The Field Allowance for New Oil Fields Order 2010

Relevant infrastructure

4.—(1) In this Order “relevant infrastructure” means any—

- (a) pipe-line, or
- (b) gas processing facility,

which is being used by, or is planned for use by, another oil field whose development has been authorised before the authorisation day for the deep water gas field.

(2) In this article “gas processing facility” has the same meaning as provided by section 12 of the Gas Act 1995(1) (acquisition of rights to use gas processing facilities).
