## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Transfrontier Shipment of Waste Regulations 2007.

They insert regulation 23A which creates an offence for failure to comply with Commission Regulation (EC) No 1418/2007. This Commission Regulation sets out the requirements for, and prohibitions that apply to, the export of waste listed in Annex III or IIIA to Regulation (EC) No 1013/2006 of the European Parliament and of the Council on shipments of waste (OJ No L 190, 12.7.2006, p.1) that is destined for recovery in non-OECD Decision countries.

They insert regulation 23B which creates an offence for failure to comply with Article 37(5) of Regulation (EC) No 1013/2006. This Article applies the procedure of prior written notification and consent to the export of the following waste for recovery in countries to which the OECD Decision does not apply—

- (a) shipments of wastes not classified under one single entry in Annex III to Regulation (EC) No 1013/2006 ;
- (b) shipments of mixtures of wastes not classified under one single entry in Annex III or IIIA to that Regulation; and
- (c) shipments of waste classified in Annex IIIB to that Regulation.

Regulations 23A(4) and 23B(2)(b) create offences for failure to comply with Article 37(4) of Regulation (EC) No 1013/2006. This Article requires such waste to be sent to facilities that are authorised in the country of destination.
