
Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

STATUTORY INSTRUMENTS

2012 No. 3032

ENVIRONMENTAL PROTECTION

The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012

<i>Made</i>	- - - -	<i>4th December 2012</i>
<i>Laid before Parliament</i>		<i>7th December 2012</i>
<i>Coming into force</i>	- -	<i>2nd January 2013</i>

The Secretary of State is a Minister designated⁽¹⁾ for the purposes of section 2(2) of the European Communities Act 1972⁽²⁾ in respect of measures relating to the restriction of the use of hazardous substances in electrical and electronic equipment.

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Secretary of State that it is expedient for certain references to provisions of an EU instrument to be construed as a reference to those provisions as amended from time to time.

The Secretary of State, in exercise of the powers conferred by section 2(2) of, and paragraph 1A of Schedule 2 to, the European Communities Act 1972 makes the following Regulations.

PART 1

Preliminary

Citation and commencement

1. These Regulations may be cited as the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 and come into force on 2nd January 2013.

Interpretation **E+W+S**

2. In these Regulations—

(1) [S.I. 2004/706](#).

(2) [1972 c.68](#), as amended by numerous subsequent Acts; however, the only amendments relevant for the purposes of these Regulations are those introduced by Part 3 of the Legislative and Regulatory Reform Act [2006 \(c.51\)](#).

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

[^{F1}“2002 Directive” means Directive 2002/95/EC of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment](4);

“2008 Regulations” means the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2008(3);

“authorised person” means a person authorised by the market surveillance authority in accordance with regulation 35(2);

“authorised representative” means a person appointed in accordance with regulation 22(1);

“cables” means all cables with a rated voltage of less than 250 volts that serve as a connection or an extension to connect EEE to the electrical outlet or to connect two or more items of EEE to each other;

^{F2} ...

“compliance notice” means a notice given under paragraph 1 of Schedule 3;

“conformity assessment” means the process demonstrating whether the requirements of these Regulations are met in relation to EEE;

[^{F3}“designated standard” has the meaning given in regulation 2A;]

“the Directive” means Directive 2011/65/EU of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment(4)[^{F4}, as last amended by [^{F5}Commission Delegated Directive (EU) 2019/1846, and read in accordance with regulation 2B]];

“distributor” means a person in the supply chain, other than the manufacturer or the importer, who makes EEE available on the market;

“economic operator” means a manufacturer, authorised representative, importer or distributor;

“EEE” means electrical and electronic equipment as defined in regulation 4;

“enforcement notice” means a notice given under paragraph 2 of Schedule 3;

^{F6} ...

[^{F7}“importer” means a person who is established in—

- (a) the United Kingdom, who places on the market EEE from a country outside of the United Kingdom; or
- (b) Northern Ireland, who places on the market EEE that has been supplied to that person for distribution, consumption or use in the course of a commercial activity, whether in return for payment or free of charge, from an EEA state;]

“industrial monitoring and control instruments” means monitoring and control instruments designed for exclusively industrial or professional use;

“infringing EEE” means EEE that does not comply with the requirements of these Regulations;

“make available on the market” means to supply in the course of a commercial activity (whether in return for payment or free of charge) for distribution, consumption or use [^{F8}on the market of Great Britain], and related expressions are to be construed accordingly;

“manufacturer” means a person who manufactures EEE or who has EEE designed or manufactured, and markets it under that person’s name or trademark;

“market surveillance authority” has the meaning given in regulation 35(1);

(4) OJ No L 174, 1.7.11, p 88.

(3) S.I. 2008/37, as amended by S.I. 2009/581.

(4) OJ No L 174, 1.7.11, p 88.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“medical device”, “active implantable medical device”, and “in vitro diagnostic medical device” have the meanings given in regulation 2(1) of the Medical Devices Regulations 2002⁽⁵⁾;

“notice” means a notice in writing;

“place on the market” means to make EEE available [^{F8}on the market of Great Britain] for the first time, and related expressions are to be construed accordingly;

“RAMS” means Regulation (EC) No 765/2008 of the European Parliament and of the Council setting out the requirements for accreditation and market surveillance relating to the marketing of products and repealing Regulation (EEC) No 339/93⁽⁶⁾;

“recall” means to take any measure aimed at achieving the return of EEE that has already been made available to the end user;

“recall notice” means a notice given under paragraph 4 of Schedule 3;

“spare part” means a separate part of an item of EEE that can replace a part of an item of EEE and—

- (a) the item of EEE cannot function as intended without that part; and
- (b) the functionality of the item of EEE is restored or upgraded when the part is replaced by the spare part;

[^{F9}“technical documentation” means the documentation referred to in paragraph 2 of Part 4 of Schedule 1;]

[^{F10}“UK marking” means a marking by which a manufacturer indicates that a product complies with the applicable requirements set out in these Regulations and which takes the form published in accordance with Article 30(1) of RAMS;]

“withdraw” means to take any measure aimed at preventing an item of EEE in the supply chain from being made available on the market.

Extent Information

- E1** This version of this provision extends to England and Wales and Scotland only; a separate version has been created for Northern Ireland only

Interpretation **N.I.**

2. In these Regulations—

[^{F90}“2002 Directive” means [Directive 2002/95/EC](#) of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment]

“2008 Regulations” means the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2008;

“authorised person” means a person authorised by the market surveillance authority in accordance with regulation [35\(2\)](#);

“authorised representative” means a person appointed in accordance with regulation [22\(1\)](#);

“cables” means all cables with a rated voltage of less than 250 volts that serve as a connection or an extension to connect EEE to the electrical outlet or to connect two or more items of EEE to each other;

“CE marking” means a marking by which a manufacturer indicates that a product complies with the applicable requirements set out in these Regulations and which takes the form set out in Annex II of RAMS [^{F91}as amended from time to time before or after IP completion day];

“compliance notice” means a notice given under paragraph 1 of Schedule 3;

“conformity assessment” means the process demonstrating whether the requirements of these Regulations are met in relation to EEE;

“the Directive” means [Directive 2011/65/EU](#) of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment [^{F92}, as last amended by [^{F93}Commission Delegated Directive 2019/1846]];

“distributor” means a person in the supply chain, other than the manufacturer or the importer, who makes EEE available on the market;

“economic operator” means a manufacturer, authorised representative, importer or distributor;

“EEE” means electrical and electronic equipment as defined in regulation 4;

“enforcement notice” means a notice given under paragraph 2 of Schedule 3;

“harmonised standard” means a standard adopted by one of the European standardisation bodies listed in [^{F94}Annex 1 to Regulation (EU) No 1025/2012 of the European Parliament and of the Council on European standardisation] on the basis of a request made by the European

Commission in accordance with [^{F95}Article 10 of that Regulation], the reference of which standard has been published in the Official Journal of the European Union;

“importer” means a person established [^{F96}in a relevant state] who places EEE from a third country on the [^{F97}relevant market];

“industrial monitoring and control instruments” means monitoring and control instruments designed for exclusively industrial or professional use;

“infringing EEE” means EEE that does not comply with the requirements of these Regulations;

“make available on the market” means to supply in the course of a commercial activity (whether in return for payment or free of charge) for distribution, consumption or use on the [^{F98}relevant] market, and related expressions are to be construed accordingly;

“manufacturer” means a person who manufactures EEE or who has EEE designed or manufactured, and markets it under that person’s name or trademark;

“market surveillance authority” has the meaning given in regulation 35(1);

“medical device”, “active implantable medical device”, and “in vitro diagnostic medical device” have the meanings given in regulation 2(1) of the Medical Devices Regulations 2002;

“notice” means a notice in writing;

“place on the market” means to make EEE available on the [^{F99}relevant] market for the first time, and related expressions are to be construed accordingly;

“RAMS” means Regulation (EC) No 765/2008 of the European Parliament and of the Council setting out the requirements for accreditation and market surveillance relating to the marketing of products and repealing Regulation (EEC) No 339/93;

“recall” means to take any measure aimed at achieving the return of EEE that has already been made available to the end user;

“recall notice” means a notice given under paragraph 4 of Schedule 3;

[^{F100}“relevant market” means the market comprised of the market in Northern Ireland and the markets of the EEA states;]

[^{F100}“relevant state” means Northern Ireland or any EEA state;]

“spare part” means a separate part of an item of EEE that can replace a part of an item of EEE and—

- (a) the item of EEE cannot function as intended without that part; and
- (b) the functionality of the item of EEE is restored or upgraded when the part is replaced by the spare part;

“technical documentation” has the meaning given in Module A of Annex II to Decision 768/2008/EC of the European Parliament and of the Council on a common framework for the marketing of products(7);

“withdraw” means to take any measure aimed at preventing an item of EEE in the supply chain from being made available on the market.

Extent Information

E22 This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

[^{F11} Interpretation: designated standard

2A.—(1) In these Regulations a “designated standard” means a technical specification which is—

- (a) adopted by a recognised standardisation body [^{F12}or an international standardising body], for repeated or continuous application, with which compliance is not compulsory; and
- (b) designated and published by the Secretary of State in accordance with paragraphs (3) to (5).

(2) In this regulation, a “technical specification” means a document that prescribes technical requirements to be fulfilled by a product, process, service or system and which lays down one or more of the following—

- (a) the characteristics required of a product, including—
 - (i) levels of quality, performance, interoperability, environmental protection, health, safety or dimensions, and
 - (ii) the requirements applicable to the product as regards the name under which the product is sold, terminology, symbols, testing and test methods, packaging, marking or labelling and conformity assessment procedures; and
- (b) production methods and processes relating to the product, where these have an effect on the characteristics of the product.

(3) Before designating the reference to a technical specification adopted by the British Standards Institution, the Secretary of State must have regard to whether the technical specification is consistent

Changes to legislation: *The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

with ^{F13}such] technical specifications adopted by the other recognised standardisation bodies ^{F14}or by international standardising bodies as the Secretary of State considers to be relevant.]

(4) The Secretary of State must publish a reference to a designated technical specification in a manner which the Secretary of State considers appropriate to draw the standard to the attention of any person who may have an interest in the standard.

(5) The Secretary of State may withdraw the designation of a technical specification, and as soon as reasonably practicable after doing so must publish notice of that withdrawal in a manner which the Secretary of State considers appropriate to draw that withdrawal to the attention of any person who may have an interest in it.

(6) In paragraph (2), a reference to a “product” is a reference to any materials, components and EEE to which these Regulations apply.

^{F15}(7) In this regulation—

- (a) “international standardising body” has the same meaning as it has for the purposes of the Agreement on Technical Barriers to Trade, part of Annex 1A to the agreement establishing the World Trade Organisation signed at Marrakesh on 15 April 1994 (as modified from time to time);
- (b) a “recognised standardisation body” means any one of the following—
 - (i) the European Committee for Standardisation (CEN);
 - (ii) the European Committee for Electrotechnical Standardisation (Cenelec);
 - (iii) the European Telecommunications Standards Institute (ETSI);
 - (iv) the British Standards Institution (BSI).]

Modifications to the Directive

2B.—(1) For the purposes of these Regulations, except regulation 34A, the Directive is to be read in accordance with this regulation.

(2) A term which is used in the Directive and which is defined in Part 1 of these Regulations is to be read as having the meaning given by Part 1.

(3) Article 3 is to be read as if points (1), (2), (5), (11), (12), (21), (22), (24) and (27) were omitted.

(4) Article 4 is to be read as if—

- (a) in paragraph 1, for “Member States” there was substituted “the Secretary of State”;
- (b) in paragraph 2, the second sentence were omitted.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(5) Annex 3 is to be read as if, in entry 41 of the table, in the second column, for the words “classes SH:1” to the end, substitute “category NRSh’ of Article 4(1), point 3 of Regulation (EU) 2016/1628 of the European Parliament and of the Council on requirements relating to gaseous and particulate pollutant emission limits and type-approval for internal combustion engines for non-road mobile”.

(6) Annex 4 is to be read as if—

- “(a) in points 21 and 30, “EU” were omitted;
- (b) in point 33, for the words from “Directive 93/42/EEC” to “defibrillators” there were substituted “mobile medical devices (other than portable emergency defibrillators) that are classified as belonging to Class IIa or IIb for the purposes of the Medical Devices Regulations 2002.”]

Textual Amendments

F11 Regs. 2A, 2B inserted (E.W.S.) (31.12.2020) by [The Waste \(Miscellaneous Amendments\) \(EU Exit\) \(No. 2\) Regulations 2019 \(S.I. 2019/188\)](#), regs. 1(2)(b), **18(3)** (as amended by [S.I. 2020/1540](#), regs. 1(2), **11(2)**); 2020 c. 1, Sch. 5 para. 1(1)

Restriction on the use of certain hazardous substances in EEE **E+W+S**

3.—(1) Subject to paragraph (2) and (4) EEE placed on the market must not contain the substances listed in [^{F16}Schedule A1].

(2) The presence of those substances in quantities no greater than the maximum concentration value by weight in homogeneous materials as specified in [^{F17}Schedule A1], is allowed.

(3) In paragraph (2) “homogeneous material” means one material of uniform composition throughout or a material, consisting of a combination of materials, that cannot be disjoined or separated into different materials by mechanical actions such as unscrewing, cutting, crushing, grinding and abrasive processes.

(4) Paragraph (1) shall not apply to the applications listed in [^{F18}Schedule A2].

Extent Information

F101 Words in reg. 3(1) inserted (N.I.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), **14(3)**

F102 Words in reg. 3(4) inserted (N.I.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), **14(3)**

Definition of EEE

4.—(1) “EEE” means electrical and electronic equipment which is dependent on electric currents or electromagnetic fields in order to work properly and equipment for the generation, transfer and measurement of such currents and fields and designed for use with a voltage rating not exceeding 1000 volts for alternating current and 1500 volts for direct current.

(2) In paragraph (1) “dependent” means needing electric currents or electromagnetic fields to fulfil at least one intended function.

(3) References to EEE include references to cables and spare parts for its repair, its reuse, updating of its functionalities or upgrading of its capacity.

EEE to which these Regulations apply

5.—(1) Subject to paragraphs (2) and (3) ^{F19}..., these Regulations apply to EEE which falls within the categories set out in Part 1 of Schedule 1 and—

- (a) is placed on the market on or after 2nd January 2013; or
- (b) was placed on the market before 2nd January 2013 as set out in paragraph (2) of regulation 7.

(2) These Regulations do not apply to EEE which falls within the categories set out in Part 2 of Schedule 1.

(3) These Regulations apply to EEE which falls within the categories set out in Part 3 of Schedule 1 as set out in that Part.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the EEE; or
 - (b) a data plate affixed to the EEE.

(3) Where due to the nature of the EEE it is not possible or not warranted for the CE marking to be affixed in accordance with paragraph (2), the manufacturer must instead affix the CE marking to—

- (a) the packaging of the EEE; and
- (b) any documents that accompany the EEE.

Extent Information

E22 This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Compliance procedures for series production **E+W+S**

17.—(1) A manufacturer of EEE which is manufactured by means of series production must ensure that procedures are in place to ensure that any EEE so manufactured complies with the requirements of regulation 3.

- (2) In doing so, the manufacturer must take adequate account of—
- (a) any changes in the design or characteristics of the EEE; and

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) any changes to any [^{F45}designated standards] or technical specifications referred to in the ^{F46}... declaration of conformity drawn up in relation to the EEE.

(3) In this regulation “technical specification” means a document that prescribes technical requirements to be fulfilled by a product, process or service.

Extent Information

Compliance procedures for series production **N.I.**

17.—(1) A manufacturer of EEE which is manufactured by means of series production must ensure that procedures are in place to ensure that any EEE so manufactured complies with the requirements of regulation 3.

(2) In doing so, the manufacturer must take adequate account of—

- (a) any changes in the design or characteristics of the EEE; and
- (b) any changes to any harmonised standards or technical specifications referred to in the EU declaration of conformity drawn up in relation to the EEE.

(3) In this regulation “technical specification” means a document that prescribes technical requirements to be fulfilled by a product, process or service.

Extent Information

E22 This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Information identifying EEE and manufacturer **E+W+S**

18.—(1) A manufacturer must ensure that a type, batch or serial number or other element allowing the EEE to be identified is marked—

- (a) on the EEE; or
- (b) where the size or nature of the EEE does not allow this, on the packaging of the EEE or in a document accompanying the EEE.

(2) A manufacturer must indicate the manufacturer’s name, registered trade name or registered trade mark and a single address at which they can be contacted—

- (a) on the EEE; or
- (b) where that is not possible, on the packaging of the EEE or in a document accompanying the EEE.

(3) Where other applicable [^{F47}retained EU law] contains provisions for the affixing of the manufacturer's name and address to the EEE which are at least as stringent as those set out in this regulation, the provisions of this regulation may be met by satisfying the provisions of that other legislation.

Extent Information

E11 This version of this provision extends to England and Wales and Scotland only; a separate version has been created for Northern Ireland only

Textual Amendments

Information identifying EEE and manufacturer **N.I.**

18.—(1) A manufacturer must ensure that a type, batch or serial number or other element allowing the EEE to be identified is marked—

- (a) on the EEE; or
- (b) where the size or nature of the EEE does not allow this, on the packaging of the EEE or in a document accompanying the EEE.

(2) A manufacturer must indicate the manufacturer's name, registered trade name or registered trade mark and a single address at which they can be contacted—

- (a) on the EEE; or
- (b) where that is not possible, on the packaging of the EEE or in a document accompanying the EEE.

(3) Where other applicable EU legislation or legislation giving effect to EU legislation contains provisions for the affixing of the manufacturer's name and address to the EEE which are at least as stringent as those set out in this regulation, the provisions of this regulation may be met by satisfying the provisions of that other legislation.

Extent Information

E22 This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Register of EEE

19. A manufacturer must keep a register of any EEE placed on the market that the manufacturer has manufactured, or had designed and manufactured,—

- (a) in relation to which any provision of these Regulations has not been complied with; or
- (b) which has been recalled,

and keep distributors informed of these matters.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Non-compliant EEE **E+W+S**

20. Where a manufacturer has placed EEE on the market and has reason to believe that any provision of these Regulations has not been complied with by the manufacturer in relation to the EEE, the manufacturer must immediately—

- (a) take the corrective measures which are necessary to ensure that the provision is complied with in relation to the EEE, withdraw the EEE or recall it, if appropriate; and
- (b) provide the market surveillance authority ^{F48}... with information about the non-compliance and any such corrective measures taken.

Extent Information

Non-compliant EEE **N.I.**

20. Where a manufacturer has placed EEE on the market and has reason to believe that any provision of these Regulations has not been complied with by the manufacturer in relation to the EEE, the manufacturer must immediately—

- (a) take the corrective measures which are necessary to ensure that the provision is complied with in relation to the EEE, withdraw the EEE or recall it, if appropriate; and
- (b) provide the market surveillance authority and the competent national authorities of any other [^{F103}relevant states] in which they made the EEE available with information about the non-compliance and any such corrective measures taken.

Extent Information

E22 This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Textual Amendments

F103 Words in [reg. 20\(b\)](#) substituted (N.I.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), **14(5)**

Co-operation with the authorities

21.—(1) The market surveillance authority may, during the period of 10 years from the day on which EEE was placed on the market, request the manufacturer who placed EEE on the market to—

- (a) provide it within such period as the authority may specify with all the information and documentation necessary to demonstrate that the provisions of these Regulations have been complied with in relation to the EEE; and
- (b) co-operate with that authority on any action taken or to be taken to ensure that the provisions of these Regulations are complied with in relation to the EEE.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) A request under paragraph (1)(a) must be accompanied by the reasons for making the request.
- (3) The manufacturer must comply with a request made under paragraph (1).
- (4) The information and documentation supplied pursuant to a request under paragraph (1)(a) must be drawn up in or translated into English.

Manufacturers' authorised representatives **E+W+S**

22.—(1) A manufacturer may, by written mandate, appoint a person established within the [F49United Kingdom] as their authorised representative to act on the manufacturer's behalf in relation to specified tasks.

(2) The mandate must allow the authorised representative to do at least the following in relation to EEE covered by the mandate—

- (a) perform the manufacturer's obligations under regulation 15 (duty to keep technical documentation and F50... declaration of conformity); and
- (b) perform the manufacturer's obligations under paragraph (4) of regulation 21 (cooperation with the authorities).

(3) An authorised representative may not be appointed to perform the manufacturer's obligations under regulation 11 (design and manufacture of EEE) or paragraph (1)(a) of regulation 12 (conformity assessment procedure and drawing up of technical documentation).

(4) An authorised representative must comply with all the duties imposed on the manufacturer in relation to each obligation under these Regulations that the representative is appointed by the mandate to perform and, accordingly—

- (a) as far as those duties are concerned, references in these Regulations to the manufacturer are to be taken as including a reference to the authorised representative; and
- (b) if the authorised representative contravenes or fails to comply with any of those duties, the authorised representative may be proceeded against as though the authorised representative were the manufacturer.

(5) A manufacturer who has appointed an authorised representative to perform on the manufacturer's behalf an obligation under these Regulations remains responsible for the proper performance of that obligation.

Duty to act with due care and prohibition on making EEE available on the market **N.I.**

29.—(1) When making EEE available on the market, a distributor must act with due care in relation to the requirements applicable, in particular by verifying that—

- (a) the EEE bears the CE marking;
- (b) the EEE is accompanied by the required documents in a language which can be easily understood by consumers and other end-users in the [^{F107}relevant state] in which the EEE is to be made available on the market;
- (c) the manufacturer has complied with regulation 18 (information identifying EEE and manufacturer);
- (d) the importer has complied with regulation 24 (information identifying importers).

(2) A distributor must not make EEE available on the market if the distributor has reason to believe that the EEE does not comply with the requirements of regulation 3.

Extent Information

Non-compliant EEE **E+W+S**

30.—(1) If a distributor has reason to believe that EEE which the distributor was intending to make available on the market does not comply with the requirements of regulation 3, the distributor must inform the following to that effect—

- (a) the importer (if there is one);
- (b) the manufacturer (if there is no importer); and
- (c) the market surveillance authority.

(2) A distributor who has reason to believe that EEE which the distributor has made available on the market is not in conformity with these Regulations must—

- (a) take the corrective measures which are necessary to ensure that the provision is complied with in relation to the EEE, withdraw the EEE or recall it, if appropriate; and
- (b) immediately provide the market surveillance authority ^{F60}... with information about the non-compliance and any corrective measures taken under sub-paragraph (a).

(2) A distributor who has reason to believe that EEE which the distributor has made available on the market is not in conformity with these Regulations must—

- (a) take the corrective measures which are necessary to ensure that the provision is complied with in relation to the EEE, withdraw the EEE or recall it, if appropriate; and
- (b) immediately provide the market surveillance authority and the competent national authorities of any other [^{F108}relevant states] in which they made the EEE available with information about the non-compliance and any corrective measures taken under sub-paragraph (a).

Extent Information

- E22** This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Textual Amendments

- F108** Words in [reg. 30\(2\)\(b\)](#) substituted (N.I.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), [regs. 1\(3\), 14\(5\)](#)

Co-operation with the authorities

31.—(1) The market surveillance authority may request a distributor who has made EEE available on the market to—

- (a) provide it within such period as the authority may specify with all the information and documentation within the distributor’s knowledge or possession which demonstrate that the provisions of these Regulations have been complied with in relation to the EEE; and
 - (b) co-operate with that authority on any action taken or to be taken to ensure that the provisions of these Regulations are complied with in relation to the EEE.
- (2) A request under paragraph (1)(a) must be accompanied by the reasons for making the request.
- (3) The distributor must comply with a request under paragraph (1).
- (4) A request for information or documents may not be made more than 10 years after the day on which the EEE is placed on the market.

Duty in certain circumstances to comply with manufacturers’ duties in place of distributors’ duties

32. A distributor who modifies EEE already placed on the market in such a way that compliance with the requirements of regulation 3 may be affected must comply with all of the duties imposed by these Regulations on manufacturers, and in such a case, a reference to the manufacturer in these Regulations is to be taken as being a reference to the distributor.

All economic operators

Identification of economic operators to the market surveillance authority

33.—(1) The market surveillance authority may, for ten years following the placing on the market of the EEE, request an economic operator to identify to the authority, within such period as the authority may specify—

- (a) any economic operator who has supplied it with EEE; and
 - (b) any economic operator to whom it has supplied EEE.
- (2) The economic operator must comply with the request.

Protection of [F61UK] marking **E+W+S**

34.—(1) A person must not affix a [F62UK] marking in relation to EEE unless—

- (a) the person is—
 - (i) the manufacturer; or

[^{F63}Obligations which are met by complying with obligations in the Directive

34A.—(1) This regulation makes provision for obligations on manufacturers, importers and distributors in these Regulations for placing, or making available, EEE on the market to be met by complying with obligations in the Directive for placing, or making available, EEE on the market.

(2) In this regulation—

- (a) any reference to an Article or an Annex is a reference to an Article or an Annex of the Directive;
- (b) “CE marking” has the meaning given to it in Article 3(15);
- (c) “harmonised standard” has the meaning given to it in Article 3(13).

(3) Paragraph (4) applies where, before placing EEE on the market, the manufacturer—

- (a) ensures the EEE has been designed and manufactured in accordance with the requirements set out in Articles 4 and 7;
- (b) ensures that the conformity assessment procedure that applies to the EEE in accordance with Article 7(b) has been carried out;
- (c) affixes a CE marking, in accordance with Article 7(c), 15(1) and (2);
- (d) draws up an EU declaration of conformity, in accordance with Article 13; and
- (e) ensures that the EU declaration of conformity is prepared in or translated into English.

(4) Where this paragraph applies—

- (a) the requirements of regulations 12(1), 13 and 14(1), (2), (5) and (6) are satisfied in respect of that EEE;
- (b) regulations 12(1), 13, 14(1), (2), (5) and (6) apply to that EEE subject to the modifications in paragraph (9).

(5) Paragraph (6) applies where, before placing EEE on the market, the importer ensures that—

- (a) the conformity assessment procedure that applies to that EEE in accordance with Article 7(b) has been carried out;
- (b) the manufacturer has drawn up the technical documentation referred to in Article 7(b); and
- (c) the EEE bears the CE marking and inscriptions referred to in Article 13.

(6) Where this paragraph applies—

- (a) the requirements of regulation 23(b) are satisfied in respect of that EEE;
- (b) regulation 23(b) applies to that EEE subject to the modifications in paragraph (9).

(7) Paragraph (8) applies where, before making EEE available on the market, a distributor ensures that the EEE bears the CE marking and inscriptions referred to Article 13.

(8) Where this paragraph applies—

- (a) the requirements of regulation 29(1)(a) are satisfied in respect of that EEE;
- (b) regulation 29(1)(a) applies to that EEE subject to the modifications in paragraph (9).

(9) The modifications referred to in paragraphs (4)(b), (6)(b) and (8)(b) are that—

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) any reference to “declaration of conformity” is to be read as a reference to the EU declaration of conformity;
- (b) any reference to “UK marking” is to be read as a reference to the CE marking;
- (c) any reference to “designated standard” is to be read as a reference to a harmonised standard;
- (d) any reference to an “internal control procedure” is to be read as a reference to Module A of Annex 2 to Decision 768/2008/EC of the European Parliament and of the Council on a common framework for the marketing of products as it has effect in EU law, as amended from time to time;
- (e) any reference to “technical documentation” is a reference to the technical documentation referred to in Article 7(b).]

Textual Amendments

F63 Reg. 34A inserted (E.W.S.) (31.12.2020) by [The Waste \(Miscellaneous Amendments\) \(EU Exit\) \(No. 2\) Regulations 2019](#) (S.I. 2019/188), regs. 1(2)(b), **18(23)** (as amended by S.I. 2020/1540, regs. 1(2), **11(2)**); 2020 c. 1, Sch. 5 para. 1(1)

[^{F64}Expiry of regulation 34A

34B.—(1) Subject to paragraphs (2) and (3), regulation 34A ceases to have effect at the end of the period of [^{F65}24 months] beginning with IP completion day.

(2) Notwithstanding the expiry of regulation 34A—

- (a) any EEE which was placed on the market pursuant to regulation 34A may continue to be made available on the market on or after the expiry of regulation 34A;
- (b) any obligation to which a person was subject in respect of EEE placed on the market pursuant to regulation 34A continues to have effect after the expiry of regulation 34A, in respect of that EEE.

(3) Regulation 34A continues to apply to EEE that—

- (a) was available on the market in the EU prior to IP completion day; and
- (b) is placed on the market on or after IP completion day.

(4) Where EEE is placed on the market pursuant to paragraph (3), regulation 24(1) does not apply where—

- (a) the importer has imported the EEE from the EU; and
- (b) before placing the product on the market, the importer sets out the information referred to in regulation 24(1) in a document accompanying the EEE.

Qualifying Northern Ireland goods

34C.—(1) Where paragraph (2) applies, EEE is to be treated as being in conformity with these Regulations.

(2) This paragraph applies where—

(a) the goods which are EEE—

(i) are in conformity with these Regulations as they apply in Northern Ireland; and

(ii) are qualifying Northern Ireland goods; and

(b) an importer has complied with the obligations set out in paragraph (3).

(3) The obligations referred to in paragraph (2)(b) are that, before placing the EEE on the market, the importer—

(a) complies with regulation 21; and

(b) ensures that the manufacturer has done all of the following in relation to the EEE, in accordance with these Regulations as they apply in Northern Ireland—

(i) carried out the conformity assessment procedure in accordance with regulation 12(1);

(ii) drawn up the technical documentation; and

(iii) affixed the CE marking.

(4) For the purposes of this regulation—

(a) “in conformity with these Regulations” means, in relation to EEE, that—

(i) the EEE is not prohibited by regulation 3 from being placed on the market; and

(ii) each person who has obligations under this Part in respect of the EEE has complied, or is complying, with those obligations;

(b) “CE marking” and “technical documentation” have the meanings given in regulation 2 of these Regulations as they apply in Northern Ireland;

(c) “qualifying Northern Ireland goods” has the meaning given to it from time to time in regulations made under section 8C(6) of the European Union (Withdrawal) Act 2018.]

PART 3

Enforcement

Market surveillance authority

35.—(1) It is the duty of the Secretary of State to enforce these Regulations and the Secretary of State is the market surveillance authority for the purposes of these Regulations and RAMS in its application to EEE.

(2) The market surveillance authority may authorise in writing any person who appears suitable to act on its behalf to carry out any of its functions and to exercise any of the powers and duties conferred on it by these Regulations or RAMS.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The market surveillance authority must not commence proceedings for an offence in Scotland.

Market surveillance powers

36. Where the market surveillance authority considers that there may be a breach of these Regulations it may—

- (a) exercise the powers set out in Schedule 2 (test purchases, powers of entry etc and warrants); and
- (b) take the actions set out in Schedule 3 (compliance, enforcement and recall notices).

Offences **E+W+S**

37.—(1) It is an offence for a manufacturer to contravene or fail to comply with any of the requirements of—

- (a) regulation 10 (prohibitions on placing EEE on the market);
- (b) regulation 15 (duty to keep technical documentation and ^{F66}... declaration of conformity);
- (c) regulation 19 (register of EEE);
- (d) regulation 20 (non-compliant EEE); or
- (e) regulation 21 (co-operation with the authorities).

(2) It is an offence for an importer to contravene or fail to comply with any of the requirements of—

- (a) regulation 23 (prohibition on placing EEE on the market);
- (b) regulation 25 (monitoring of EEE);
- (c) regulation 26 (non-compliant EEE); or
- (d) regulation 27 (retention of documents and co-operation with authorities).

(3) It is an offence for a distributor to contravene or fail to comply with any of the requirements of—

- (a) regulation 29 (duty to act with due care and prohibition on making EEE available on the market);
- (b) regulation 30 (non-compliant EEE); or
- (c) regulation 31 (co-operation with authorities).

(4) It is an offence for an economic operator to contravene or fail to comply with regulation 33(2) (identification of economic operators to the market surveillance authority).

(5) It is an offence for any person to contravene or fail to comply with any of the requirements of regulation 34 (protection of [^{F67}UK] marking).

(6) In any proceedings for an offence under paragraph (1)(a) in respect of a failure to affix the [^{F68}UK] marking in accordance with regulation 16 (EEE to bear [^{F68}UK] marking), where the accused seeks to rely on regulation 16(3), it is for the accused to show that it was not possible, or (as the case may be) not warranted, for the [^{F68}UK] marking to be affixed in accordance with regulation 16(2).

- (c) regulation 31 (co-operation with authorities).

(4) It is an offence for an economic operator to contravene or fail to comply with regulation 33(2) (identification of economic operators to the market surveillance authority).

(5) It is an offence for any person to contravene or fail to comply with any of the requirements of regulation 34 (protection of CE marking).

(6) In any proceedings for an offence under paragraph (1)(a) in respect of a failure to affix the CE marking in accordance with regulation 16 (EEE to bear CE marking), where the accused seeks to rely on regulation 16(3), it is for the accused to show that it was not possible, or (as the case may be) not warranted, for the CE marking to be affixed in accordance with regulation 16(2).

Extent Information

- E22** This version of this provision extends to Northern Ireland only; a separate version has been created for England and Wales and Scotland only

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Obstruction, etc.

38. It is an offence for any person—

- (a) intentionally to obstruct an authorised person acting in pursuance of their powers and duties under these Regulations or Article 19 (which provides for market surveillance measures) of RAMS; or
- (b) knowingly or recklessly to—
 - (i) make a statement; or
 - (ii) provide any information, document or record,

which is false or misleading in a material respect, in purported compliance with any requirement imposed under these Regulations or Article 19 of RAMS.

Penalties

39.—(1) A person who is guilty of an offence under—

- (a) regulation 37(1)(a);
- (b) regulation 37(2)(a); or
- (c) regulation 37(3)(a),

is liable on summary conviction, to a fine not exceeding the statutory maximum and on conviction on indictment, to a fine.

(2) A person who is guilty of—

- (a) any other offence under regulation 37; or
- (b) an offence under regulation 38,

is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

Remediation orders

40.—(1) This regulation applies where a person commits an offence under these Regulations in respect of a matter which appears to the court to be a matter which it is in the person's power to remedy.

(2) The court may specify in an order (“a remediation order”)—

- (a) the steps that the person must take to remedy any of the matters for which that person has been convicted; and
- (b) the period within which those steps must be taken.

(3) A period specified in a remediation order may be extended if an application is made to the court within that period.

(4) If a person is ordered to remedy a matter, that person is not liable under regulation 37 (offences) in respect of that matter during the period or the extended period.

(5) A remediation order may be made in addition to, or instead of, any other penalty.

Recovery of expenses of enforcement

41.—(1) This regulation applies where a person commits an offence under regulation 37(1)(a), (2)(a) or (3)(a) or paragraph 9 of Schedule 3.

(2) The court may (in addition to any other order it may make as to costs or expenses) order the person to reimburse the market surveillance authority for any expenditure which the authority has

reasonably incurred in investigating the offence, including in purchasing or in testing or examining any EEE, or any part of it, in respect of which the offence was committed.

Time limit for prosecution of offences

42.—^[F69](1) In England and Wales an information relating to an offence that is triable by a magistrates' court may be so tried if it is laid within twelve months after the date on which evidence sufficient in the opinion of the prosecutor to justify the proceedings comes to the knowledge of the prosecutor.]

^[F70](2) In Scotland

- (a) summary proceedings for an offence may be commenced before the end of twelve months from the date on which evidence sufficient in the Lord Advocate's opinion to justify the proceedings came to the Lord Advocate's knowledge, and
- (b) section 136(3) of the Criminal Procedure (Scotland) Act 1995 (time limit for certain offences)⁽¹⁰⁾ applies for the purpose of this paragraph as it applies for the purpose of that section.]

(3) In Northern Ireland summary proceedings for an offence may be instituted within twelve months after the date on which evidence sufficient in the opinion of the prosecutor to justify proceedings comes to the knowledge of the prosecutor.

(4) No proceedings are to be brought more than three years after the commission of the offence.

(5) For the purposes of this regulation a certificate of the prosecutor ^[F71](or in Scotland, the Lord Advocate)] as to the date on which such evidence as is referred to above came to their knowledge is conclusive evidence.

Textual Amendments

F69 Reg. 42(1) omitted (N.I.) (31.12.2020) by virtue of [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), [14\(8\)\(a\)](#)

F70 Reg. 42(2) omitted (N.I.) (31.12.2020) by virtue of [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), [14\(8\)\(a\)](#)

F71 Words in reg. 42(5) omitted (N.I.) (31.12.2020) by virtue of [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), [14\(8\)\(b\)](#)

Defence of due diligence

43.—(1) In proceedings for an offence under these Regulations, it is a defence for a person to show that they took all reasonable steps and exercised all due diligence to avoid committing the offence.

(2) A person is not, without the leave of the court, entitled to rely on the defence if it involves an allegation that the commission of the offence was due—

- (a) to the act or default of another; or
- (b) to reliance on information supplied by another;

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

unless, not less than seven clear days before the hearing of the proceedings [^{F72}(in England, Wales and Northern Ireland), or the trial diet (in Scotland)], the person has served a notice on the person bringing the proceedings.

(3) The notice must give the information in the possession of the person (“A”) serving the notice which identifies or assists in identifying the person (“B”) who—

- (a) committed the act or default; or
- (b) supplied the information which was relied on.

(4) A may not rely on the defence by reason of reliance on information supplied by B, unless A shows that it was reasonable in all the circumstances to have relied on the information, having regard in particular—

- (a) to the steps that A took and those which might reasonably have been taken for the purpose of verifying the information; and
- (b) to whether A had any reason to disbelieve the information.

Textual Amendments

F72 Words in [reg. 43\(2\)](#) omitted (N.I.) (31.12.2020) by virtue of [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), [regs. 1\(3\), 14\(9\)](#)

Liability of persons other than the principal offender

44.—(1) Where the commission by a person of an offence under these Regulations is due to anything which another person did or failed to do in the course of a business, that other person is guilty of the offence and may be proceeded against and punished, whether or not proceedings are taken against the first person.

(2) Where a body corporate commits an offence and it is proved that the offence was committed—

- (a) with the consent or connivance of a relevant person; or
- (b) as a result of the negligence of a relevant person,

that person, as well as the body corporate, is guilty of the offence.

(3) A “relevant person” means—

- (a) a director, manager, secretary or other similar officer of the body corporate;
- (b) in relation to a body corporate managed by its members, a member of that body performing managerial functions;
- (c) in relation to a Scottish partnership, a partner;
- (d) a person purporting to act as a person described in (a), (b) or (c).

Service of documents

45.—(1) Any document required or authorised by these Regulations to be served on a person may be served by—

- (a) delivering it to that person in person;
- (b) leaving it at that person’s proper address; or
- (c) sending it by post or electronic means to that person’s proper address.

(2) In the case of a body corporate, a document may be served on a director of that body.

(3) In the case of a partnership, a document may be served on a partner or a person having control or management of the partnership business.

(4) For the purposes of this regulation, “proper address” means—

(a) in the case of a body corporate or its director—

(i) the registered or principal office of that body; or

(ii) the email address of the secretary or clerk of that body;

(b) in the case of a partnership, a partner or person having control or management of the partnership business—

(i) the principal office of the partnership; or

(ii) the email address of a partner or a person having that control or management;

(c) in any other case, a person’s last known address, which includes an email address.

(5) If a person to be served with a document has specified an address in the United Kingdom (other than that person’s proper address) at which that person or someone on that person’s behalf will accept service, that address must also be treated as that person’s proper address.

(6) In this regulation “partnership” includes a Scottish partnership.

PART 4

Miscellaneous

Review

46.—(1) The Secretary of State must from time to time—

(a) carry out a review of these Regulations;

(b) set out the conclusions of the review in a report; and

(c) publish the report.

(2) In carrying out the review the Secretary of State must, so far as is reasonable, have regard to how the Directive is implemented in [^{F73}other] member States.

(3) The report must in particular—

(a) set out the objectives intended to be achieved by the regulatory system established by these Regulations;

(b) assess the extent to which those objectives are achieved; and

(c) assess whether those objectives remain appropriate and, if so, the extent to which they could be achieved with a system that imposes less regulation.

(4) The first report under this regulation must be published before the end of the period of five years beginning with the day on which these Regulations come into force.

(5) Reports under this regulation are afterwards to be published at intervals not exceeding five years.

Textual Amendments

F73 Word in [reg. 46\(2\)](#) omitted (N.I.) (31.12.2020) by virtue of [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), [regs. 1\(3\), 14\(10\)](#)

[^{F74}SCHEDULE A1

Regulation 3

Restricted substances referred to in regulation 3 and maximum concentration values tolerated by weight in homogeneous materials

Textual Amendments

F74 Sch. A1 inserted (E.W.S.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), reg. 1(3), **Sch. 2**

Lead (0.1%)

Mercury (0.1%)

[^{F75}Cadmium (0.01%)]

Hexavalent chromium (0.1%)

Polybrominated biphenyls (PBB) (0.1%)

Polybrominated diphenyl ethers (PBDE) (0.1%)

Bis (2-ethylexyl) phthalate (DEHP) (0.1%)

Butyl benzyl phthalate (BBP) (0.1%)

Dibutyl phthalate (DBP) (0.1%)

Diisobutyl phthalate (DIBP) (0.1%)

The restriction of DEHP, BBP, DBP and DIBP does not apply to—

- (a) medical devices, including *in vitro* medical devices;
- (b) monitoring and control instruments, including industrial monitoring and control instruments;
- (c) cables or spare parts for the repair, the reuse, the updating of functionalities or upgrading of capacity of EEE placed on the market before 22nd July 2019.

The restriction of DEHP, BBP and DBP does not apply to toys which are already subject to the restriction of DEHP, BBP and DBP through entry 51 of Annex 17 to Regulation (EC) No 1907/2006.]

Textual Amendments

F75 Words in [Sch. A1](#) substituted (4.5.2021) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2021 \(S.I. 2021/422\)](#), regs. 1(2), **2**

[^{F76}SCHEDULE A2

Regulation 3

Applications exempted from the restriction in regulation 3(1)

Textual Amendments

F76 Sch. A2 inserted (E.W.S.) (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), reg. 1(3), **Sch. 2**

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Modifications etc. (not altering text)

- C1** Sch. A2: power to amend conferred (31.12.2020) by [The Hazardous Substances and Packaging \(Legislative Functions and Amendment\) \(EU Exit\) Regulations 2020 \(S.I. 2020/1647\)](#), regs. 1(3), 5

The tables of exempted applications

1. In this Schedule—
 - (a) Table 1 sets out exemptions from the restriction in regulation 3(1) for applications of restricted substances in EEE, other than exemptions for applications for spare parts for EEE;
 - (b) Table 2 sets out exemptions from the restriction in regulation 3(1) for applications of restricted substances in spare parts for EEE.

Interpretation of the tables

2. The following provisions apply for the purposes of interpreting Tables 1 and 2.
3. In Table 1, in the column headed “corresponding EU exemption”, a reference to a numbered Annex, followed by another number, is a reference to the exemption with that number in that Annex to [Directive 2011/65/EU](#).
4. In Tables 1 and 2, in the column headed “categories of EEE to which exemption applies”, the entries indicate the categories of EEE to which an exemption applies, as follows—
 - (a) a number from 1 to 11, which is not followed by any letters, means the category of EEE with that number in Part 1 of Schedule 1;
 - (b) “8iv” and “8x” are sub-categories of category 8 (medical devices) with the following meanings—
 - (i) 8iv means in vitro diagnostic medical devices;
 - (ii) 8x means medical devices, other than in vitro diagnostic medical devices;
 - (c) “9ind” and “9x” are sub-categories of category 9 (monitoring and control instruments) with the following meanings—
 - (i) 9ind means industrial monitoring and control instruments;
 - (ii) 9x means monitoring and control instruments, other than for industrial use.
5. In Table 1, in the column headed “expiry date or status”—
 - (a) a date, in relation to an exemption and a category of EEE, is the expiry date of the exemption for that category of EEE, that is, the date on which the exemption expires subject to regulation 5(8) of the 2020 Regulations;
 - (b) “transitional case”, in relation to an exemption and a category of EEE, means that the exemption for that category of EEE is a transitional case for the purposes of regulation 10 of the 2020 Regulations.
6. For the purposes of entries 1 to 9 in Table 1 (entries related to lighting) a lamp is for “general lighting purposes” if it is designed for the purpose of illuminating a room or space in order to provide or improve visibility, and it is for “special purposes” if it is designed for any other purpose.
7. In paragraph 5, “the 2020 Regulations” means the Hazardous Substances and Packaging (Legislative Functions and Amendment) (EU Exit) Regulations 2020.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Table 1**Table of exempted applications**

No.	Application	Maximum quantity exempted (if any)	Corresponding EU exemption	Categories of EEE to which exemption applies	Expiry date or status
1	Mercury in single capped (compact) fluorescent lamps:				
1.1	For general lighting purposes < 30 W	2.5 mg per burner	Annex 1(a)	3, all categories	transitional case
1.2	For general lighting purposes ≥ 30 W and < 50 W	3.5 mg per burner	Annex 1(b)	3, all categories	transitional case
1.3	For general lighting purposes ≥ 50 W and < 150 W	5 mg per burner	Annex 1(c)	3, all categories	transitional case
1.4	For general lighting purposes ≥ 150 W	15 mg per burner	Annex 1(d)	3, all categories	transitional case
1.5	For general lighting purposes with circular or square structural shape and tube diameter ≤ 17 mm	7 mg per burner	Annex 1(e)	3, all categories	transitional case
1.6	For special purposes	5 mg per burner	Annex 1(f)	3, 1-7, 8x, 9x, 10, 8iv, 9ind, 11	transitional case 21st July 2023 21st July 2024
1.7	For general lighting purposes < 30 W with a lifetime equal or above 20,000 h	3.5 mg per burner	Annex 1(g)	3, all categories	transitional case
2	Mercury in double-capped linear fluorescent lamps for general lighting purposes:				
2.1	Tri-band phosphor with normal lifetime (< 25,000 h) and a tube diameter < 9 mm (e.g. T2)	4 mg per lamp	Annex 2(a)(1)	3, all categories	transitional case
2.2	Tri-band phosphor with normal lifetime (< 25,000 h) and a tube diameter ≥ 9 mm and ≤ 17 mm (e.g. T5)	3 mg per lamp	Annex 2(a)(2)	3, all categories	transitional case
2.3	Tri-band phosphor with normal lifetime (< 25,000 h) and a tube diameter > 17 mm and ≤ 28 mm (e.g. T8)	3.5 mg per lamp	Annex 2(a)(3)	3, all categories	transitional case

(1) OJ No L 326, 19.12.1969, p.36, as last amended by Council [Directive 2006/96/EC](#) (OJ No L 363, 20.12.2006, p.81).

(2) EUR 2016/1628.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

No.	Application	Maximum quantity exempted (if any)	Corresponding EU exemption	Categories of EEE to which exemption applies	Expiry date or status
2.4	Tri-band phosphor with normal lifetime (< 25,000 h) and a tube diameter > 28 mm (e.g. T12)	3.5 mg per lamp	Annex 2(a)(4)	3, all categories	transitional case
2.5	Tri-band phosphor with long lifetime (\geq 25,000 h)	5 mg per lamp	Annex 2(a)(5)	3, all categories	transitional case
3	Mercury in other fluorescent lamps:				
3.1	Non-linear tri-band phosphor lamps with tube diameter > 17 mm (e.g. T9).	15 mg per lamp	Annex 2(b)(3)	3, 1-7, 8x, 9x, 10, 8iv, 9ind, 11	transitional case 21st July 2023 21st July 2024
3.2	Lamps for other general lighting and special purposes (e.g. induction lamps).	15 mg per lamp	Annex 2(b)(4)	3, 1-7, 8x, 9x, 10, 8iv, 9ind, 11	transitional case 21st July 2023 21st July 2024
4	Mercury in cold cathode fluorescent lamps and external electrode fluorescent lamps (CCFL and EEFL) for special purposes:				
4.1	Short length (\leq 500 mm)	3.5 mg per lamp	Annex 3(a)	3, 1-7, 8x, 9x, 10, 8iv, 9ind, 11	transitional case 21st July 2023 21st July 2024
4.2	Medium length (> 500 mm and \leq 1500 mm)	5 mg per lamp	Annex 3(b)	3, 1-7, 8x, 9x, 10, 8iv, 9ind, 11	transitional case 21st July 2023 21st July 2024
4.3	Long length (> 1500 mm)	13 mg per lamp	Annex 3(c)	3, 1-7, 8x, 9x, 10	transitional case

(1) OJ No L 326, 19.12.1969, p.36, as last amended by Council [Directive 2006/96/EC](#) (OJ No L 363, 20.12.2006, p.81).

Table 2

Table of exemptions for spare parts for EEE with no expiry date

<i>No.</i>	<i>Application</i>	<i>Categories of EEE to which exemption applies</i>
1	Lead in dielectric ceramic in capacitors for a rated voltage of less than 125 V AC or 250 V DC, where used in spare parts for EEE placed on the market before 1st January 2013.	all categories
2	Cadmium and its compounds in one shot pellet type thermal cut-offs, where used in spare parts for EEE placed on the market before 1st January 2012.	all categories
3	Lead used in C-press compliant pin connector systems, where used in spare parts for EEE placed on the market before 24th September 2010.	all categories
4	Lead used in other than C-press compliant pin connector systems, where used in spare parts for EEE placed on the market before 1st January 2013.	all categories
5	Lead as a coating material for the thermal conduction module C-ring, where used in spare parts for EEE placed on the market before 24th September 2010.	all categories
6	Lead in solders consisting of more than two elements for the connection between the pins and the package of microprocessors with a lead content of more than 80% and less than 85% by weight, where used in spare parts for EEE placed on the market before 1st January 2011.	all categories
7	Lead in finishes of fine pitch components other than connectors with a pitch of 0.65 mm and less, where used in spare parts for EEE placed on the market before 24th September 2010.	all categories
8	Cadmium in phosphor coatings in image intensifiers for X-ray images, in spare parts for X-ray systems placed on the market before 1st January 2020.	8, 9
9	Hexavalent chromium in alkali dispensers used to create photocathodes in X-ray image intensifiers, where used in spare parts for X-ray systems placed on the market before 1st January 2020.	8, 9
10	Lead used in other than C-press compliant pin connector systems, where used in spare parts for industrial monitoring and control instruments placed on the market before 1st January 2021.	9ind
11	Lead in dielectric ceramic in capacitors for a rated voltage of less than 125 V AC or 250 V DC, where used in spare parts for industrial monitoring and control instruments placed on the market before 1st January 2021.	9ind]

SCHEDULE 1

Regulation 5(1), (2) and (3)^{F77} and
regulation 12(1)

Textual Amendments

F77 Words in Sch. 1 inserted (E.W.S.) (31.12.2020) by [The Waste \(Miscellaneous Amendments\) \(EU Exit\) \(No. 2\) Regulations 2019 \(S.I. 2019/188\)](#), regs. 1(2)(b), **18(25)(a)** (as amended by S.I. 2020/1540, regs. 1(2), **11(2)**); 2020 c. 1, Sch. 5 para. 1(1)

PART 1

Categories of EEE to which these Regulations apply

1. Large household appliances.
2. Small household appliances.
3. IT and telecommunications equipment.
4. Consumer equipment.
5. Lighting equipment.
6. Electrical and electronic tools.
7. Toys, leisure and sports equipment.
8. Medical devices.
9. Monitoring and control instruments including industrial monitoring and control instruments.
10. Automatic dispensers.
11. Other EEE not covered by any of the categories above.

PART 2

EEE to which these Regulations do not apply

12. Equipment which is necessary for the protection of the essential interests of the security of ^{F78}the United Kingdom], including arms, munitions and war material intended for specifically military purposes.

13. Equipment designed to be sent into space.

14. Equipment which is specifically designed, and is to be installed, as part of another type of equipment to which these Regulations do not apply, which can fulfil its function only if it is part of that equipment, and which can be replaced only by the same specifically designed equipment.

15. Large-scale stationary industrial tools being a large-scale assembly of machines, equipment, and/or components—

- (a) functioning together for a specific application;
- (b) permanently installed and de-installed by professionals at a given place; and
- (c) used and maintained by professionals in an industrial manufacturing facility or research and development facility.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

16. Large-scale fixed installations being a large-scale combination of several types of apparatus and, where applicable, other devices, which are—

- (a) assembled and installed by professionals;
- (b) intended to be used permanently in a pre-defined and dedicated location; and
- (c) de-installed by professionals.

17. Means of transport for persons or goods, excluding electric two-wheel vehicles which are not type-approved.

18. Non-road mobile machinery made available exclusively for professional use, being machinery, with an on-board power source [^{F79}or with a traction drive powered by an external power source], the operation of which requires either mobility or continuous or semi-continuous movement between a succession of fixed working locations while working, and which is made available exclusively for professional use.

Textual Amendments

F79 Words in Sch. 1 para. 18 inserted (12.6.2019) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, **6(2)(a)**

19. Active implantable medical devices.

20. Photovoltaic panels intended to be used in a system that is designed, assembled and installed by professionals for permanent use at a defined location to produce energy from solar light for public, commercial, industrial and residential applications.

21. Equipment specifically designed solely for the purposes of research and development only made available on a business-to-business basis.

[^{F80}**21A.** Pipe organs.]

Textual Amendments

F80 Sch. 1 para. 21A inserted (12.6.2019) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, **6(2)(b)**

PART 3

Categories of EEE with special rules of application

22. Regulations 3(1), 10, 15, 19, 20, 21, 22, 23, 25, 26, 27 and 28 do not apply—

- (a) to medical devices and monitoring and control instruments placed on the market before 22nd July 2014;
- (b) to in vitro diagnostic medical devices placed on the market before 22nd July 2016; ^{F81}...
- (c) to industrial monitoring and control instruments placed on the market before 22nd July 2017; [^{F82}and
- (d) to all other EEE that was outside the scope of the 2002 Directive and which is placed on the market before 22nd July 2019.]

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Textual Amendments

- F81** Word in Sch. 1 para. 22(b) omitted (12.6.2019) by virtue of [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, [6\(3\)\(a\)\(i\)](#)
- F82** Sch. 1 para. 22(d) and word inserted (12.6.2019) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, [6\(3\)\(a\)\(ii\)](#)

23.—(1) Regulations 3(1), 10, 15, 19, 20, 21, 22, 23, 25, 26, 27 and 28 do not apply to cables or spare parts for the repair, the reuse, the updating of functionalities or upgrading of capacity of the following—

- (a) EEE placed on the market before 1st July 2006;
- (b) medical devices placed on the market before 22nd July 2014;
- (c) in vitro diagnostic medical devices placed on the market before 22nd July 2016;
- (d) monitoring and control instruments placed on the market before 22nd July 2014;
- (e) industrial monitoring and control instruments placed on the market before 22nd July 2017;
- ^{F83}(ea) all other EEE that was outside the scope of the 2002 Directive and which is placed on the market before 22nd July 2019;]
- (f) EEE which benefited from an exemption listed in the Directive or the ^{F84}2002 Directive] and which was placed on the market before that exemption expired, provided that the specific exemption concerned those cables or spare parts.

^{F85}(2)

Textual Amendments

- F83** Sch. 1 para. 23(1)(ea) inserted (12.6.2019) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, [6\(3\)\(b\)\(i\)\(aa\)](#)

- (e) recovered from all other EEE that was outside the scope of the 2002 Directive and which is placed on the market before 22nd July 2019, and used in EEE placed on the market before 22nd July 2029.]

Textual Amendments

F86 Sch. 1 para. 24 substituted (12.6.2019) by [The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment \(Amendment\) Regulations 2019 \(S.I. 2019/492\)](#), regs. 1, **6(3)(c)**

[^{F87} PART 4

Internal Production Control Procedure

Textual Amendments

F87 Sch. 1 Pt. 4 inserted (E.W.S.) (31.12.2020) by [The Waste \(Miscellaneous Amendments\) \(EU Exit\) \(No. 2\) Regulations 2019 \(S.I. 2019/188\)](#), regs. 1(2)(b), **18(25)(c)** (as amended by [S.I. 2019/1078](#), regs. 1, **4(5)** and [S.I. 2020/1540](#), regs. 1(2), **11(2)**); 2020 c. 1, Sch. 5 para. 1(1)

25. The internal production control procedure is a conformity assessment procedure whereby a manufacturer must ensure EEE is manufactured in compliance with the technical documentation and with the applicable requirements of these Regulations.

26. The technical documentation must—

- (a) make it possible to assess the EEE's conformity with the applicable requirements of these Regulations, and must include an adequate analysis and assessment of the risks;
- (b) specify the applicable requirements and cover, as far as relevant for the assessment, the design, manufacture and operation of the EEE;
- (c) contain, where applicable, at least the following elements—
 - (i) a general description of the EEE;
 - (ii) conceptual design and manufacturing drawings and schemes of components, sub-assemblies;
 - (iii) descriptions and explanations necessary for the understanding of those drawings and schemes, and the operation of the EEE;
 - (iv) a list of the designated standards applied in full or in part (where applicable specifying the parts which have been applied);
 - (v) where designated standards have not been applied, descriptions of the solutions adopted to meet the essential requirements, including a list of other relevant technical specifications applied;
 - (vii) results of design calculations made, examinations carried out and
 - (viii) test reports.]

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

[^{F88}SCHEDULE 1A

Regulation 14(2)

Declaration of conformity

Textual Amendments

F88 Sch. 1A inserted (E.W.S.) (31.12.2020) by [The Waste \(Miscellaneous Amendments\) \(EU Exit\) \(No. 2\) Regulations 2019 \(S.I. 2019/188\)](#), regs. 1(2)(b), **18(26)** (as amended by [S.I. 2020/1540](#), regs. 1(2), 11(2)); 2020 c. 1, Sch. 5 para. 1(1)

1. Declaration of conformity (unique identification of the EEE):
 2. Name and address of the manufacturer or, where applicable, authorised representative:
 3. This declaration of conformity is issued under the sole responsibility of the manufacturer (or installer):
 4. Object of the declaration (identification of EEE allowing traceability: it may include a photograph, where appropriate):
 5. The object of the declaration described above is in conformity with relevant statutory requirements:
 6. Where applicable, references to the relevant designated standards used or references to the technical specifications in relation to which conformity is declared:
 7. Additional information:
- Signed for and on behalf of:
place and date of issue:
name, function) (signature:]

SCHEDULE 2

Regulation 36(a)

Test purchases, powers of entry etc and warrants

Test purchases

- 1.—(1) The market surveillance authority may purchase EEE for the purpose of ascertaining whether the requirements of these Regulations have been complied with in respect of it.
- (2) If—
 - (a) EEE which has been purchased under sub-paragraph (1) or seized under paragraph 3(1) (c) of this Schedule is submitted to a test;
 - (b) the test leads to the bringing of proceedings for an offence under regulation 37 or the serving of a compliance, enforcement or recall notice; and
 - (c) a person—
 - (i) from whom the EEE was purchased;
 - (ii) who is a party to the proceedings; or
 - (iii) who has an interest in EEE which is identified as an infringing EEE in a compliance enforcement or recall notice,requests the market surveillance authority to allow that person to have the EEE tested,

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

the authority must, if it is practicable for such a test to be carried out, allow that person to have the EEE tested.

Power to enter premises

2.—(1) An authorised person may enter premises, except any premises used wholly or mainly as a private dwelling, at any reasonable hour, for the purpose of enforcing these Regulations.

(2) Before entering the premises an authorised person must give reasonable notice, unless the authorised person has a reasonable suspicion of a failure to comply with these Regulations.

(3) An authorised person must, if requested to do so, produce a written authorisation document.

(4) An authorised person may—

(a) be accompanied by—

(i) such other persons as the authorised person considers necessary,

[^{F89}(ii) any representative of the European Commission; and]

(b) bring on to the premises such equipment as the authorised person considers necessary.

Textual Amendments

F89 Sch. 2 para. 2(4)(a)(ii) omitted (E.W.S.) (31.12.2020) by virtue of The Waste (Miscellaneous Amendments) (EU Exit) (No. 2) Regulations 2019 (S.I. 2019/188), regs. 1(2)(b), **18(27)** (as amended by S.I. 2020/1540, regs. 1(2), **11(2)**); 2020 c. 1, Sch. 5 para. 1(1)

Power to inspect, seize and detain EEE etc

3.—(1) An authorised person may—

(a) in order to ascertain if any provision of these Regulations has not been complied with—

(i) inspect any EEE, products, goods, substances, records, documents or information;

(ii) on entering any premises whether under a power of entry under paragraph 2 or under a warrant under paragraph 4, make such examination or investigation as is necessary;

(b) in order to ascertain if any provision of these Regulations has not been complied with, require any person carrying on or employed in connection with a business to produce any EEE, products, goods, substances, records, documents or information and take copies of—

(i) any document or record; or

(ii) any entry in any document or record;

(c) in order to ascertain by testing or otherwise if any provision of these Regulations has not been complied with, and reasonably suspecting such non-compliance, seize and detain any EEE, products, goods, substances, records, documents or information;

(d) seize and detain any EEE, products, goods, substances, records, documents or information which may be required as evidence in any proceedings under these Regulations;

(e) for the purposes of exercising any powers or duties under these Regulations or RAMS, but only if and to the extent reasonably necessary in order to secure that the provisions of these Regulations are complied with, require any person having authority to do so to break open any container and, if that person does not comply or if there is no person present having authority to open it, break it open using reasonable force.

(2) An authorised person may require information stored electronically to be made available in printed form.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(3) An authorised person entering any premises whether under a power of entry under paragraph 2 or under a warrant under paragraph 4 must, if the occupier is present, give to the occupier or, if the occupier is absent, leave in a prominent place a notice—

- (a) summarising the authorised person’s powers of seizure and detention of EEE, products, goods, substances, records, documents and information;
- (b) disclosing at which office of the market surveillance authority and within which hours a copy of these Regulations is available to be consulted.

(4) An authorised person entering any premises which are unoccupied or from which the occupier is temporarily absent must leave them as effectively secured against unauthorised entry as they were before entry.

(5) An authorised person exercising any power of seizure and detention must—

- (a) give to the person against whom the power has been exercised a notice stating what has been seized and detained;
- (b) detain those things only for as long as is necessary for the market surveillance authority to ascertain whether any provision of these Regulations has not been complied with and, if required, to present the evidence at court.

(6) Nothing in this paragraph compels the production by any person of a document which that person would be entitled to withhold production of in any proceedings in any court on the grounds that it is the subject of legal professional privilege or, in Scotland, that it contains a confidential communication made by or to an advocate or solicitor in that capacity.

Warrants

4.—(1) A justice of the peace may by signed warrant permit an authorised person or any other person to enter any premises in the exercise of the powers and duties under these Regulations or Article 19 of RAMS, if necessary by reasonable force, if the justice in England and Wales on sworn information in writing, in Northern Ireland on a complaint on oath, or in Scotland by evidence on oath is satisfied—

- (a) that there are reasonable grounds to enter those premises for the purposes of enforcing these Regulations; and
- (b) that any of the conditions in sub-paragraph (3) is met.

(2) Reference to a justice of the peace—

- (a) in Scotland includes a sheriff;
- (b) in Northern Ireland is a reference to a lay magistrate.

(3) The conditions are—

- (a) entry to the premises has been, or is likely to be, refused and notice of the intention to apply for a warrant has been given to the occupier;
- (b) asking for admission to the premises, or giving such a notice, would defeat the object of the entry;
- (c) entry is required urgently;
- (d) the premises are unoccupied or the occupier is temporarily absent.

(4) A warrant under sub-paragraph (1) is valid for one month.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

SCHEDULE 3

Regulation 36(b)

Compliance, enforcement and recall notices

Compliance notice

1.—(1) The market surveillance authority may serve a notice under this paragraph on an economic operator who makes EEE available on the market if the authority has reasonable grounds for believing—

- (a) the EEE is an infringing product; or
- (b) the economic operator has failed to comply with its obligations under regulation 15, 19, 25 or 27(1).

(2) A compliance notice must—

- (a) describe the alleged infringing EEE (the “specified EEE”) or alleged failure to comply with the obligations set out in sub-paragraph 1(b) (the “alleged breach”) in a manner sufficient to identify it; and
- (b) state the exact grounds on which the notice is based.

(3) A compliance notice may—

- (a) require the economic operator in an appropriate case, and having regard to the economic operator’s ability to take the measures in light of that person’s position in the supply chain, to remedy the situation or matters which gave rise to the authority’s belief that the specified EEE was an infringing EEE or an alleged breach had occurred; or
- (b) where it is not possible for the specified EEE to cease to be an infringing EEE, require the economic operator to secure that the specified EEE is withdrawn or that its being made available on the market is prohibited or restricted.

(4) A compliance notice must tell the economic operator—

- (a) what compliance is required and the period within which it must be completed;
- (b) to give the authority evidence that the economic operator has complied with the notice;
- (c) the consequences of failing to comply with the notice; and
- (d) the rights of appeal against the notice under these Regulations and any time limits for their exercise.

(5) Proceedings must not be commenced against a person under regulation 37 in respect of an alleged contravention of a requirement of these Regulations where—

- (a) a compliance notice has been served on that person in respect of the alleged contravention; and
- (b) the specified compliance period in that notice has not come to an end.

Enforcement notice

2.—(1) Where the market surveillance authority serves a compliance notice on an economic operator and, at the end of the compliance period specified in the notice—

- (a) it appears to the authority that that person has failed to comply with the notice; and
- (b) the authority has reasonable grounds for considering that the specified EEE is an infringing EEE or that an alleged breach has occurred,

the authority may serve an enforcement notice on that person.

(2) An enforcement notice must—

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) describe the specified EEE or alleged breach in a manner sufficient to identify it; and
 - (b) state the exact grounds on which the notice is based.
- (3) An enforcement notice may—
- (a) require the economic operator in an appropriate case, and having regard to the economic operator’s ability to take the measures in light of that person’s position in the supply chain, to remedy the situation or matters which gave rise to the authority’s belief that the specified EEE was an infringing EEE or that an alleged breach has occurred; or
 - (b) require the economic operator to secure that the specified EEE is withdrawn or that its being made available on the market is prohibited or restricted.
- (4) An enforcement notice must tell the economic operator—
- (a) what compliance is required and the period within which it must be completed;
 - (b) to give the authority evidence that the economic operator has complied with the notice;
 - (c) the consequences of failing to comply with the notice; and
 - (d) the rights of appeal against the notice under these Regulations and any time limits for their exercise.
- (5) Proceedings must not be commenced against a person under regulation 37 (Offences) in connection with any specified EEE which it is alleged is an infringing EEE where—
- (a) an enforcement notice has been served on that person in respect of the specified EEE; and
 - (b) the compliance period specified in that notice has not come to an end.
- (6) In this paragraph “specified EEE” means the alleged infringing EEE that has been identified in a compliance notice in accordance with paragraph 1(2)(a).

Supplementary provisions in relation to compliance and enforcement notices

3.—(1) The market surveillance authority must comply with the provisions of Article 21 of RAMS in relation to the serving of a compliance or enforcement notice which imposes any requirements to secure that EEE is withdrawn from the market or that its being made available on the market is prohibited or restricted.

(2) Where the market surveillance authority has served a compliance notice or enforcement notice under this Schedule, the authority—

- (a) must keep the notice under review and may withdraw or revoke it at any time;
- (b) may vary the notice, provided it is not made more restrictive for the economic operator or more onerous for that person to comply with.

Recall notices

4.—(1) The market surveillance authority may serve a recall notice on an economic operator if the authority has reasonable grounds for believing that EEE is—

- (a) an infringing EEE presenting a serious risk by reason of that infringement; and
- (b) that it has already been supplied or made available to end users.

(2) A recall notice is a notice which requires the economic operator to use reasonable endeavours to organise the return of the EEE from end users to the economic operator or another person specified in the notice.

(3) The provisions of—

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) regulation 15 of the General Product Safety Regulations 2005(13) (“GPSR”); and
- (b) Article 21 of RAMS,

apply in relation to the serving of a recall notice under these Regulations.

(4) For the purposes of serving a recall notice under this paragraph, regulation 15 of the GPSR applies as if—

- (a) references to the provisions of the GPSR were references to those provisions as modified by this paragraph and to these Regulations;
- (b) references to an “enforcement authority” were references to the market surveillance authority;
- (c) references to the product being “a dangerous product” were references to the EEE being an infringing EEE presenting a serious risk by reason of that infringement;
- (d) references to risks to the health and safety of persons were references to the serious risk presented by the EEE;
- (e) paragraphs (9) and (10) were omitted.

(5) In this paragraph—

- (a) “serious risk” means a serious risk to health, safety, the environment, consumers, or security, requiring rapid intervention, including a serious risk the effects of which are not immediate;
- (b) The decision whether or not an EEE presents a serious risk shall be based on an appropriate risk assessment which takes account of the nature of the hazard and the likelihood of an occurrence;
- (c) The feasibility of obtaining higher levels of safety or the availability of other EEEs presenting a lesser degree of risk shall not constitute grounds for considering that an EEE presents a serious risk.

Action by the market surveillance authority

5.—(1) The market surveillance authority may itself take action which an economic operator could have been required to take by a compliance, an enforcement or recall notice where the conditions for serving such a notice are met and either—

- (a) the authority has been unable to identify any economic operator on whom to serve such a notice; or
- (b) the person on whom such a notice has been served has failed to comply with it.

(2) If the market surveillance authority has taken action under paragraph (1) following the failure of an economic operator to comply with a compliance, enforcement or recall notice, the authority may recover from that person as a civil debt any costs or expenses reasonably incurred by the authority in taking the action.

(3) A civil debt recoverable under the preceding paragraph may be recovered summarily—

- (a) in England and Wales by way of complaint pursuant to section 58 of the Magistrates’ Courts Act 1980(14);
- (b) in Northern Ireland in proceedings under article 62 of the Magistrates’ Court (Northern Ireland) Order 1981(15).

(13) S.I. 2005/1803, as amended by S.I. 2012/1848.

(14) 1980 c.43.

(15) S.I. 1981/1675 (N.I.26).

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Compensation provisions relating to compliance, enforcement and recall notices

6. Where the market surveillance authority serves a compliance, enforcement or recall notice, the authority is liable to pay compensation to a person in respect of any loss or damage suffered by that person by reason of the notice if—

- (a) the EEE is not an infringing EEE or the alleged breach is not a breach; and
- (b) the exercise by the authority of the power to serve the notice was not attributable to neglect or default by the person.

Appeals against compliance, enforcement and recall notices

7.—(1) An application for an order to vary or set aside the terms of a compliance, enforcement or recall notice may be made—

- (a) in the case of a compliance, enforcement or recall notice, by the economic operator on whom the notice has been served; and
- (b) in the case of a compliance or enforcement notice, by a person having an interest in the product in respect of which that notice has been served.

(2) An application must be made before the end of the period of 21 days beginning with the day on which the notice was served.

(3) The appropriate court (as determined in accordance with paragraph 8) may only make an order setting aside a compliance, enforcement or recall notice if satisfied—

- (a) that the EEE is not an infringing EEE;
- (b) that the alleged breach is not a breach; or
- (c) that the serving of the notice was not proportionate.

(4) On an application to vary the terms of a compliance, enforcement or recall notice, the appropriate court may vary the terms of the notice as it considers appropriate.

Appropriate court for appeals against notices etc and further appeals

8.—(1) In England and Wales or Northern Ireland the appropriate court for the purposes of paragraph 7 is—

- (a) the court in which proceedings have been brought for an offence under regulation 37(1)(a), (2)(a) or (3)(a) or paragraph 9 of this Schedule; or
- (b) in any other case a magistrates' court in England and Wales or Northern Ireland.

(2) In Scotland the appropriate court for the purposes of paragraph 7 is the sheriff for a sheriff court district in which a compliance, enforcement or recall notice has been served on an economic operator.

(3) A person aggrieved by an order made by a magistrates' court in England, Wales or Northern Ireland⁽¹⁶⁾ pursuant to an application under paragraph 7(1), or by a decision of such a court not to make such an order, may appeal against that order or decision—

- (a) in England and Wales, to the Crown Court;
- (b) in Northern Ireland, to the county court.

(16) In Scotland the making of, or refusal to make, an order by a sheriff is subject to appeal in accordance with sections 27 and 28 of the Sheriff Courts (Scotland) Act 1907 (c.51), as amended.

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Offences and penalties

9.—(1) It is an offence for any person to contravene or fail to comply with any of the requirements of—

- (a) an enforcement notice; or
 - (b) a recall notice.
- (2) A person convicted of an offence under sub-paragraph (1) is liable—
- (a) on summary conviction, to a fine not exceeding the statutory maximum;
 - (b) on conviction on indictment, to a fine.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) (OJ No L174, 01.07.2011, p88). The Directive imposes harmonised restrictions on the use of certain listed hazardous substances in 11 categories of electrical and electronic equipment. It also requires the use of EU declarations of conformity and CE marking, and provides for market surveillance. The Directive seeks to reduce the risks posed by hazardous substances to health and the environment.

The Directive repeals and replaces Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (OJ No L37, 13.02.2003, p19) (as amended) which was implemented in the United Kingdom by the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2008 (S.I. 2008/37) (as amended). These Regulations revoke and replace S.I. 2008/37 (regulation 7).

Regulation 3 sets out the restrictions on the use of certain hazardous substances in electrical and electronic equipment ('EEE'). Regulation 5 and Schedule 1 set out the EEE to which these Regulations apply. Regulation 6 sets out a time-limited exclusion from the scope of these Regulations.

Part 2 of the Regulations sets out the prohibitions and obligations that apply to economic operators. They are divided into prohibitions and obligations applying to manufacturers and their authorised representatives (regulations 10 to 22), importers (regulations 23 to 28), distributors (regulations 29 to 32), and all economic operators (regulations 33 and 34). The various categories of economic operator are defined in regulation 2. In certain circumstances importers and distributors are required to comply with the duties of manufacturers in place of, or in addition to, the duties that apply to importers and distributors (regulations 28 and 32).

Part 3 deals with the enforcement of these Regulations. Regulation 35 appoints the Secretary of State as the market surveillance authority, both for the purposes of these Regulations and for the purposes of Regulation (EC) No 765/2008 of the European Parliament of the Council of 9 July 2008 setting out the requirements for accreditation and market surveillance relating to the marketing of products and repealing Regulation (EEC) No 339/93 (OJ No L218, 13.08.2008 p30). The powers

Status: Point in time view as at 09/12/2021.

Changes to legislation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

under Regulation No 765/2008 are available to supplement the enforcement provisions in these Regulations.

Part 4 of the Regulations requires the Secretary of State to review the operation and effect of these Regulations and publish a report within five years after they come into force and within every five years after that. Following a review it will fall to the Secretary of State to consider whether the Regulations should remain as they are, or be revoked or be amended. A further instrument would be needed to revoke the Regulations or to amend them.

Schedule 1 sets out what EEE are inside and outside the scope of these Regulations. Schedule 2 contains the powers that the market surveillance authority can exercise, such as test purchases, powers of entry and warrants. Schedule 3 sets out the actions the market surveillance authority can take, and includes provision for compliance, enforcement and recall notices.

A transposition note and a full impact assessment of the effect that this instrument will have on the costs of business and the voluntary sector are available from the BIS website (www.bis.gov.uk). They are also annexed to the Explanatory Memorandum published alongside the instrument on www.legislation.gov.uk.
