
STATUTORY INSTRUMENTS

2012 No. 3032

The Restriction of the Use of Certain Hazardous Substances
in Electrical and Electronic Equipment Regulations 2012

PART 2

Prohibitions and Obligations on Economic Operators

Manufacturers and their authorised representatives

Register of EEE

19. A manufacturer must keep a register of any EEE placed on the market that the manufacturer has manufactured, or had designed and manufactured,—

- (a) in relation to which any provision of these Regulations has not been complied with; or
- (b) which has been recalled,

and keep distributors informed of these matters.
