(2) Subject to paragraphs (3) and (7), a person is an eligible student in connection with a designated course if—

from which A's status as an eligible student has been transferred to the current course;
and

- (a) the student's partner—
 - (i) is an eligible student; or
 - (ii) holds a statutory award; and
- (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which the partner is entitled under the statutory award.
