**2011 No. 881**

The Animal By-Products (Enforcement)  
(England) Regulations 2011

PART 5

Enforcement

**Power to disclose information for enforcement purposes**

**26.**—(1) This regulation applies to information received by an enforcement authority or an authorised person in the course of enforcing these Regulations.

(2) That person may disclose the information to any comparable enforcement authority or authorised person (appointed elsewhere within the United Kingdom to enforce the EU Control Regulation and the EU Implementing Regulation) for the purposes of their enforcement role.

(3) For the purposes of this regulation, “an enforcement authority” includes the Food Standards Agency.
