PART 6

ASSESSMENT OF PLANS AND PROJECTS

CHAPTER 2

PLANNING

General development orders

General development orders

73.—(1) It is a condition of any planning permission granted by a general development order, whether made before or after 1st April 2010, that development which—

- (a) is likely to have a significant effect on a European site or a European offshore marine site (either alone or in combination with other plans or projects), and
- (b) is not directly connected with or necessary to the management of the site,

must not be begun until the developer has received written notification of the approval of the local planning authority under regulation 75 (approval of local planning authority).

(2) It is a condition of any planning permission granted by a general development order made before 1st April 2010 that development which—

- (a) is likely to have a significant effect on a European site (either alone or in combination with other plans or projects),
- (b) is not directly connected with or necessary to the management of the site, and
- (c) was begun but not completed before that date,

must not be continued until the developer has received written notification of the approval of the local planning authority under regulation 75.

(3) Nothing in this regulation affects anything done pursuant to any such planning permission before 1st April 2010.
