2010 No. 1958

**The Electricity and Gas (Carbon Emissions
Reduction) (Amendment) Order 2010**

Amendment of article 11 (notifications)

11.—(1) Article 11 (notifications) is amended as follows.

(2) After paragraph (3) insert—

“(3A) A notification in respect of a measure listed in article 9(1A) must contain sufficient information to show whether the supplier intends the action to be promoted in the priority group or super priority group.”.
