Enforcement, reviews and appeals relating to fitness matters

Extended meaning of “health scheme” in fraud cases

78. The schemes prescribed under section 151(7)(b) of the 2006 Act (disqualification of practitioners) are schemes in the course of which health or medical services are paid for out of public funds and provided—

- (a) other than as part of the health services referred to in section 151(7)(a)—
 - (i) by port health authorities,
 - (ii) by the armed forces of the Crown, or
 - (iii) to persons in accommodation in which they are required in accordance with law to be detained (but not naval, military and air force prisons, which are covered by subparagraph (ii)); or
- (b) by or on behalf of the government of a country or territory outside the United Kingdom.
