The Railways (Interoperability) Regulations 2011

PART 3

Interoperability Constituents

Prohibition on placing interoperability constituents on the market

23. Subject to regulation 28, no person may place an interoperability constituent on the market for which there is an applicable TSI with a view to its use on the rail system unless—

- (a) the interoperability constituent meets the essential requirements that are relevant to an interoperability constituent of that type;
- (b) the appropriate procedure for assessing the conformity or suitability for use of the interoperability constituent has been carried out; and
- (c) an EC declaration of conformity or suitability for use in relation to that interoperability constituent has been drawn up.
