2009 No. 2937

The Magistrates' Courts (Drinking Banning Orders) Rules 2009

Service

5.—(1) Subject to rule 3(3), any summons, copy of an order or application required to be sent under these Rules to an individual who is the subject of that summons, order or application shall be either given to that individual in person or sent by post to the last known address of that individual, and if so given or sent, shall be deemed to have been received by that individual unless proved otherwise.

(2) Any summons, copy of an order or application required to be sent under these Rules to an individual who is the subject of that summons, order or application shall also be sent by the designated officer to the authority which made the application and to any relevant authority whom the applicant is required by section 3 of the 2006 Act to have consulted before making the application and, where appropriate, shall invite them to make observations and advise them of their right to be heard at the hearing.
