
STATUTORY INSTRUMENTS

2011 No. 881

The Animal By-Products (Enforcement)
(England) Regulations 2011

PART 3

Registration and approval

Procedure for registration of plants and establishments

- 11.** A notification must be made in writing to the competent authority, where it is made—
- (a) with a view to registration in accordance with Article 23(1) (registration of operators, establishments or plants) of the EU Control Regulation; or
 - (b) to inform the authority of changes in accordance with Article 23(2) of that Regulation.
