PART 5
DECISIONS AND HEARINGS
CHAPTER 1
Licensing Procedures

Meaning of “the person concerned”

49.—(1) In this Part, “the person concerned” means the applicant for or holder of an ATOL or accreditation which is the subject of the proceedings.

(2) In this part, “the CAA’s employee responsible for the proposal” means an employee of the CAA designated by them to consider whether an ATOL or accreditation ought to be revoked, suspended or varied and who proposes what action should be taken to the Member.

Decisions to be made by Member

50.—(1) This Part applies to the CAA’s function of making a decision to—

- (a) revoke, suspend or vary an ATOL or accreditation otherwise than on the application of the person concerned,
- (b) grant or vary an ATOL or accreditation in terms other than those requested by the applicant,
- (c) refuse to grant an ATOL or accreditation, or
- (d) provisionally vary an ATOL or accreditation.

(2) Any other decision to grant, revoke, suspend or vary an ATOL or accreditation may be made on behalf of the CAA only by a Member or by an employee of the CAA.

(3) Where this Part applies, the quorum of the CAA is one Member.

(4) Where a decision is to be made by more than one Member, references in this Part to “Member” shall include all such Members.

Application for extension of time limit

51.—(1) The CAA may extend any time limit imposed by this Part whether or not it has already expired, if—

- (a) it would not be reasonable to expect any person subject to such a limit to comply or to have complied with the time limit; or
- (b) not to extend the time limit would result in substantial injustice.

(2) Before deciding whether or not to extend the time limit the CAA must give persons entitled to attend a hearing under regulation 59 an opportunity to submit written representations.

Confidential information

52.—(1) In this regulation, confidential information means personal data (as defined in section 1 of the Data Protection Act 1998(9)) or information which in the opinion of the CAA relates to the commercial or financial affairs of any person.

(2) The CAA must exclude from a statement of reasons or decision which it is required to publish any confidential information which cannot be disclosed without disadvantage to the person to whom it relates where, by comparison with the advantage to the public, its disclosure is unwarranted.

(9) 1998 c.29.

Consideration of representations

53.—(1) Before making a decision specified in regulation 50(1)(a), (b) or (c), the Member must consider any representations and evidence submitted by the person concerned and the CAA's employee responsible for the proposal.

(2) The requirement to consider the representations only applies if they are provided to the CAA by the person concerned within 10 days beginning with the date of service of the notice under regulation 36 or regulation 44 or such additional period as the Member may determine in accordance with regulation 51.

(3) The Member may request further information and specify the period of time in which it must be supplied from the person concerned or the CAA employee responsible for the proposal after considering any representations and evidence submitted.

Statement of reasons

54. Where the CAA makes a decision to—

- (a) revoke, suspend or vary an ATOL or an accreditation otherwise than on the application of the person concerned;
- (b) grant or vary an ATOL or an accreditation in terms other than those requested by the person concerned; or
- (c) refuse to grant an ATOL or an accreditation,

the CAA must supply a statement of its reasons for the decision to the person concerned.

Publication of Decision

55. Where the CAA decides to revoke or suspend an ATOL or accreditation the decision must be published by the CAA.

CHAPTER 2

Requirement for and conduct of hearing

Requirement to hold a hearing

56.—(1) Within the time limit under regulation 53 for providing representations to the CAA, the person concerned may request a hearing.

(2) Where the person concerned requests a hearing, the Member must before making a decision, hold a hearing and consider any representations made or evidence submitted at such a hearing.

(3) Where the person concerned does not request a hearing, the Member may hold a hearing, if the Member considers it appropriate following consideration of representations and evidence submitted under regulation 53.

Giving notice of hearing

57.—(1) Subject to regulation 51, no hearing is to be held under this Part unless the CAA has served on the person concerned at least 7 days notice of the date, time and place of the hearing.

(2) The notice must clearly identify the matter to which it relates.

(3) The notice must be published at least 7 days before the date of the hearing unless the hearing is to be held in private.

(4) On the day of the hearing, the notice must be exhibited in a visible and accessible place at the venue where the hearing is scheduled to take place unless the hearing is to be held in private.

Expedited hearing

58.—(1) If the CAA is satisfied that for reasons of urgency it is desirable to do so, a hearing may be held without notice having been served, published and exhibited in accordance with regulation 57.

(2) In such a case, the CAA must give notice of the date, time and place of the hearing, being notice of such length and by such means as it thinks fit, to the applicant, the ATOL holder or accredited body.

Entitlement to attend and be heard

59. The person concerned and the CAA's employee who has made the proposal under regulation 36 or regulation 44 to be determined have a right to attend and be heard at the hearing.

Absence of party

60. Where the CAA is required to hold a hearing under this Part, the hearing may proceed in the absence of the person concerned or that person's representative and the CAA must consider any representations made or evidence submitted by any person entitled to attend who is in attendance.

Technical assessors

61. The Member conducting a hearing may appoint a technical assessor, so long as that assessor did not participate in the application or proposal which is the subject of the hearing, to provide advice and assistance.

Right to be represented, produce evidence and examine other persons

62.—(1) At a hearing every person with a right to be heard may appear in person or be represented by any other person who they have authorised to represent them.

(2) A person with a right to be heard or their representative may—

- (a) produce oral and written evidence; and
- (b) examine the other persons being heard, and any witness produced by such persons.

Hearings in public or in private

63.—(1) All hearings must be in public unless—

- (a) the CAA is satisfied that a private hearing is required—
 - (i) in the interests of morals, public order or national security in a democratic society,
 - (ii) the interests of juveniles or the protection of the private lives of the parties, or
 - (iii) to the extent strictly necessary in the opinion of the CAA in special circumstances if publicity would prejudice the interests of justice; or
- (b) where the person concerned has requested in writing that the hearing be in private and the CAA is satisfied that there is no important public interest consideration that calls for the public to be present.

(2) The CAA may decide under paragraph (1) that part only of the hearing is to be in private or that information about the proceedings before the CAA, the names and identifying characteristics of persons concerned in the proceedings or specified evidence given in the proceedings must not be made public or disclosed to the person concerned.

(3) Any person who the CAA, with the consent of the person concerned or their representative, permits to attend the hearing may attend a hearing, whether or not it is in private.

Procedure at hearing

64.—(1) At the beginning of any hearing the CAA must explain the manner and order of proceeding, having regard to any applicable burden and standard of proof and rules of evidence.

(2) The CAA may conduct the hearing in the manner it considers most suitable—

(a) to the clarification of the issues before it; and

(b) to enable the CAA, with the assistance of the person concerned (or their representative) and the CAA employee responsible for the proposal, to deal with the case fairly and justly;

seeking to avoid, where appropriate, formality and inflexibility in its proceedings.

(3) The CAA may consider evidence of any fact which seems to the CAA to be relevant even if the evidence would be inadmissible in proceedings before a court of law.

Provision of transcripts

65.—(1) All the proceedings at a hearing in accordance with this Part must be recorded in writing.

(2) Subject to paragraphs (3), (4) and (5), a copy of the transcript of the proceedings must be made available to any person on request, unless a decision has been taken to hold the hearing in private, in which case a transcript must only be made available to those present at the hearing.

(3) If part of the hearing is held in private, a copy of the transcript of that part of the proceedings must only be supplied to persons present during that part.

(4) The CAA is entitled to require payment of a reasonable fee before supplying a copy of any transcript.

(5) The CAA is not required to supply an electronic recording or transcript of the proceedings at any time more than one year after it has published or notified its decision.

Exclusions

66. Nothing in this Part prevents the CAA from provisionally varying an ATOL in accordance with regulation 38 or an accreditation in accordance with regulation 46.

PART 6

APPEALS AND TRANSFER OF LICENCE

Appeal to County Court or Sheriff Court

67.—(1) Subject to paragraphs (3) and (4), an appeal lies to a county court from any decision of the CAA that a person is not a fit person to hold an ATOL.

(2) If the court is satisfied that on the evidence submitted to the CAA it was wrong in deciding that a person is not a fit person to hold an ATOL, the court may reverse the CAA's decision and the CAA must give effect to the court's determination.

(3) If the appellant resides or has its registered or principal office in Scotland the appeal lies to the sheriff court within whose jurisdiction the appellant resides or has its registered or principal office and the appeal is by way of summary application⁽¹⁰⁾.

(4) If the appellant resides or has its registered or principal office in Northern Ireland the appeal lies to a county court held under the County Courts (Northern Ireland) Order 1980⁽¹¹⁾.

⁽¹⁰⁾ Act of Sederunt (Summary Applications, Statutory Applications and Appeals etc Rules) 1999 S.I. 1999/929.

⁽¹¹⁾ S.I. 1980/397 (N.I. 3), to which there are amendments not relevant to these Regulations.

(5) The CAA will be named by the appellant as respondent to any appeal under this regulation.

(6) For the purposes of any provision relating to the time within which an appeal may be brought, the CAA's decision is deemed to have been taken on the date on which the CAA supplied a statement of its reasons for the decision to the applicant for an ATOL or the holder or former holder of it.

Transfer of ATOL

68.—(1) Subject to the provisions of this regulation, if the sole holder of an ATOL (being an individual) dies, the ATOL must be treated from the time of death as if it had been granted to the ATOL holder's legal personal representative.

(2) The legal personal representative required by paragraph (1) of this regulation to be treated as the holder of the ATOL may apply to the CAA for the transfer of the ATOL to any person entitled to a beneficial interest in the deceased's estate (including themselves in their personal capacity if, in that capacity, they are entitled to such an interest).

(3) The application must state the grounds on which it is based and must be served on the CAA within a period of 21 days beginning with the day on which the applicant first became entitled to make the application.

(4) If no such application is made within that period, the ATOL ceases at the expiration of that period to be treated as if granted to a person other than the person to whom it was granted.

(5) The CAA must not grant an application for the transfer of an ATOL to any person if it would be bound under regulation 32(1) to refuse that application if it were an application for the grant of an ATOL to that person, and the provisions of Part 5 as to decisions and hearings apply accordingly and references in that Part to "the person concerned" are to be construed accordingly as including references to the legal personal representative.

(6) For the purposes of this regulation "legal personal representative" means a person constituted executor, administrator or other representative of a deceased person by probate, administration or other instrument.

PART 7

(2) A person shall not be entitled to rely on the defence provided in paragraph (1) by reason of reliance on information supplied by another unless that person proves that it was reasonable in all the circumstances for that person to have relied on the information, having regard in particular to—

- (a) the steps taken, and those that might reasonably have been taken, for the purpose of verifying the information; and
- (b) whether the person had any reason to disbelieve the information.
