(7) Where this paragraph applies, regulation 10 shall have effect as regards the defined hereditament for the chargeable day as if the reference to the formula—

$$\frac{(A \times B)}{C} + H$$

(2) Where this regulation applies, the references in regulation 5 (notional chargeable amount) and 8 (appropriate fraction) to a rateable value shown for 1st April 2010 shall be treated as references to the value certified by the appropriate valuation officer to be the rateable value which would have been shown for that day if that value had fallen to be determined as regards that factor by reference to the circumstances existing on 31st March 2010.
