

SCHEDULE

Calculation of compensation

PART 1

Method of calculation

No data or inadequate data

3.—(1) Sub-paragraph (2) applies where there are either no available sale price data or the Secretary of State considers there to be inadequate sale price data for calculating the average market price for a relevant category of animal.

(2) Where this paragraph applies—

- (a) the average market price is the most recently ascertained average market price for the relevant category of animal, where one has previously been calculated; or
- (b) the Secretary of State may opt to pay compensation at the level of the market value of the animal in question, as ascertained under the Individual Ascertainment of Value (England) Order 2012.
