CHAPTER 3 **E+W**

PAYMENT OF GRANTS FOR LIVING AND OTHER COSTS

Payment of grants for living and other costs **E+W**

109.—(1) The Secretary of State may pay support under Part 5 in instalments.

(2) Subject to paragraph (3), the Secretary of State may pay support under Part 5 at such times as the Secretary of State considers appropriate.

(3) An academic authority is required to send an attendance confirmation to the Secretary of State.

(4) The Secretary of State must not pay the first instalment or, where it has been determined not to pay support under Part 5 by instalments, make any payment of support under that Part to [^{F899}any person] before the Secretary of State has received the attendance confirmation unless an exception applies.

(5) An exception applies if—

- (a) a disabled students' allowance is payable in which case that particular grant may be paid before the Secretary of State has received an attendance confirmation; or
- (b) the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(6) Payments of support under Part 5 are to be made in such manner as the Secretary of State considers appropriate and the Secretary of State may make it a condition of entitlement to payment that the eligible student [^{F900}, or in the case of childcare grant, a person seeking payment of prescribed childcare charges] must provide the Secretary of State [^{F901}or such person as the Secretary of State specifies] with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(7) Where a final assessment cannot be made on the basis of the information provided by the student, the Secretary of State may make a provisional assessment and payment of support under Part 5.

(8) Subject to paragraph (9), no support under Part 5 is due in respect of any day of an academic year on which the eligible student is a prisoner, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for support to be paid in respect of that day.

(9) Paragraph (8) does not apply in respect of disabled student's allowance where the course began before 1st September 2012.

(10) In deciding whether it would be appropriate for support to be due under paragraph (8) the circumstances to which the Secretary of State must have regard include the financial hardship not paying the support would cause and whether not paying the support would affect the student's ability to continue the course.

(11) No support under Part 5 in respect of the current course is due in respect of any payment period beginning after an eligible student's period of eligibility terminates.

(12) Where an eligible student's period of eligibility terminates on or after the relevant date, the Secretary of State must determine—

- (a) the amount of each grant for living and other costs for which the student qualifies that would be payable in respect of the relevant payment period if the eligible student's period of eligibility had not terminated (the “full amount”); and
- (b) how much of the full amount is due in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible student's period of eligibility terminated (the “partial amount”).

Status: Point in time view as at 23/12/2021.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Education (Student Support) Regulations 2011. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(13) In this regulation, the “relevant date” is the date on which the first term of the academic year in question actually begins.

(14) If the Secretary of State has made a payment of grant for living and other costs in respect of the relevant payment period before the point in that period at which the eligible student's period of eligibility terminated and that payment exceeds the partial amount of that grant—

- (a) the Secretary of State may treat the excess as an overpayment of that grant; or
- (b) if the Secretary of State considers that it is appropriate to do so the Secretary of State may extend the student's period of eligibility in respect of that grant until the end of the relevant payment period and determine that the full amount of that grant is due in respect of that payment period.

(15) Subject to paragraph (16), if a payment of a grant for living and other costs in respect of the relevant payment period is due to be made or is made after the eligible student's period of eligibility has terminated, the amount of that grant due is the partial amount unless the Secretary of State considers it appropriate to extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is due in respect of that payment period.

(16) Paragraph (15) does not apply to a payment of the disabled students' allowance in respect of specialist equipment.

(17) No support under Part 5 is due in respect of a payment period during any part of which an eligible student is absent from the course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(18) In deciding whether it would be appropriate for support to be due under paragraph (17) the circumstances to which the Secretary of State must have regard include the reasons for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(19) An eligible student is not to be considered absent from the course if the student is unable to attend due to illness and the student's absence has not exceeded 60 days.

(20) Where, after the Secretary of State has made any payment of support under Part 5 or Part 6, the Secretary of State makes a determination of the amount of a grant for living and other costs for which the student qualifies either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the student qualifies the Secretary of State must pay the additional amount in such instalments (if any) and at such times as the Secretary of State considers appropriate;
- (b) if the determination decreases the amount of that grant for which the student qualifies the Secretary of State must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other grant for living and other costs for which the student qualifies in respect of the academic year;

157K.—(1) Subject to regulation 138A, the loan for living costs is payable in respect of three quarters of the academic year.

(2) The loan for living costs is not payable in respect of the quarter in which, in the opinion of the Secretary of State, the longest of any vacation occurs.

Part-time students falling into more than one category **E+W**

157L. Where an eligible part-time student falls into more than one of the categories set out in regulation 157F(4) in the course of the academic year—

- (a) the maximum amount of loan for living costs for the academic year is the aggregate of the maximum amount of loan for living costs for each quarter in respect of which the loan for living costs is payable;
- (b) the maximum amount of loan for living costs for each such quarter is one third of the maximum amount of loan for living costs which would apply for the academic year if the student fell into the category which applies to the relevant quarter for the duration of the academic year; and
- (c) the category which applies to a quarter is—
 - (i) the category into which the student falls for the longer or longest period in that quarter; or
 - (ii) if the student falls into more than one category for an equal period in that quarter, the category with the higher or the highest rate of loan for living costs for the academic year.

Students who are treated as in attendance on a course **E+W**

157M.—(1) A student to whom this regulation applies is treated as being in attendance on the designated part-time course for the purpose of qualifying for the loan for living costs.

- (2) This regulation applies to—
- (a) a student on a period of study or period of work placement in an Erasmus year;
 - (b) a disabled student who is undertaking a designated part-time course in the United Kingdom but is not in attendance because the student is unable to attend for a reason which relates to the student's disability.

Applying for an additional amount of loan for living costs **E+W**

157N.—(1) An eligible part-time student may apply to borrow an additional amount of loan for living costs where—

- (a) the Secretary of State determines that the maximum amount of loan for living costs in relation to an academic year should be increased (including an increase from nil); and
- (b) the Secretary of State considers that the increase in the maximum amount of the loan does not result from the eligible part-time student—
 - (i) failing to provide information promptly which might affect the student's ability to qualify for the loan in question or the amount of loan in question for which the student qualifies; or
 - (ii) providing information that is inaccurate in any material particular.

(2) The additional amount under paragraph (1) is an amount which, when added to the amount which the student has already applied for under regulation 157C, does not exceed the maximum amount of loan after it has been increased pursuant to paragraph (1)(a).

157O.—(1) The Secretary of State may make it a condition of entitlement to payment of any loan under this Part that the eligible part-time student must provide the Secretary of State with the student's United Kingdom national insurance number.

(2) Where the Secretary of State has imposed a condition under paragraph (1), the Secretary of State must not make any payment of the loan to the eligible part-time student before the Secretary of State is satisfied that the student has complied with that condition.

(3) Despite paragraph (2), the Secretary of State may make a payment of loan to an eligible part-time student if the Secretary of State is satisfied that owing to exceptional circumstances it would be appropriate to make such a payment without the eligible part-time student having complied with the condition imposed under paragraph (1).

Information requirements and agreements to repay loans for living costs **E+W**

157P.—(1) The Secretary of State may at any time request from an eligible part-time student information that the Secretary of State considers is required to recover a loan for living costs.

(2) The Secretary of State may at any time require an eligible part-time student to enter into an agreement to repay a loan for living costs by a particular method.

(3) The Secretary of State may at any time request from an eligible part-time student sight of their valid national identity card, valid passport issued by the state of which they are a national or their birth certificate.

(4) Where the Secretary of State has requested information under this regulation, the Secretary of State may withhold any payment of a loan for living costs until the person provides what has been requested or provides a satisfactory explanation for not complying with the request.

(5) Where the Secretary of State has required an agreement as to the method of repayment under this regulation, the Secretary of State may withhold any payment of a loan for living costs until the person provides what has been required.

Payment of loans for living costs **E+W**

157Q.—(1) The Secretary of State may pay loans for living costs under this Part in instalments.

(2) Subject to paragraph (4), the Secretary of State may pay loans for living costs at such times as the Secretary of State considers appropriate.

(3) An academic authority is required to send an attendance confirmation to the Secretary of State.

(4) The Secretary of State must not pay the first instalment under this Part or, where it has been determined not to pay the loan for living costs by instalments, make any payment of loans for living costs to the eligible part-time student before the Secretary of State has received an attendance confirmation from the relevant academic authority, unless an exception applies.

(5) An exception applies if the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(6) Where a final assessment cannot be made on the basis of the information provided by the student, the Secretary of State may make a provisional assessment and payment of support under this Part.

(7) Payments of loans for living costs are to be made in such manner as the Secretary of State considers appropriate and the Secretary of State may make it a condition of entitlement to payment that the eligible part-time student must provide the Secretary of State with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(8) Where the Secretary of State has made any payment of a loan for living costs under this Part and a student who qualifies for a loan for living costs under this Part applies for such a loan or applies for an additional amount of loan in respect of an academic year, the Secretary of State may pay that loan or that additional amount of loan in such instalments (if any) and at such times as the Secretary of State considers appropriate as soon as is reasonably practicable after a satisfactory application has been received.

(9) Subject to paragraph (10), no loan for living costs under this Part is due in respect of any day of an academic year on which the eligible student is a prisoner, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for a loan for living costs to be paid in respect of that day.

(10) In deciding whether it would be appropriate for a loan for living costs to be due under paragraph (9) the circumstances to which the Secretary of State must have regard include the financial hardship which not paying the loan would cause and whether not paying the support would affect the student's ability to continue the course.

(11) No loan for living costs under this Part in respect of the current course is due in respect of any payment period beginning after an eligible part-time student's period of eligibility terminates.

(12) No loan for living costs under this Part is due in respect of a payment period during part of which an eligible part-time student is absent from the course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for a loan for living costs to be paid in respect of the period of absence.

(13) In deciding whether it would be appropriate for a loan for living costs to be due under paragraph (12) the circumstances to which the Secretary of State must have regard include the reasons for the student's absence, the length of the absence and the financial hardship which not paying the loan would cause.

(14) An eligible part-time student is not to be considered absent from the student's course if the student is unable to attend due to illness and the student's absence has not exceeded 60 days.

(15) Where, after the Secretary of State has made any payment of a loan for living costs under this Part for which a student qualifies in respect of an academic year, the Secretary of State makes a determination that the amount of loan for living costs for which the student qualifies is less than the amount previously determined either by way of a revision of a provisional assessment or otherwise—

- (a) the Secretary of State must subtract from any amount of loan which remains to be paid under this Part such amount as is necessary to ensure that the student does not borrow an amount of loan under this Part which is greater than that for which the student qualifies;
- (b) if the amount to be subtracted is greater than the amount of loan remaining to be paid under this Part, the amount of that loan remaining to be paid is reduced to nil;
- (c) any remaining overpayment is recoverable in accordance with regulation 157R.

(16) In this regulation—

- (a) "attendance confirmation" means—
 - (i) confirmation from the academic authority that the student has enrolled for the academic year where—

- (b) "payment period" means a period in respect of which the Secretary of State pays loans for living costs or would have paid such support if the eligible part-time student's period of eligibility had not terminated.

Overpayments of loans for living costs E+W

157R.—(1) A part-time student must, if so required by the Secretary of State, repay any amount paid to the student under this Part which for whatever reason exceeds the amount of loans for living costs to which the student is entitled under this Part.

(2) Any overpayment of a loan for living costs in respect of any academic year is recoverable by the Secretary of State from the student to whom the payment was made.

(3) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant or loan payable to the student from time to time pursuant to regulations made by the Secretary of State under section 22 of the 1998 Act;
- (b) requiring the student to repay the loan in accordance with regulations made under section 22 of the 1998 Act;

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for support for students taking designated higher education courses in respect of an academic year beginning on or after 1st September 2012.

The Regulations are based on the Education (Student Support) Regulations 2009 (as amended) (the “2009 Regulations”) which they revoke from 1st September 2012 (with the exception of regulations 113 and 114 (overpayment of fee loans and college loans) which are revoked on 1st September 2011).

These Regulations also revoke the following regulations from 1st September 2012 the Education (Student Support) Regulations 2009 (Amendment) Regulations 2010; regulation 5 and regulations 10 to 12 of the Education (Student Fees, Awards and Support) (Amendment) Regulations 2011; the Education (Student Support) (Dance and Drama) Regulations 1999; and the Education (Student Support) (Dance and Drama) (Amendment) Regulations 2001.

Parts 2 to 9 of the Regulations contain the support arrangements for full-time courses. Part 2 makes provision about which students are eligible for support (regulation 4) and about which types of full-time courses are designated for purposes of student support (regulation 5 and Schedule 2). Part 3 makes provision for the application process.

Part 4 contains provision on the type of fee support available for full-time students. Students starting full-time courses (including distance learning courses) on or after 1st September 2012 and continuing students who started their course on or after 1st September 2006 qualify for fee loans. These students are known as “current system students”. Old system students, i.e. those who mainly started their course before 1st September 2006, continue to be eligible for fee grants. Regulation 23 sets out the maximum amount of fee loan available to current system students to meet the costs of their tuition. The maximum amount varies depending on when the course begins and where it is taken. Transitional provision is included in regulation 23 for students (a) who transfer under regulation 7 from one designated course which started before 1st September 2012 to another on or after 1st September 2012 or (b) who start an end-on course (defined in regulation 2(1)) immediately after finishing an earlier course which started before 1st September 2012. Such students are treated as continuing students for fee support purposes in Part 4.

Parts 5 and 6 contain provision on support for living and other costs for full time courses. (With the exception of the disabled students' allowance, this support is not available in respect of distance learning courses (regulation 38(2) and regulation 69(3)). Part 5 provides for grants for living costs (maintenance and special support) and grants for other costs such as travel grants, grants for dependants and disabled students' allowance. The maintenance grant and special support grants provided for in regulations 56 to 65 are calculated by reference to the student's annual household income (Part 8 and Schedule 4) and students with a household income over specified amounts will not qualify for a maintenance or special support grant. The level of grant also varies depending on the type of course and when the student started the course. Part 6 provides for loans for living costs. The rate of loan depends on whether the student lives with their parents while studying, the location of the institution and the student's annual household income.

Part 7 provides for college fee loans and Part 8 contains provision on how a student's contribution is assessed and the minimum level of loan for living costs.

Part 9 contains provision about the payment of support to the student and in the case of fee loans to the relevant academic authority. Regulations 117 and 118, which provide for recovery of overpayment of fee loans and college fee loans, apply (exceptionally) from 1st September 2011 (the provision on overpayment of fee loans and college fee loans in the 2009 Regulations (regulations 113 and 114) being revoked from that date).

Part 10 contains provision on support for designated distance learning courses. This Part applies in respect of full-time distance learning courses beginning before 1st September 2012 except where the student transfers from one designated distance learning course to another in accordance with regulation 131 or starts an end-on course. Such students are treated as students continuing on designated distance learning courses. Regulation 120 defines an eligible distance learning student and regulation 122 defines a designated distance learning course. Regulations 124 and 125 provide for the types of grant support available in respect of designated distance learning courses and regulation 127 provides for the disabled students' allowance in respect of such courses. Regulations 133 and 134 provide for the payment of grant support.

Part 11 provides for support for part-time courses. Regulation 137 defines an eligible part-time student and regulation 139 a designated part-time course. Continuing students (and those who transfer from one part-time course starting before 1st September 2012 to another on or after 1st September 2012 or start part-time end-on courses) qualify for grant support (regulations 141 and 142) whereas students starting designated part-time courses on or after 1st September 2012 qualify for fee loans to meet the costs of their tuition. Regulation 144 sets out the maximum amount of fee loan available to part-time students to meet the costs of their tuition. The level of fee loan will vary according to where the student undertakes the course. Regulation 147 provides for disabled students' allowance for part-time students. Regulation 153 provides for payment of grant support to the part-time student and regulations 154 and 155 provide for payments of grants and loans for fees to the relevant academic authority. Regulations 156 and 157 make provisions for recovery of overpayments. Part-time courses starting on or after 1st September 2012 must be able to be completed in not more than four times the period it would normally take for the a student to complete the equivalent full-time course (regulation 139(1)(c)) in order to be designated under these Regulations. In addition, new students starting their courses on or after 1st September 2012 must study at a minimum 25% intensity of study rate in each academic year of their course compared with the equivalent full-time course to qualify for fee loans (regulation 144(2)) and disabled students' allowance (regulation 147(4)).

Part 12 makes provision for support in respect of postgraduate students with disabilities. Part-time postgraduate courses starting on or after 1st September 2012 must be able to be completed in not more than four times the period it would normally take for the a student to complete the equivalent full-time course (regulation 161(1)(b)) in order to be designated under these Regulations. In addition, new students starting part-time postgraduate courses on or after 1st September 2012 must study at a minimum 25% intensity of study rate compared with the equivalent full-time course to qualify for disabled students' allowance (regulation 159(9)).
