**Power to make special nature conservation order**

**25.**—(1) The appropriate authority may, after consultation with the appropriate nature conservation body, make in respect of any land within a European site an order (a “special nature conservation order”) specifying operations (whether on land specified in that order or elsewhere and whether or not within the European site) which appear to the appropriate authority to be of a kind which, if carried out in certain circumstances or in a particular manner, would be likely to destroy or damage the flora, fauna, or geological or physiographical features by reason of which the land is a European site.

(2) A special nature conservation order may be amended or revoked by a further order.

(3) Schedule 1 has effect with respect to the making, confirmation and coming into operation of special nature conservation orders and amending or revoking orders.

(4) A special nature conservation order specifying operations on land is a local land charge.

(5) If an order under paragraph (1) specifies any operation of a kind not carried out, or proposed to be carried out, on land within a European site, the order must specify the operation by reference to the place where it is being, or is proposed to be, carried out.
