in any housing costs which qualify under paragraph 18 (other housing costs).

(11) The condition specified in this sub-paragraph is that the loan was taken out, or an existing loan increased, to acquire alternative accommodation more suited to the special needs of a disabled person than the accommodation which was occupied before the acquisition by the claimant.

(12) The conditions specified in this sub-paragraph are that—

- (a) the loan commitment increased in consequence of the disposal of the dwelling occupied as the home and the acquisition of an alternative such dwelling; and
- (b) the change of dwelling was made solely by reason of the need to provide separate sleeping accommodation for ^{F12}persons of different sexes aged 10 or over but aged under 20] who belong to the same family as the claimant.

(13) The conditions specified in this sub-paragraph are that—

- (a) during the relevant period the claimant or a member of the claimant's family acquires an interest (“the relevant interest”) in a dwelling which that claimant then occupies as the home; and
- (b) in the week preceding the week in which the relevant interest was acquired, the applicable amount of the claimant or a member of the claimant's family included an amount determined by reference to paragraph 18 and did not include any amount specified in paragraph 16 or paragraph 17,

so however that the amount to be met by way of housing costs will initially not exceed the amount so determined, and will be increased subsequently only to the extent that it is necessary to take account of any increase, arising after the date of acquisition, in the standard rate or in any housing costs which qualify under paragraph 18.

(14) The following provisions of this Schedule will have effect subject to the provisions of this paragraph.

General provisions applying to new and existing housing costs

12.—(1) Where on or after 2nd October 1995 a person enters into a new agreement in respect of a dwelling and an agreement entered into before 2nd October 1995 (“the earlier agreement”) continues in force independently of the new agreement, then—

- (a) the housing costs applicable to the new agreement are to be calculated by reference to the provisions of paragraph 9 (new housing costs);
- (b) the housing costs applicable to the earlier agreement are to be calculated by reference to the provisions of paragraph 8 (existing housing costs);

and the resulting amounts are to be aggregated.

(2) Sub-paragraph (1) does not apply in the case of a claimant to whom paragraph 10 applies.

(3) Where for the time being a loan exceeds, or in a case where more than one loan is to be taken into account, the aggregate of those loans exceeds the appropriate amount specified in sub-paragraph (4), then the amount of the loan or, as the case may be, the aggregate amount of those loans, will for the purposes of this Schedule, be the appropriate amount.

(4) Subject to the following provisions of this paragraph, the appropriate amount is £100,000.

(5) Where a claimant is treated under paragraph 5(6) (payments in respect of two dwellings) as occupying two dwellings as the home, then the restrictions imposed by sub-paragraph (3) are to be applied separately to the loans for each dwelling.

(6) In a case to which paragraph 7 (apportionment of housing costs) applies, the appropriate amount for the purposes of sub-paragraph (3) is to be the lower of—

- (a) a sum determined by applying the formula—

$$P \times Q$$

where—

P = the relevant fraction for the purposes of paragraph 7; and

Q = the amount or, as the case may be, the aggregate amount for the time being of any loan or loans which qualify under this Schedule; or

(b) the sum for the time being specified in sub-paragraph (4).

(7) In a case to which paragraph 16(3) or 17(3) (loans which qualify in part only) applies, the appropriate amount for the purposes of sub-paragraph (3) is to be the lower of—

(a) a sum representing for the time being the part of the loan applied for the purposes specified in paragraph 16(1) or (as the case may be) paragraph 17(1); or

(b) the sum for the time being specified in sub-paragraph (4).

(8) In the case of any loan to which paragraph 17(2)(k) (loan taken out and used for the purpose of adapting a dwelling for the special needs of a disabled person) applies the whole of the loan, to the extent that it remains unpaid, is to be disregarded in determining whether the amount for the time being specified in sub-paragraph (4) is exceeded.

(9) Where in any case the amount for the time being specified for the purposes of sub-paragraph (4) is exceeded and there are two or more loans to be taken into account under either or both paragraphs 16 and 17, then the amount of eligible interest in respect of each of those loans to the extent that the loans remain outstanding is to be determined as if each loan had been reduced to a sum equal to the qualifying portion of that loan.

(10) For the purposes of sub-paragraph (9), the qualifying portion of a loan is to be determined by applying the following formula—

$$R \times \frac{S}{T}$$

where—

R = the amount for the time being specified for the purposes of sub-paragraph (3);

S = the amount of the outstanding loan to be taken into account; and

T = the aggregate of all outstanding loans to be taken into account under paragraphs 16 and 17.

[^{F19}(11) Sub-paragraph (12) applies to a person who, had the person been entitled to income support and not an employment and support allowance, would have been a person to whom any of the following transitional or savings provisions would have applied—

(a) regulation 4 of the Income Support (General) Amendment No. 3 Regulations 1993 (“the 1993 Regulations”);

(b) regulation 28 of the Income-related Benefits Schemes (Miscellaneous Amendments) Regulations 1995 (“the 1995 Regulations”).

(12) Where this sub-paragraph applies, the amount of housing costs applicable in the particular case shall be determined as if—

(a) in a case to which regulation 4(1) of the 1993 Regulations would have applied, sub-paragraphs 12(4) to (9) do not apply;

(b) in a case to which regulation 4(4) of the 1993 Regulations would have applied, the appropriate amount is £150,000; and

(c) in a case to which the 1995 Regulations would have applied, the appropriate amount is £125,000.]

[^{F20}(2) [^{F21}The standard rate is to be the average mortgage rate published by the Bank of England in August 2010. (2C) The average mortgage rate published on that reference day then becomes the new standard rate in accordance with sub-paragraph (2D).

Excessive Housing Costs

14.—(1) Housing costs which, apart from this paragraph, fall to be met under this Schedule are to be met only to the extent specified in sub-paragraph (3) where—

- (a) the dwelling occupied as the home, excluding any part which is let, is larger than is required by the claimant, that claimant's partner (if the claimant has a partner), any person under the age of 20 and any other non-dependants having regard, in particular, to suitable alternative accommodation occupied by a household of the same size; or
- (b) the immediate area in which the dwelling occupied as the home is located is more expensive than other areas in which suitable alternative accommodation exists; or
- (c) the outgoings of the dwelling occupied as the home which are met under paragraphs 16 to 18 are higher than the outgoings of suitable alternative accommodation in the area.

(2) For the purposes of paragraphs (a) to (c) of sub-paragraph (1), no regard is to be had to the capital value of the dwelling occupied as the home.

(3) Subject to the following provisions of this paragraph, the amount of the loan which falls to be met is to be restricted and the excess over the amounts which the claimant would need to obtain suitable alternative accommodation will not be allowed.

(4) Where, having regard to the relevant factors, it is not reasonable to expect the claimant and the claimant's partner to seek alternative cheaper accommodation, no restriction is to be made under sub-paragraph (3).

(5) In sub-paragraph (4) “the relevant factors” are—

- (a) the availability of suitable accommodation and the level of housing costs in the area; and
- (b) the circumstances of the claimant and those who live with the claimant, including, in particular, the age and state of health of any of those persons, the employment prospects of the claimant and, where a change in accommodation is likely to result in a change of school, the effect on the education of any person below the age of 20 who lives with the claimant.

(6) Where sub-paragraph (4) does not apply and the claimant or the claimant's partner was able to meet the financial commitments for the dwelling occupied as the home when these were entered into, no restriction is to be made under this paragraph during the 26 weeks immediately following the date on which—

- (a) the claimant became entitled to an income-related allowance where the claimant's housing costs fell within one of the cases in sub-paragraph (1) on that date; or

Status: Point in time view as at 09/04/2012.

Changes to legislation: There are currently no known outstanding effects for the The Employment and Support Allowance Regulations 2008, SCHEDULE 6. (See end of Document for details)

- (b) a decision took effect which was made under section 10 of the Social Security Act 1998 on the ground that the claimant's housing costs fell within one of the cases in sub-paragraph (1),

nor during the next 26 weeks if and so long as the best endeavours of the claimant are used to obtain cheaper accommodation.

(7) For the purposes of calculating any period of 26 weeks referred to in sub-paragraph (6), and for those purposes only, a person is to be treated as entitled to an income-related allowance for any period of 12 weeks or less in respect of which that person was not in receipt of an income-related allowance and which fell immediately between periods in respect of which that person was in receipt of that allowance.

(8) Any period in respect of which—

- (a) an income-related allowance was paid to a claimant; and
 (b) it was subsequently determined that such a claimant was not entitled to an income-related allowance for that period,

will be treated for the purposes of sub-paragraph (7) as a period in respect of which that claimant was not in receipt of an income-related allowance.

(9) Paragraphs (c) to (f) of sub-paragraph (1) of paragraph 15 will apply to sub-paragraph (7) as they apply to paragraphs 8 and 9 but with the modification that the words “Subject to sub-paragraph (2)” were omitted and references to “the claimant” were references to the person mentioned in sub-paragraph (7).

(10) References to an income-related allowance in sub-paragraphs (6) and (7) must be treated as including references to income support, income-based jobseeker's allowance and state pension credit in respect of any period which falls immediately before the appointed day.

[^{F33}(10) Subject to sub-paragraph (11), for the purposes of this Schedule, a claimant is to be treated as entitled to an income-related allowance throughout any period of not more than 39 weeks following the refusal of a claim for an income-related allowance made by or on behalf of the claimant, if the claimant is a person to whom sub-paragraph (8) applies and who is—

(19) For the purpose of determining whether the linking rules set out in this paragraph apply in a case where a claimant's former partner was entitled to state pension credit, any reference to an

income-related allowance in this Schedule is to be taken to include also a reference to state pension credit.

(20) Where a person is one to whom regulation 6(5) of the Income Support Regulations (persons not treated as engaged in remunerative work) applies, the period prescribed in paragraph (6) of that regulation is not to be included for the purposes of any linking rule or for determining whether any qualifying or other period is satisfied.

- (a) acquiring an interest in the dwelling occupied as the home; or
- (b) paying off another loan to the extent that the other loan would have qualified under paragraph (a) above had the loan not been paid off.

(2) For the purposes of this paragraph, references to a loan include also a reference to money borrowed under a hire purchase agreement for any purpose specified in paragraphs (a) and (b) of sub-paragraph (1).

(3) Where a loan is applied only in part for the purposes specified in paragraphs (a) and (b) of sub-paragraph (1), only that portion of the loan which is applied for that purpose will qualify under this paragraph.

Loans for repairs and improvements to the dwelling occupied as the home

17.—(1) A loan qualifies under this paragraph where the loan was taken out, with or without security, for the purpose of—

- (a) carrying out repairs and improvements to the dwelling occupied as the home;
- (b) paying any service charge imposed to meet the cost of repairs and improvements to the dwelling occupied as the home;
- (c) paying off another loan to the extent that the other loan would have qualified under paragraph (a) or (b) of this sub-paragraph had the loan not been paid off,

and the loan was used for that purpose, or is used for that purpose within 6 months of the date of receipt or such further period as may be reasonable in the particular circumstances of the case.

(2) In sub-paragraph (1) “repairs and improvements” means any of the following measures undertaken with a view to maintaining the fitness of the dwelling for human habitation or, where the dwelling forms part of a building, any part of the building containing that dwelling—

- (a) provision of a fixed bath, shower, wash basin, sink or lavatory, and necessary associated plumbing, including the provision of hot water not connected to a central heating system;
- (b) repairs to existing heating systems;
- (c) damp proof measures;
- (d) provision of ventilation and natural lighting;

- (k) adapting a dwelling for the special needs of a disabled person; or
- (l) provision of separate sleeping accommodation for persons of different sexes aged 10 or over but under age 20 who live with the claimant and for whom the claimant or partner is responsible.

(3) Where a loan is applied only in part for the purposes specified in sub-paragraph (1), only that portion of the loan which is applied for that purpose will qualify under this paragraph.

Other housing costs

18.—(1) Subject to the deduction specified in sub-paragraph (2) and the reductions applicable in sub-paragraph (5), there are to be met under this paragraph the amounts, calculated on a weekly basis, in respect of the following housing costs—

- (a) payments by way of rent or ground rent relating to a long tenancy;
- (b) service charges;
- (c) payments by way of rentcharge within the meaning of section 1 of the Rentcharges Act 1977^{F36};
- (d) payments under a co-ownership scheme;
- (e) payments under or relating to a tenancy or licence of a Crown tenant;
- (f) where the dwelling occupied as the home is a tent, payments in respect of the tent and the site on which it stands.

(2) Subject to sub-paragraph (3), the deductions to be made from the weekly amounts to be met under this paragraph are—

- (a) where the costs are inclusive of any of the items mentioned in paragraph 6(2) of Schedule 1 to the Housing Benefit Regulations 2006^{F37} (payment in respect of fuel charges), the deductions prescribed in that paragraph unless the claimant provides evidence on which the actual or approximate amount of the service charge for fuel may be estimated, in which case the estimated amount;
- (b) where the costs are inclusive of ineligible service charges within the meaning of paragraph 1 of Schedule 1 to the Housing Benefit Regulations 2006 (ineligible service charges) the amounts attributable to those ineligible service charges or where that amount is not separated from or separately identified within the housing costs to be met under this paragraph, such part of the payments made in respect of those housing costs which are fairly attributable to the provision of those ineligible services having regard to the costs of comparable services;
- (c) any amount for repairs and improvements, and for this purpose the expression “repairs and improvements” has the same meaning it has in paragraph 17(2).

(3) Where arrangements are made for the housing costs, which are met under this paragraph and which are normally paid for a period of 52 weeks, to be paid instead for a period of 53 weeks, or to be paid irregularly, or so that no such costs are payable or collected in certain periods, or so that the costs for different periods in the year are of different amounts, the weekly amount will be the amount payable for the year divided by 52.

(4) Where the claimant or a member of the claimant's family—

- (a) pays for reasonable repairs or redecorations to be carried out to the dwelling they occupy; and
- (b) that work was not the responsibility of the claimant or any member of the claimant's family; and
- (c) in consequence of that work being done, the costs which are normally met under this paragraph are waived,

then those costs will, for a period not exceeding 8 weeks, be treated as payable.

(5) Where in England and Wales an amount calculated on a weekly basis in respect of housing costs specified in sub-paragraph (1)(e) includes water charges, that amount is to be reduced—

costs and not new housing costs will, despite the preceding provisions of this Schedule, be treated as existing housing costs, and any qualifications or limitations which would have applied to those costs had the award been an award of income support, an income-based jobseeker's allowance or state pension credit will likewise apply to the costs in so far as they are met in an employment and support allowance;

- (b) had the award of an employment and support allowance been an award of income support or an income-based jobseeker's allowance and the housing costs which would then have been met would have included an additional amount met in accordance with paragraph 7 of Schedule 3 to the Income Support Regulations or, as the case may be, paragraph 18(1) (b) of Schedule 2 to the Jobseeker's Allowance Regulations (add back), an amount equal to that additional amount must be added to the housing costs to be met under this Schedule, but that amount must be subject to the same qualifications and limitations as it would have been had the award been of income support or an income-based jobseeker's allowance; and
- (c) subject to paragraph 15(20), for the purposes of any linking rule or for determining whether any qualifying or other period is satisfied, any reference to an employment and support allowance in this Schedule must be taken also to include a reference to income support, an income-based jobseeker's allowance or state pension credit.

(2) Any loan which, had the claimant been entitled to income support and not an employment and support allowance, would have been a qualifying loan for the purposes of Schedule 3 to the Income Support Regulations by virtue of regulation 3 of the Income Support (General) Amendment and Transitional Regulations 1995 ^{F52} (transitional protection) must be treated also as a qualifying loan for the purposes of paragraph 16 or 17, (loans on residential property and loans for repairs and improvements to the dwelling occupied as the home) and for the purpose of determining whether a claimant would satisfy the provision of regulation 3(2) of those Regulations, a claimant in receipt of an income-related allowance must be treated as being in receipt of income support.
