EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Motor Vehicles (Type Approval for Goods Vehicles) (Great Britain) Regulations 1982 (“the 1982 Regulations”).

The Regulations—

- (a) amend definitions in consequence of the implementation of Directives [2005/55/EC](#) and [2006/40/EC](#) and the repeal of Council Directive [70/156/EEC](#) of 6th February 1970 on the approximation of the laws of the Member States relating to the type approval of motor vehicles and their trailers (OJ No. L42, 23.2.70, p.1 (SE 1970 (I), p.96)) (*regulation 3(2)*) and make other consequential amendments (*regulations 3(4)(a), 4, 6(3)(a), (10), (11)(b) and (12) and 9*);
- (b) implement the Directives which amend Directives [70/157/EEC](#) (OJ No. L42, 23.2.70, p.16 (SE 1970 (I), p.111)), [70/220/EEC](#) (OJ No. L76, 6.4.70, p.1 (SE 1970 (I), p.171)), [72/306/EEC](#) (OJ No. L190, 20.8.72, p.1 (SE 1972 (III), p.889)) and [92/24/EEC](#) (OJ No. L129, 14.5.92, p.154) and which amend and apply Directive [2005/55/EC](#). (*Regulation 3(3)* substitutes new paragraph (2A) into regulation 2 of the 1982 Regulations so that references to EC instruments include those amendments referred to in the following paragraph at sub-paragraphs (f) to (i) for the period from 17th July 2003 to the date of making of these Regulations and only in so far as the provisions affect goods vehicle type approval. *Regulation 3(3)* also inserts new paragraph (2B) which provides that paragraph (2A) shall have no application to item 5 in Schedule 1 to the 1982 Regulations. This will have the effect that the reference to Council Directive [72/245/EEC](#) in item 5 is to be construed as only being amended by Directive [89/491/EEC](#));
- (c) clarify the meaning of vehicle classes (*regulation 3(4)(b)*);
- (d) prescribe, in terms of the Schedule 1 requirements, the type approval requirements as being those which are applicable (to vehicles or parts thereof) on or after the date the Regulations come into force or any later date specified (*regulation 5(2)*);
- (e) omit redundant provisions (*regulation 5(3)*);
- (f) amend Schedule 1 (type approval requirements) to omit requirements the date of cessation of application of which has passed, implement the Directives referred to in the following paragraph at sub-paragraphs (a) to (e), provide for a lesser standard to apply in respect of radio suppression requirements, omit construction and use requirements pertaining to speed limiters and make consequential changes (*regulation 6(2), (3)(b) and (c), (4) to (9), (11)(a) and (13) to (16) and 7*);
- (g) make consequential amendments to the form of information document for goods vehicles (*regulation 8(2)*); and
- (h) provide for savings in relation to vehicles or parts approved before the date the Regulations come into force (*regulation 10*).

The Directives implemented by these Regulations, and hence in so far they relate to the national type approval of goods vehicles, are—

- (a) Council Directive [70/221/EEC](#) of 20th March 1970 on the approximation of the laws of the Member States relating to liquid fuel tanks and rear underrun protection of motor vehicles and their trailers (OJ No. L76, 6.4.70, p.23) as amended by Directives [79/490/](#)
