

## SCHEDULE

### The Policing Protocol

#### **Purpose**

1. This Protocol is issued in accordance with the requirements of the Police Reform and Social Responsibility Act 2011 (“the 2011 Act”). It sets out to all Police and Crime Commissioners (“PCCs”) and the Mayor’s Office for Policing and Crime (“MOPC”), Chief Constables, Police and Crime Panels and the London Assembly Police and Crime Panel how their functions will be exercised in relation to each other. An effective, constructive working relationship is more likely to be achieved where communication and clarity of understanding are at their highest. Mutual understanding of, and respect for, each party’s statutory functions will serve to enhance policing for local communities.
